If you want to put an end to your stupidity, this book is just the book for you. In this book, AiR shares a simple tool that will help you stop being a fool, a Mantra, we never learned in school! All you have to say is, 'Stop it, Stupid!' to yourself when you feel like a fool, and you will see the magic. We human beings are the only ones blessed with the power of the Intellect. We can discriminate, and we can choose. We have been gifted with the willpower to change. However, as long as we are slaves to the Mind and Ego, ME, we will continue to do stupid things. **Let go of your EGO And you will find GOD** AiR - Atman in Ravi, 2020-08-04 Many of us do not realize that it is our Ego that is the cause for us not realizing God within. The Ego distances our self from God. God actually lives in the temple of our heart as per the Bible, the Quran, the Bhagavad Gita, the Upanishads. Still, we are unable to find God, to realize God. Why? It is because of the Ego. If we remove the 'E' or the 'I' from the Ego, then the 'D', the 'Divine' will appear. If we remove the

**Happiness, God and Man** Christoph Schoenborn, 2011-02-02 All human beings want to be happy. The longing for happiness does not have to be learned, it is innate. And it can hardly be unlearned. For we never simply acquiesce in unhappiness. Christian faith, the Christian way of life, and the imitation of Christ are understood to be signposts pointing the way to happiness. Upon this depends their credibility and their attractiveness. The highly regarded teacher, writer and pastoral churchman, Cardinal Schonborn, talks about man's happiness, small and great, about happiness as it is supposed to be and as it is discovered. He explains what it means to say that all human beings are created for happiness. His insightful writings are centered on meditations about happiness and also about the deeper meaning of love and friendship. Yet the Archbishop of Vienna also discusses the essential questions of faith, including reflections on the Name of God as seen in Scripture, on dealing with the tragedies of modern times, consolation for the sorrowful and on the spiritual roots of western civilization. In addition he discusses the importance of literature, and how it addresses the deeper questions about life, as demonstrated in his literary discussions of the works by C. S. Lewis, Gertrud von Le Fort and William Shakespeare. He shows how their works give witness to a happiness that overcomes all darkness through suffering, trials and especially forgiveness.

**When you overcome THE FEAR OF DEATH... you start to Live!** AiR - Atman in Ravi, 2021-05-01 When you overcome the FEAR of DEATH, You start to LIVE The fear of death stops us from living life. While we are all 'alive', we are paralyzed by fear. FEAR is a False Expectation Appearing Real, but when we fear death, we are unable to move. We begin to live with phobias. We become paranoid. Everything we do makes us fear that we will die. And because we fear we will die, we refrain from doing things that otherwise we could do. Unless we overcome the fear of death, we don't really start to live. Are you living with fear or are you living with faith? This book will help you overcome the fear of death and inspire you to celebrate every moment of life!
