American Directory of Writer's Guidelines ,2007-02 Perhaps the best-kept secret in the publishing industry is that many publishers--both periodical publishers and book publishers--make available writer's guidelines to assist would-be contributors. Written by the staff at each publishing house, these guidelines help writers target their submissions to the exact needs of the individual publisher. The American Directory of Writer's Guidelines is a compilation of the actual writer's guidelines for more than 1,700 publishers. A one-of-a-kind source to browse for article, short story, poetry and book ideas.

Gilgamesh to Gierach James W. White, 2024-08-02 Fish have figured profoundly in both human history and imagination for millennia. They are both gifts of the sea, drawing civilizations to the water, and terrors of the deep, holding revelations of the unconscious and the unknown. Today, fly fishing attracts millions looking to escape modern life and reconnect with some primal, meditative instinct to partake in nature's offerings. *Gilgamesh to Gierach* is a collection of three hundred fishing, water, and fish tales spanning four millennia and numerous genres. More than a historical overview, White has distilled this immense topic into threads that flow through time, from legends and literature to nursery rhymes, poems, and humorous fish tales. Anglers will discover fly fishing's ancient roots and spiritual seekers the fish's religious and existential implications. Among the included voices are Homer, St. John, Ovid, Brendan the Navigator, Dame Juliana Berners, Shakespeare, Walton, Melville, Yeats, Thoreau, Hemingway, Rodrick Haig-Brown, and Norman Maclean. Whether told in full or, more often, condensed, these stories will leave the reader with a strong sense of the fish's significance to many of the world's greatest thinkers. Brimming with jokes, histories, simple folk tales, and great tragedies, this impressive work offers something for everyone.

Reflections from a Nature Mediator Sherri L S, 2016-07-05 The book includes 58 exerts to contemplate on. The perfect companion to an afternoon picnic, a lazy day by the pool, or lounging outdoors with your favorite pet or in a tree house. The book initially was supposed to be a poetry book with a reflection on the appreciation of nature. However, when it all came together, I noticed that it wasn't so much poetry, yet it was more portrayed as exerts, states the Author. Some may make you smile or laugh. It's kinda like looking at a painting when going to a gallery. Instead of using a brush, I used my pen. That's the difference between a painter and a writer. Same concept. Different approach. Different tools. I hope you enjoy the exerts.

Road Ends Ahead: Reflections on Aging and the Outdoor Lifestyle Matt Artz, 2013-08-24 I'm getting older. I'm slowing down. I can't do everything that I used to. And as the steamroller of old age continues its relentless advance, there's not much I can do about it. Except complain. And write. Many of the outdoor stories I've been writing over the last three or so years share a common theme: reflections on aging, and how it's changing my perspective on life and my relationship with the outdoors. And thus this little compilation was born. The road may end ahead, but there is still quite a distance left to travel...

The National Curriculum Outdoors: Year 6 Sue Waite, Michelle Roberts, Deborah Lambert, 2020-06-25 Part of the National Curriculum Outdoors series, aimed at improving outside-the-classroom learning for children from Year 1 to Year 6 Teaching outside the classroom improves pupils' engagement with learning as well as their health and wellbeing, but how can teachers link curriculum objectives effectively with enjoyable and motivating outdoor learning in Year 6? The National Curriculum Outdoors: Year 6 presents a series of photocopiable lesson plans that address each primary curriculum subject, whilst enriching pupils with the benefits of learning in the natural environment. Outdoor learning experts Sue Waite, Michelle Roberts and Deborah Lambert provide inspiration for primary teachers to use outdoor contexts as part of their everyday teaching and showcase how headteachers can embed curriculum teaching outside throughout the school, whilst protecting teaching time and maintaining high-quality teaching and performance standards. All of the Year 6 curriculum lessons have been tried and tested successfully in schools and can be adapted and developed for school grounds and local natural environments. What's more, each scheme of work in this all-encompassing handbook includes primary curriculum objectives; intended learning outcomes; warm-up and main activities; plenary guidance; natural connections; ICT and PSHE links; and word banks. Please note that the PDF eBook version of this book cannot be printed or saved in any other format. It is intended for use on interactive whiteboards and projectors only.

The Role of the Outdoors in Residential Environments for Aging Susan Rodiek, Benjamin Schwarz, 2006-09-11 The Role of the Outdoors in Residential Environments for Aging presents new insights on the positive role nature and the outdoors can play in the lives of older adults, whether they live in the community, in an assisted-living environment, or in a skilled nursing facility. Current research suggests that increased contact and activity levels with the outdoors can be an important therapeutic resource for the elderly, with significant mental and physical health benefits. This unique book examines how to

make the most of outdoor spaces in residential settings, exploring attitudes and patterns of use, the effect of plants, the physical environment, and health-related outcomes from contact with nature and enhanced physical activity.

A Practical Guide to Nature-Based Practice Niki Buchan, 2017-02-09 WINNER OF THE 2018 NURSERY WORLD STAFF RESOURCES AWARD There is a growing realisation that children in the Early Years benefit from being involved in wild spaces. Motivational Quotes for Outdoor Survival Xavier Ruiz, 2018 My dad loved the outdoors and brought me up to appreciate nature and all that was there. My dad always emphasized safety and so most of my life, I have been involved with learning about outdoor survival. In addition to my dad's wisdom and my own experience, I have read widely and learned so much from other people's perspective. It is a joy to have accumulated over 1,200 quotes that each in some way have some relevance to a person's safety and survival - and bring them to you. Use this book like another survival tool. When the challenge confronts you, refer to meaningful advice here. With 115 categories, it is likely that you will find something that will hit home and help you along. Some of these quotes shed light on the risks encountered in the outdoors, some provide warnings on the rigors of survival and some give you a sense of the reality and harshness of life-or-death struggle. Others help you to keep safe, find hope and rejuvenate strength. They all contribute some angle on how to preserve your senses and how to keep yourself alive. There is deep strength in all of us. With some insightful words, we can find this, draw on it and use it to our full advantage. Despite the overall theme of outdoor survival, most of these quotes can be used to inspire and

motivate you to new levels of inspiration and motivation é through and past your struggles.I hope you enjoy these words of wisdom and reflection as much as I have. If you are ever in a tight bind, may they motivate and give you courage to continue and press on.
