Always Only You Chloe Liese, 2023-12-12 The TikTok sensation, now with new exclusive content! It's an office romance on the ice rink in this heart melting story about love's power not in spite of difference but because of it. Ren has known Frankie Zeferino was a woman worth waiting for since the moment they met. She's a master of deadpan delivery, has a secret heart of gold, and a rare one-dimpled smile that makes his knees go weak. But as long as Frankie's the team's social media manager, she's off limits. Frankie is a self-admittedly blunt, grumbly grump, but even she isn't immune to sunshiney Ren Bergman. Who could be, when he's a six-foot-three hunk of happy with a hockey player's physique? Maybe in the past, Frankie would have gone for a guy like him, but since being burned too many times by people who learn about her diagnoses and see a problem, not a person, she's wised up. After waiting years for the right time to make his move, Ren learns Frankie plans to leave the team to pursue a new career. But what he didn't anticipate is how hard he'll have to work to convince her to let him have his shot at winning her heart.

Only When It's Us Chloe Liese, 2023-12-05 The TikTok sensation, now with new exclusive content! Meet the Bergmans in this enemies-to-lovers new adult romance that tackles the vulnerability of love with humor and heart. From the moment Willa sat next to Ryder in class, she's made it clear she hates his guts. Her reason is a mystery, but its outcome suits him fine. Willa Sutter is the feisty, tempting chaos he doesn't need in his quiet, tidy life. She's the next generation of women's soccer. Wild hair. Bee-stung lips. And a temper that makes the devil seem friendly. He'll leverage her hate as long as possible to keep his distance. When Willa asked Ryder to borrow his lecture notes, the silent, surly, mountain man ignored her. Ryder Bergman is an arrogant, infuriating flannel-wearing enigma. Mangy beard. Frayed ball cap that hides his eyes. And a stubborn refusal to acknowledge her existence. But Willa's never backed down from a challenge. Forced to work together on their final project, Willa and Ryder begin a game of pranks and practical jokes, each determined to come out the champion. But once they catch unexpected feelings, victory begins to mean something else—winning each other's hearts.

If Only You Chloe Liese, 2024-02-20 The TikTok sensation, now with new exclusive content! A longtime good girl and unapologetic bad boy score the love of their life when they least expect to in this swoony, slow-burn sports romance. Ziggy

Bergman is tired of being underestimated. Sure, she's the youngest player on the National Soccer team and the baby of the family, but that doesn't mean she still deserves to be treated like a kid. It's time for her angelic image to get a makeover. What better way to do that than hanging out with trouble incarnate and her brother's best friend, Sebastian Gauthier? Sebastian has hit rock bottom. His hockey career and sponsorships are in jeopardy of ending if something doesn't give. Seb's not willing to actually change his destructive ways, but he's happy to pretend he's a reformed reprobate by faking a friendship for publicity with sweet, shy Ziggy Bergman. When faking starts to feel real, Ziggy and Seb discover an unexpected friendship they're happy to hold on to. At least, until their once-fake friendship becomes the most loving, empowering relationship they've ever known, and the end goal—for both of them—changes.

Everything for You Chloe Liese, 2024-02-06 The TikTok sensation, now with new exclusive content! Enemies become lovers in this sizzling sports romance about taking a chance on love when life's taught you it's a losing game. Oliver Bergman is a beloved rising soccer star, all sunshine smiles and the heart of their team's spirit. To make matters worse, he's obscenely attractive. In short: he's genetically designed to get under misanthropic, miserable Gavin's aggravated skin. Ten years older than Oliver and a legendary player at the end of his career, Gavin Hayes is the team's demanding captain. He's also a giant—albeit gorgeous—grump who lives to rain on Oliver's parade. Especially when Oliver and Gavin are named co-captains of the team. Sick of their hostility, Coach gives them an ultimatum: put an end to their enmity or say goodbye to being captains. Forced to finally to lower their guards, Gavin and Oliver realize that they also have chemistry off the field and it's fueled by something much more powerful than competition—an explosive attraction.

With You Forever Chloe Liese, 2024-01-23 The TikTok sensation, now with new exclusive content! Opposites attract in this heartfelt, modern marriage-of-convenience romance about finding love—and home—in the most unlikely of places. Rooney Sullivan is sunshine incarnate and the antithesis of quiet, reserved Axel. He's been able to hide his attraction to her until a party game gets out of hand and ends in an unexpected kiss. Months later, Rooney's staying just next door to him for a cozy A-frame getaway and temptingly within reach. Axel, the eldest Bergman brother, is a gorgeous grump and Rooney's longtime crush. Their kiss was an accident, and months later, so is stumbling into him at the Bergman family's property. Rooney's sure her feelings are unrequited, thanks to the distance Axel keeps, so she keeps her attraction to herself. But when Axel and Rooney unexpectedly find their paths—and problems—converging, marriage proves the perfect solution. At least, until they face a new dilemma: a marriage of convenience that's inconveniently become a love match, after all.

Still Reading Romance Josefine Smith, Kathleen W. Taylor Kollman, 2025-04-01 In a world that commodifies feminism, is adapting romance novels for small and big screen projects, and the Romance Writers Association is evolving to a more inclusive representative group, it is imperative for researchers to reevaluate the cultural assumptions and gender norming work happening in the romance genre. It is time to question the cultural capital of traditional archetypes, explore the

experience of romance readers, and question how romance and cultural studies researchers create quantitative, qualitative, and mixed methods research. This work centers around a data set collected with a revised version of Janice Radway's Reading the Romance survey that will be shared with all the authors of this anthology. By having access to this pool, authors will have the opportunity to explore different elements of reader experience and cultural norms in romance fiction, and potentially reflect on changes since Janice Radway's seminal work. The norms and negotiations readers experience while consuming romance is especially interesting as romancelandia becomes a more mainstream part of popular culture with the popularity of Bridgerton and romance series like Ice Planet Barbarians exploding on BookTok. No other book in romance or popular culture studies identifies a data set as the connecting element, and to do so creates an exciting opportunity to create a more inclusive study of popular romance, offer truly interdisciplinary research on the question of how readers read romance, and generate diverse areas of future scholarship. This edited volume explores multiple issues in romance fiction, based on survey data from real romance readers. An updated version of Janice Radway's influential survey looking at romance readers in the early 1980s, this time scholars explore romance readers' habits and attitudes in the twenty-first century. Each contributor in this volume uses the same survey data to make unique statements about gender, intersectionality, popular fiction, and popular culture. By using a common data set but approaching it from different perspectives, this unique volume is able to apply multiple methodologies to the same subject.

Only and Forever Chloe Liese, 2024-04-02 It's a room-mance for the books in this tender, steamy story about unexpectedly finding love and being brave enough to let it revise life's narrative in the final book in the beloved Bergman Brothers series. Viggo Bergman, hopeless romantic, is thoroughly weary of waiting for his happily ever after. But between opening a romance bookstore, running a romance book club, coaching kids' soccer, and adopting a household of pets—just maybe, he's overcommitted himself?—Viggo's chaotic life has made finding his forever love seem downright improbable. Enter Tallulah Clarke, chilly cynic with a massive case of writer's block. Tallulah needs help with her thriller's romantic subplot. Viggo needs another pair of hands to keep his store afloat. So they agree to swap skills and cohabitate for convenience—his romance expertise to revive her book, her organizational prowess to salvage his store. They hardly get along, and they couldn't be more different, but who says roommate-coworkers need to be friends? As they share a home and life, Tallulah and Viggo discover a connection that challenges everything they believe about love, and reveals the plot twist they never saw coming: happily ever after is here already, right under their roof.

Once Smitten, Twice Shy Chloe Liese, 2025-01-14 Star-crossed lovers learn that practicing romance leads to the perfect happy ending in this steamy reimagining of Shakespeare's Twelfth Night. Since heartbreak entered the scene, Juliet Wilmot, once a hopeless romantic, has sworn off love. But when she's presented with the chance to revisit romance—purely for practice—with the gorgeous, off-limits guy she keeps serendipitously running into, it feels like a sign from the universe.

Quiet, shy Will Orsino knows happily-ever-after isn't on his horizon. Problem is, for the sake of the family business, marriage is. Resigned to the inevitable, but with no confidence he can woo a wife, he can hardly say no when fate hands him the alluring, unattainable woman he keeps crossing paths with, offering to help him learn the ropes of romance. Neither of them looking for love, Jules and Will agree they're the perfect pair to practice romance. Except that practicing to perfection leads to an irresistible attraction. Their once smitten hearts, though still twice shy, might have happily-ever-after written in the stars for them, after all.

Two Wrongs Make a Right Chloe Liese, 2022-11-22 One of Amazon's Best Romances of 2022! Opposites become allies to fool their matchmaking friends in this swoony reimagining of Shakespeare's beloved comedy, *Much Ado About Nothing*. Jamie Westenberg and Bea Wilmot have nothing in common except a meet-disaster and the mutual understanding that they couldn't be more wrong for each other. But when the people closest to them play Cupid and trick them into going on a date, Jamie and Bea realize they have something else in common after all—an undeniable need for revenge. Soon their plan is in place: Fake date obnoxiously and convince the meddlers they're madly in love. Then, break up spectacularly and dash everyone's hopes, putting an end to the matchmaking madness once and for all. To convince everyone that they've fallen for each other, Jamie and Bea will have to nail the performance of their lives. But as their final act nears and playing lovers becomes easier than not, they begin to wonder: What if Cupid's arrow wasn't so off the mark? And what if two wrongs do make a right?

Love Is a War Song Danica Nava, 2025-07-22 A Muscogee pop star and a cowboy who couldn't be more different come together to strike a deal in this new romantic comedy by Danica Nava, USA Today bestselling author of *The Truth According to Ember*. Pop singer Avery Fox has become a national joke after posing scantily clad on the cover of *Rolling Stone* in a feather warbonnet. What was meant to be a statement of her success as a Native American singer has turned her into a social pariah and dubbed her a fake. With threats coming from every direction and her career at a standstill, she escapes to her estranged grandmother Lottie's ranch in Oklahoma. Living on the rez is new to Avery—not only does she have to work in the blazing summer heat to earn her keep, but the man who runs Lottie's horse ranch despises her and wants her gone. Red Fox Ranch has been home to Lucas Iron Eyes since he was sixteen years old. He has lived by three rules to keep himself out of trouble: 1) preserve the culture, 2) respect the horses, and 3) stick to himself. When he is tasked with picking up Lottie's granddaughter at the bus station, the last person he expected to see is the Avery Fox. Lucas can't stand what she represents, but when he's forced to work with her on the ranch, he can't get her out of his sight—or his head. He reminds himself to keep to his rules, especially after he finds out the ranch is under threat of being shut down. It's clear Avery doesn't belong here, but they form a tentative truce and make a deal: Avery will help raise funds to save the ranch, and in exchange, Lucas will show her what it really means to be an Indian. It's purely transactional, absolutely no horsing around...but where's the fun in

that?

Sempre e solo con te Chloe Liese, 2024-03-12 Always Only You L'amore arriva quando meno te l'aspetti... Ren Bergman ha capito fin dal loro primo incontro che Frankie Zeferino è una ragazza da non lasciarsi scappare: una combinazione esplosiva di sincerità, spirito selvaggio e un sorriso da far perdere la testa. Ma Frankie è la social media manager della sua squadra di hockey, e una regola non scritta vieta loro di frequentarsi finché lavorano insieme, nonostante anche lei fatichi a resistere al fascino di Ren. E come darle torto: capelli rossi, un fisico da campione e due occhi azzurri come il ghiaccio. Frankie, tuttavia, ha imparato a proteggere il suo cuore dopo le delusioni collezionate in passato: le è capitato troppo spesso di essere considerata un "problema" e non la persona straordinaria che è. Quando Ren scopre che Frankie sta per lasciare il team e cambiare vita, capisce che è giunto il momento di giocarsi il tutto per tutto. Inizia così una travolgente partita, per una volta non sul ghiaccio, ma direttamente nel cuore di Frankie... Un giocatore di hockey determinato. Una ragazza che non vuole innamorarsi. Il loro sarà vero amore? «Un libro spensieratamente sexy, divertente e, soprattutto, meravigliosamente profondo.» Publishers Weekly «Chloe Liese racconta una storia d'amore romantica ma con personaggi veri, che vivono le loro difficoltà nella normalità della vita. Ed è una storia bellissima.» «Un libro che celebra l'accettazione di sé e la gioia di essere amati per ciò che si è davvero.» Chloe Liese Scrive storie d'amore irresistibili piene di protagonisti originali, talvolta neurodivergenti come lei, perché è convinta che chiunque abbia diritto a una meravigliosa storia d'amore. Con la Newton Compton ha pubblicato Tu prima di me, Uno a zero per me e Sempre e solo con te.

Love You, Always Cristin Cooper, 2015

Loving You Always Laura Conway, 1953

Always and Forever Lauren Crossley, 2014-11-22 WARNING: This book is not for the faint hearted. If you do not like to read about dark themes, obsessive love or crazy, jealous and possessive heroes, then this book is not for you. No, I won't leave. You can say whatever the hell you want to me and I still won't go. I will never, ever leave you, Bethany. Don't you understand that? Do you not understand the depth of my feelings for you? The truth is... I can't let you go, even if I wanted to... I just don't have the strength to do it. You deserve to know the truth and that's why I don't care how messed up this is. Bethany, you have to know that I'm unconditionally and unreservedly in love with you. Every single thought I have consists of you. I'm utterly obsessed, I'm addicted and I feel like I'm going crazy over the intensity of my feelings for you. The need I have to be with you takes precedence over everything else in my life; it can't be rivalled by anything. Being with you isn't a choice; we're not an option, Bethany. Don't you understand that? I've actually reached the stage where I know I wouldn't even be able to exist without you. My need for you is like oxygen, it's not something I can control or even try to explain. I can honestly say that I would cease to exist without you in my life; I would sooner die than be separated from you. You've taken over my mind, body and soul, all I think about is you. You're the centre of my universe, you're all I can see and you know what? That's absolutely fine; it's fine because you're the only one I need. It's you, Bethany. It will always be you. - Jake. Jake's

intensity can sometimes scare me and yet it is the same unyielding intensity that draws me to him. I've never wanted anything or anyone as much as I want Jake. I crave him and I'm not ashamed or embarrassed to admit that he's now become the centre of my world. He's completely taken over my mind, my body and my soul. The truly messed up thing is... I don't mind. - Bethany. Bethany is a twenty year old young woman who just wants to experience life in the same way that anyone else does. She longs for freedom and for an escape from her boring and predictable life. Her controlling father has always prevented her from experiencing the freedom she so ardently desires... Until now. Bethany has always dreamt of escaping the never-ending dictatorship of her father but never thought her hopes for freedom would actually come true... until Jake. Irresistibly handsome and fiercely protective over the fragile young girl he's just met, Jake is adamant that nothing will keep them apart. He soon becomes fixated on the idea of them being together and will stop at nothing to make it happen. The question is, will Jake's passionate and intense love for Bethany be enough to help her escape the clutches of her father's obsessive control? Or will their love be thwarted by something darker than either of them could ever imagine? Bethany knows her father and the lengths that he will go to. He's a cruel and dangerous man who will share Bethany with no one. However, Jake is not to be underestimated. He hasn't always been the good man that he is today. Jake is desperate to keep Bethany in his life but he also wants to keep her safe from the darkness that surrounds him and his past, a past that continues to haunt him. The truth is, Jake has a secret. It's something dark and painful, something a girl from his past won't allow him to forget, no matter how hard he tries to make her disappear from his life. Bethany quickly becomes the centre of his universe and Jake vehemently decides that he's not going anywhere without a fight. He needs this girl and he'll do anything and everything that he can to be with her and make her his. It's love versus evil in this enthralling debut about first love, passion, obsession and jealousy. *** This New Adult romance novel contains mature themes, strong language, scenes of violence and sexual situations. It is recommended for readers 18+ ***
