Good Friday's Good News Eric W. Gritsch,2014-07-23 This book is a collection of seven Good Friday homilies by the late Rev. Dr. Eric W. Gritsch. Due to the fact that this respected historian, writer, teacher, and preacher rarely wrote his sermons, this book of printed meditations will be a treasured addition to any library. Here Gritsch captures the essence of Christian theology, highlighting the concepts with his understanding of human history and human foibles. The insights and wit for which this beloved teacher is known abound in this small volume. In this collection, the seven last words of Christ from the cross are made relevant for those in the twenty-first century who live the daily experiences of their lives trying at all times to be faithful Christians. Page by page the good news of Good Friday is made real!

Preaching Christ from Psalms Sidney Greidanus,2016-11-10 In this penultimate volume of his series on preaching Christ from the Old Testament, Sidney Greidanus offers expert guidance for busy pastors on preaching Christ from Psalms. Beginning with a general introduction on how pastors can interpret and preach from the biblical psalms — and why they should — Greidanus proceeds by discussing twenty-two psalms in the Revised Common Lectionary, Year A, supplying the building blocks necessary to preach from Psalms at Christmas, Easter, Pentecost, and other major days and seasons of the church year. In addition to laying out basic homiletical-theological approaches suitable for each selected psalm, these chapters also provide verse-by-verse exposition, bridges to Christ in the New Testament, and ideas for placing the psalmist's words into contemporary context.

Death of Jesus for Progressive Christians Donald Schmidt,2019-11-05 An unbelieved truth can hurt a man much more than a lie. It takes great courage to back truth unacceptable to our times. There's a punishment for it, and it's usually crucifixion. – John Steinbeck, East of Eden The resurrection of Jesus is, of course, the most important event for Christians, yet the events that led up to it are almost as important. According to all the biblical sources and a wide variety of non-biblical texts, Jesus was put to death because the message he brought threatened the powerful of his era. There are many more nuances than that, of course, and lots of ways one can spin the story to make one's point, but the simplest truth is that the gospel message was too toxic for the imperial stomach to bear. While exploring the biblical stories about the death of Jesus, it

is good to ask the larger question hanging in the background of all this drama: Why did Jesus die? In his book *Speaking Christian*, Marcus Borg points out that the idea of substitutionary atonement – the idea that Jesus had to die to “atone” for our sins – is a late development in theological history; its first appearance is in 1097, a thousand years after the writing of the Christian Bible. Borg points out that the meaning of Jesus’ death becomes distorted if one assumes that it was necessary and required. Contrary to atonement theory, scripture provides stronger responses to the question of why Jesus died. His message was revolutionary and a threat to the religious and political powers of the day. Talk of loving one’s neighbours, of treating people as if they matter, of seeking forgiveness and new ways of being accountable to one another – these values do not encourage faithfulness to empire. Jesus’ message was directly counter to the values that the government promoted. For them, there was no question but that Jesus had to be extinguished... Similarly, the religious powers found their established order threatened. Jesus’ theme of God’s involvement in the world on behalf of the marginalized (specifically, foreigners, women, tax collectors, children, etc.) was a major challenge to the religious order of the day. It had to be stopped...

The Reading and Preaching of the Scriptures in the Worship of the Christian Church, Vol. 7 Hughes Oliphant Old, 2010 The Reading and Preaching of the Scriptures in the Worship of the Christian Church is a multivolume study by Hughes Oliphant Old that canvasses the history of preaching from the words of Moses at Mount Sinai through modern times. In Volume 1, The Biblical Period, Old begins his survey by discussing the roots of the Christian ministry of the Word in the worship of Israel. He then examines the preaching of Christ and the Apostles. Finally, Old looks at the development and practice of Christian preaching in the second and third centuries, concluding with the ministry of Origen.

A Spirituality for Sunday People Fr. Kevin E. Mackin OFM, 2017-02-02 Spirituality is growing into our life with God. It is letting the breath or Spirit of God live and breathe and work in us. And the fruits of that are love, joy, peace, patience, kindness, generosity, faithfulness, gentleness, self-control (Gal 5:22-23). The Word proclaimed Sunday after Sunday is inspired by God. Jesus, the incarnate Word of God, entered into our history and fully embraced our humanity. In a similar fashion, the Bible is the Word of God, communicated through human authors with their particular worldviews. This collection of homilies reflects on the Word in today’s life.

Respect for the Jews Franz Posset, 2019-09-30 Eight different historical-theological studies are assembled here under the title *Respect for the Jews*. They focus primarily on positive Catholic attitudes toward Jews during the turbulent years of the first half of the sixteenth century. The number of authors and texts are relatively small, but need to be brought out into the open. For the first time, a speech in praise of the language of the Jews by the early ecumenist, Georg Witzel (1501-1573), is made available in English. Other Catholic Hebraists who are featured include Johann Reuchlin (1455-1522), Matthaeus Adrianus (ca. 1470-1521), Robert Wakefield (died 1537), and Nicolaus Winmann (ca. 1500-1550). Their brilliant works are presented in front of the sinister backdrop of the vicious attacks against the Jews by the well-educated Catholic convert of

Jewish descent, Johann Pfefferkorn (ca. 1469-1521), a self-appointed Catholic missionary to the Jews, and also against the background of the scandalous outbursts of the Grobian Reformer, Martin Luther (1483-1546). Volume 4 of the author's Collected Works fosters the idea that Jews and Christians are study partners, rather than antagonists--as visualized in the new statue Synagogue and Church in Our Time (as shown on the cover).

A plea for definite Christian Doctrine. A Sermon [on 1 Cor. xiv. 8], etc William INCE (Canon of Christ Church.),1865

Christ Our Passover Has Been Sacrificed Mark G. Boyer,2018-01-03 Christ Our Passover Has Been Sacrificed examines the paschal mystery as it is presented throughout the liturgical year in The Roman Missal. After offering an in-depth definition of the paschal mystery the author guides the reader through Lent, Holy Week, Easter, Pentecost, and more, mining the riches of paschal mystery spirituality. Biblical accounts interpret the death and resurrection of Jesus; liturgical texts in The Roman Missal present a rich seam of spiritual truth for the reader to apply to his or her life. By remembering Jesus' death and resurrection, Roman Catholics celebrate daily dying and rising to new life. The author serves as a guide through paschal mystery spirituality, while also noting the mystical theology--reflections on experiences of God--represented by the prayers in The Roman Missal, particularly those dealing with Jesus' suffering, death, resurrection, ascension, and gift of the Spirit. Through reflections and meditation questions, readers are invited to name their own personally transforming mystical experiences, which connect them to God in deep levels and move them outward into the community to share spirituality.

FOUR SEASONS WITH JESUS Fr. Kevin E. Mackin OFM,2025-06-23 FOUR SEASONS WITH JESUS - ADVENT, CHRISTMAS, LENT, EASTER dwells in the daily Bible readings of Jesus's earthly mission. Kevin E. Mackin, OFM, a popular priest and former college president and professor, gently motivates readers to begin again with Jesus and early Christians as they lived the core beliefs of Incarnation and Resurrection, and to ask how the Word of God and biblical acts apply to life today. This volume of brief reflections and questions is a fulsome companion to the author's books of Sunday homilies.

Enjoying God's Gifts Fr. Kevin E. Mackin OFM,2018-09-28 God speaks to us in the Bible so we can grow in holiness. With every reading, new understandings of our life with God emerge, and we will be better inspired to enjoy God's many gifts for us. Some texts in the Bible evolved over decades; others did so over centuries. In fact, at least forty authors probably wrote the Bible over fifteen hundred years, and the texts aren't always easily understood. This collection of homilies by Fr. Kevin E. Mackin, OFM, features drama, wisdom, and humor. They illuminate Advent and Christmas, Lent and Easter, and "ordinary time"; and they prompt the reader to contemplate and celebrate God's gifts.

Everyday Ethics Michael Lamb,Brian A. Williams,2019-10-01 What might we learn if the study of ethics focused less on hard cases and more on the practices of everyday life? In Everyday Ethics, Michael Lamb and Brian Williams gather some of the world's leading scholars and practitioners of moral theology (including some GUP authors) to explore that question in dialogue with anthropology and the social sciences. Inspired by the work of Michael Banner, these scholars cross disciplinary

boundaries to analyze the ethics of ordinary practices—from eating, learning, and loving thy neighbor to borrowing and spending, using technology, and working in a flexible economy. Along the way, they consider the moral and methodological questions that emerge from this interdisciplinary dialogue and assess the implications for the future of moral theology.

Plain Truth for Plain People Brad Estep, 2019-03-22 Having studied preaching at a doctoral level and practiced the craft for more than thirty years, Brad Estep offers fifty biblically grounded, theologically informed, and congregationally contextualized sermons centered around the different seasons of the Christian year. In addition to the sermon itself, Estep provides additional analysis that revolves around the homiletical structure, reasons for effectiveness, and usage of illustrative material. This work is designed for preachers who are interested and committed to the craft of preaching. Intended for reflective practitioners, Plain Truth for Plain People helps to reveal how and why sermons are crafted in the way that they are. Because of that, this book is also of interest to parishioners in the pews. At the top of the list of desirable skills in a pastor is preaching. This work helps provide examples of what that looks like—or more accurately, what that sounds like.

The Joyce Paradox Arnold Goldman, 2015-12-22 First published in 1966. By pursuing a group of cognate themes, the author relates major critical approaches to the fiction of James Joyce. One of the major issues explored is that of the existence of 'symbols' in his fiction, and of the quality of Joyce's feelings shown through an examination of the extent of his human sympathies. This title will be of interest to students of literature.

Liberation Theology Phillip Berryman, 1987 In the chaos that is Latin American politics, what role does the Catholic church play with regard to its clergy and its members? How does the church function in Latin America on an everyday, practical level? And how successful has the church been intervening in political matters despite the fact that Latin American countries are essentially Catholic nations? Philip Berryman addresses these timely and challenging issues in this comprehensive. Unlike journalistic accounts, which all too frequently portray liberation theology as an exotic brew of Marxism and Christianity or as a movement of rebel priests bent on challenging church authority, this book aims to get beyond these cliches, to explain exactly what liberation theology is, how it arose, how it works in practice, and its

implications. The book also examines how liberation theology functions at the village or barrio level, the political impact of liberation theology, and the major objections to it posed by critics, concluding with a tentative assessment of the future of liberation theology. Author note: Phillip Berryman was a pastoral worker in a barrio in Panama during 1965-73. From 1976 to 1980, he served as a representative for the American Friends Service Committee in Central America. In 1980, he returned from Guatemala to the United States and now lives in Philadelphia.

Shakespeare's Religious Language R. Chris Hassel Jr., 2015-03-26 Religious issues and discourse are key to an understanding of Shakespeare's plays and poems. This dictionary discusses over 1000 words and names in Shakespeare's works that have a religious connotation. Its unique word-by-word approach allows equal consideration of the full nuance of each of these words, from 'abbess' to 'zeal'. It also gradually reveals the persistence, the variety, and the sophistication of Shakespeare's religious usage. Frequent attention is given to the prominence of Reformation controversy in these words, and to Shakespeare's often ingenious and playful metaphoric usage of them. Theological commonplaces assume a major place in the dictionary, as do overt references to biblical figures, biblical stories and biblical place-names; biblical allusions; church figures and saints.
