

Ondas De Vida En Vivo

Gabriel Caballero

La pasión según G. H. Clarice Lispector,2024-12-18 El fin del romance.El fin de una pasión.El fin de la literatura. El fin del propio fin.G. H. —de quien nunca conoceremos el nombre completo— es una mujer independiente, escultora aficionada y bien conectada en los círculos más influyentes de Río de Janeiro. Un día, sola en su ático, vive una experiencia extraordinaria que la enfrenta a sus propios límites. Esta vivencia le provoca náuseas de repulsión y desata un torrente de reflexiones íntimas, algunas hasta entonces desconocidas para ella misma, sobre sus emociones, temores, angustias y la esencia de su existencia. Lo que parece un suceso trivial se transforma en un catalizador que la lleva a examinar su vida desde la infancia y, finalmente, a tomar la determinación de superar sus miedos más profundos. La pasión según G. H., considerada por muchos la obra maestra de Clarice Lispector, confirma a la autora como un clásico indiscutible del siglo XX. En palabras de Luiz Fernando Carvalho, director de la adaptación cinematográfica de la novela: «G.H. se convierte en una aliada de quienes habitan en la catástrofe, de todos nosotros que, en algún momento de nuestras vidas, nos hemos extraviado de nosotros mismos —o de algún otro—, para luego encontrarnos sin salida, apoyándonos en estructuras que de repente se desmoronan».

Diario de los debates de la Cámara de Diputados Peru. Congreso. Cámara de Diputados,1958

Fado Mascarenhas Barreto,1979

Ética cristiana Miguel Núñez,2021-02-01 El exitoso autor y pastor, Miguel Núñez, reúne más de treinta años de experiencia docente en un solo volumen. Este libro tiene el propósito de proporcionar una cosmovisión bíblica para cuestiones éticas difíciles, incluidas cuestiones contemporáneas como la riqueza y la pobreza, el matrimonio y el divorcio, el control de la natalidad, el aborto, la eutanasia, la homosexualidad, las prácticas comerciales, la administración ambiental, decir la verdad, conocer la voluntad de Dios, entender las leyes del Antiguo Testamento y muchas más. Best-selling author and pastor, Miguel Núñez, puts over thirty years of teaching experience into a single volume. This book has the purpose of providing a biblical worldview for difficult ethical issues, including contemporary issues such as wealth and poverty, marriage and divorce, birth control, abortion, euthanasia, homosexuality, business practices, environmental stewardship, telling the truth, knowing God's will, understanding Old Testament laws, and many more.

Verdad, belleza y sentido del humor Katia Cócera,2017-12-26 Verdad, belleza y sentido del humor es una meditación sobre la realidad humana en su asombroso contexto natural, desde la onda a las galaxias. Consta de tres partes: la primera, en prosa poética, es de carácter filosófico y refleja el sentido de todo ello según la autora. La segunda, de carácter psicológico, propone explicaciones y actitudes sanas ante los aspectos más peliagudos de la existencia. La tercera, finalmente, es un paseo por las múltiples afinidades entre ciencia y espiritualidad. Reúne lo que Katia Cócera, bióloga y profesora de Yoga, ha descubierto a lo largo de su vida, con todo el gozo que proporciona la contemplación de la hermosa verdad.

TU VERDADERO HOGAR Oswaldo Herrera A.,2014-04 El mensaje de éste libro te ayudará a encontrar el camino que Dios tiene para ti para que logres y mantengas TU VERDADERO HOGAR, lleno de bendiciones y así tendrás junto a tu familia una vida realizada. Oswaldo también nos presenta su experiencia, durante 40 años de vida matrimonial, como esposo, padre y abuelo. Al mismo tiempo comparte los conocimientos adquiridos en la Biblia, que le han ayudado a disfrutar su matrimonio, su familia y sus amistades.

Revista Academia Brasileira de Letras,1921

Consciente creador Ricardo Soto,2022-10-01 Consciente Creador es todo aquel que se autoescoge devoto, agradecido de la vida y en el camino reconoce, ama y deja morir a su ego. En esta nueva era de la verdad, la humanidad tiene una gran oportunidad de elevar su frecuencia vibracional y recordar su esencia natural olvidada. Somos capaces de todo cuando resonamos con la Totalidad de la que somos parte.

Topodrilo ,1993

Time and Space Juan Ramón Jiménez,2000 Written while in exile in the United States, Time and Space were originally intended to appear together in a single volume. Not until 1986, however, did they appear so in Spanish and not until 1988 were they published together in English. By presenting them together, Jiménez had wanted them to convey the same continuity of emotion, the same philosophical intensity, that he had experienced while writing them. All My Life, he wrote in his introduction, I have toyed with the idea of writing a continuous poem...with no concrete theme, sustained only by its own surprise, its rhythm, its discoveries, its light, its successive joys; that is, its intrinsic elements, its essence. That continuous poem is Time and Space the last book Jiménez wrote. Presented here in a bilingual edition, Time and Space will take readers of both English and Spanish on the longest and most sustained ride on the crest of poetry they will ever enjoy. The greatest poem in this Century... Octavio Paz Antonio T. de Nicolás, translator and editor of Time and Space is also widely known for his highly acclaimed translation of the Juan Ramón Jiménez classic, Platero and I, as well as many other works in Spanish. His first book of poetry, Remembering the God to Come, is also being published by iUniverse.com.

Voces airadas Juan Cano Ballesta,2013-09-10 Se ha repetido con demasiada insistencia que los poetas del 27 formaban

una generación esteticista, que no les interesaba la política y que su gran preocupación era el arte y la poesía. Este volumen ofrece un conjunto de estudios que contribuirá a apreciar la complejidad, riqueza y plena vitalidad de la obra de esta generación, que no sólo es experimental, lúdica y esteticista, sino que también es comprometida y sensible a su realidad histórica. Sus escritos aparecen fuertemente ligados a los acontecimientos políticos y a las convulsiones sociales de aquellas décadas como demuestran tantos poemas y textos con frecuencia olvidados.

Amor Y Pedagogía de Miguel de Unamuno Miguel de Unamuno,2025-02-10 ¡Bienvenido al intrigante mundo de Amor y Pedagogía de Miguel de Unamuno, una novela que desafía las convenciones sociales y te sumerge en un torbellino de amor, pasión y reflexión filosófica! En esta obra, Unamuno te lleva a través de las complejidades del amor y la educación en la España del siglo XIX, explorando las tensiones entre la tradición y el cambio, el deseo y la responsabilidad, y la libertad y la convención. Acompaña a los personajes mientras navegan por las intrigas de la vida amorosa y los dilemas morales que enfrentan en su búsqueda de la felicidad y la realización personal. Desde los idilios románticos hasta las crisis existenciales, cada página está llena de emociones intensas y profundas reflexiones sobre la naturaleza humana. Con una prosa rica y llena de matices, Unamuno crea un mundo que te envuelve y te desafía a cuestionar tus propias creencias y prejuicios. Sus personajes son complejos y convincentes, reflejos de las luchas internas y externas que enfrentamos en nuestra propia búsqueda de significado y conexión. Amor y Pedagogía ha sido aclamada como una de las obras más importantes de Unamuno, tanto por su brillantez literaria como por su profundidad filosófica. Su influencia perdura hasta nuestros días, inspirando a lectores de todas las edades y trasfondos a reflexionar sobre el amor, la educación y el propósito de la vida. Al sumergirte en las páginas de esta novela, te encontrarás inmerso en un mundo de pasión y reflexión que te cautivará desde el principio hasta el final. No pierdas la oportunidad de descubrir esta obra maestra de la literatura española. ¡Hazte con tu ejemplar hoy mismo y déjate llevar por la genialidad de Miguel de Unamuno!

Selva lírica Julio Molina Núñez,1917

Obras de Lope de Vega Lope de Vega,1902

El futuro de nuestra mente Michio Kaku,2014-03-06 Una nueva teoría sobre la conciencia y el futuro de los estudios de nuestra mente. Por primera vez en la historia, gracias a escáneres de alta tecnología diseñados por físicos, se han desvelado secretos del cerebro, y lo que un día fuera territorio de la ciencia ficción, se ha convertido en una asombrosa realidad. Grabación de recuerdos, telepatía, vídeos de nuestros sueños, control de la mente, avatares y telequinesia: todo esto no solo es posible, sino que ya existe. El futuro de nuestra mente es el relato riguroso y fascinante de las investigaciones que se llevan a cabo en los laboratorios más importantes del mundo, todas basadas en los últimos avances en neurociencia y física. Algun día podríamos llegar a tener una «pastilla inteligente» que incrementara nuestro conocimiento; podríamos cargar nuestro cerebro en un ordenador, neurona a neurona; mandar nuestros pensamientos y nuestras emociones de un lugar a

otro del mundo a través de una «internet de la mente»; controlar ordenadores y robots con el pensamiento; y tal vez rebasar los límites de la inmortalidad. En esta extraordinaria exploración de las fronteras de la neurociencia, Michio Kaku plantea cuestiones que desafiarán a los científicos del futuro, ofrece una nueva perspectiva de las enfermedades mentales y la inteligencia artificial y presenta un nuevo modo de pensar en la mente. La crítica ha dicho... «En un viaje revelador a través de la mente, el físico teórico Michio Kaku explora reinos fantásticos de la ciencia ficción que pronto podrían convertirse en nuestra realidad.» Publishers Weekly «Kaku centra su atención en la mente humana y consigue resultados sorprendentes... La telepatía ya no es una fantasía desde que los escáneres pueden detectar, de forma rudimentaria, que está pensando un sujeto, y la genética y la bioquímica permiten a los investigadores alterar los recuerdos e incrementar la inteligencia de los animales.» Kirkus Reviews «Una experiencia extraordinaria que te abrirá la mente.» Booklist

MARTE Gabriel Caballero, 2021-08-10 Explorar el planeta Marte solo con robots y proyectar una misión tripulada a mediados de este siglo se ha convertido en un objetivo equivalente al desafío que representó alcanzar la Luna en la década de 1960. Es la meta de una nueva carrera espacial en la que participan los Estados Unidos, Rusia, China, los Emiratos Árabes Unidos, India, Japón y la Unión Europea. Para entender la atrapante complejidad de este fenómeno, un grupo multidisciplinario de argentinos ha elaborado este libro que habla del pasado, del presente y del futuro de la exploración marciana, de su climatología y geología, de los secretos de su atmósfera, de cada una de las misiones que lo han visitado hasta la actualidad, de la exploración de sus lunas, de los trajes espaciales, de los desafíos tecnológicos, psicológicos y jurídicos a los que debe enfrentarse el ser humano para lograr ser una especie interplanetaria y de los avances tecnológicos de la prometedora empresa estadounidense SpaceX, solo por mencionar algunos de los temas. Nuestro deseo es que esta obra ayude a crear conciencia y a despertar interés sobre la importancia de la exploración de Marte para que nuestro país se integre, explote su gran potencial y participe en el esfuerzo internacional de alcanzar la órbita y la superficie de Marte con humanos.
