The Deal Elle Kennedy, 2017-07-31 The Deal: An Off-Campus Novel

Bad Apple Elle Kennedy, 2019-08-13 A flirty standalone novel* from New York Times and international bestselling author Elle Kennedy! One night with him will change her life... Between her waitressing job, volunteer work, and college classes, there are never enough hours in Maggie Reilly's day. Especially not for a relationship. Luckily, she's got the perfect arrangement: a lover she meets three or four times a year. But when she shows up at the hotel expecting to hop into bed with one man, she accidentally ends up with another—Ben Barrett, Hollywood's most notorious bad boy. Ben, determined to lay low after another scandal, just wants some much-needed sleep. What he gets is a scorching make-out session with a gorgeous, naked redhead. He won't accept her apology, but what he will accept is a place to hide out...and if there's some hot, no-strings sex involved, why the heck not? But Ben soon discovers that one week with his sassy, bed-hopping waitress is definitely not enough. He wants more. A lot more. Now he needs to convince relationship-averse Maggie that a bad boy might be oh so good for her—and the best thing that's ever happened to both of them. *Previously published in 2008, Bad Apple (formerly Midnight Encounters) features almost entirely new content, including a point-of-view switch. Enjoy this new version of an old favorite!

Her latest mission is personal—and it's gone horribly wrong. Juliet may prefer to work alone, but when the rookie comes to her aid in snowy Eastern Europe, she can't deny they make a good team. Misfit Elle Kennedy, 2022-11-10 Welcome to Sandover Prep, where the delinquents roam...and you can't trust a soul. Finding out your mom is marrying some rich dude you've never met is enough to make any eighteen-year-old guy's head spin. But for RJ SHAW, it only gets worse: he's being sent to Sandover Prep for senior year. If there's one place a misfit hacker like RJ doesn't belong, it's an ivy-covered all-boys boarding school for rich delinquents. RJ knows his stay at Sandover will be temporary. Which means there's no point making friends or trying to fit in. But the plan to remain antisocial goes awry when he meets a gorgeous girl in the woods on campus. SLOANE TRESSCOTT is pure temptation, with a sharp tongue and an ice princess attitude RJ's determined to crack. Except there's a catch. Sloane is the one girl he is forbidden from touching. The headmaster's daughter. Good thing RJ doesn't believe in rules. Sure, Sloane insists she's swearing off guys this year, but their connection is impossible to deny. He wants her bad, and he's going to win her over if it kills him. Unless her ex-boyfriend kills him first. The ruling king of Sandover will stop at nothing to get rid of his competition. Luckily, RJ's unwittingly made some friends—his new stepbrother FENN, a pretty boy with a self-destructive streak; LAWSON, self-proclaimed agent of chaos; and SILAS, the All-American Good Guy who can't actually be as nice as he seems. If RJ wants to survive prep school and win Sloane's heart, he'll need to adapt—and fast.

Phil's Favorite 500 Phil Berardelli, 2015-08-10 Phil Berardelli has been in love with movies ever since his first encounter as a little boy thrilled him and then scared the daylights out of him. In the intervening years, including a six-year stint as a TV movie critic, Phil has seen at least 5,000 titles. Here he has put together a list of his 500+ favorites, which he has separated into 50 categories. He has accompanied each one with informative, witty, and often insightful capsule comments along with bits of trivia, formatting descriptions and, where available, links to online trailers, clips and full-length versions. Newly updated for 2014 and containing 24 new titles -- plus a new section of recommended books -- Phil's Favorite 500

encompasses everything Phil has learned in over half a century of moviegoing. The list includes something for everyone -- adults, couples, children, teens and families -- and covers some of the greatest movies ever made, both in the U.S. and elsewhere, as well as some of the cinema's most entertaining clunkers. Many of his choices -- and omissions -- may surprise you. But in all cases, Phil makes compelling arguments for sampling these titles. If you do sample them, you might just find yourself adding many of them to your own list of favorites. Sampled, browsed, or read from beginning to end, Phil's Favorite 500 reflects a love of the medium that is contagious, and his descriptions will help you view even the most familiar movies in a new and very entertaining way.

A New Republic of Letters Jerome McGann, 2014-03-17 Jerome McGann's manifesto argues that the history of texts and how they are preserved and accessed for interpretation are the overriding subjects of humanist study in the digital age. Theory and philosophy no longer suffice as an intellectual framework. But philology—out of fashion for decades—models these concerns with surprising fidelity.

Morgan le Fay, Shapeshifter Jill M. Hebert, 2013-03-12 This study re-examines Morgan le Fay in early medieval and contemporary Arthurian sources, arguing that she embodies the concerns of each era even as she defies social and gender expectations. Hebert uses leFay as a lens to explore traditional ideas of femininity, monstrosity, resistance, identity, and social expectations for women and men alike.

The Famous Feud Project Casian Anton, 2024-01-12 In the history of human nature there are conflicts with a happy ending, or with a tragic ending. The Famous Feud, in general, seems to have a happy ending with one winner: Taylor Swift. From my point of view, the Famous Feud ended in July 2016. In June 2017 I was convinced that Taylor Swift was the victim

(for the second time) of Kanye West. In October 2023, after I have updated the entire research on the Famous Feud, the original conclusion did not change. I created this edition to include everything I wrote about the Famous Feud. It is an edition for people interested in reading the entire Famous Feud story from A to Z. The Famous Feud Project report has two parts: Part 1. Music in Black and White: A Journey Behind the Musical Notes; Part 2. On the Famous Feud. Enjoy your reading!

Media & Entertainment Law 2/e Ursula Smartt,2014-03-21 Media and Entertainment Law presents a contemporary analysis of the law relating to the media and entertainment industry both in terms of its practical application and its theoretical framework. It provides a clear, current and comprehensive account of this exciting subject. Fully updated and revised, this second edition is one of the first texts to contain a full analysis of the Leveson Inquiry and the implications for our press and media that are arising from it. The new edition contains; a new chapter analysing the Defamation Act 2013; the Digital Economy Act 2010 which aimed to toughen up against copyright infringement online and has been subject to parliamentary review since coming into power; and the liability of internet service providers, including recent cases such as Tamiz vs Google 2012, which goes some way to define the extent to which an ISP may or may not be found liable for their bloggers content. With integrated coverage of Scots and Northern Irish law, Media and Entertainment Law also highlights comparisons with similar overseas jurisdictions, such as with the liability of ISPs where there are differences in both US and European law, in order to help students demonstrate an awareness of media laws, which may then influence UK legislation. Looking at key aspects such as TV and radio broadcasting, the print press, the music industry, online news and entertainment and social networking sites, this text provides detailed coverage of the key principles, cases and legislation as well as a critical analysis of regulatory bodies such as OFCOM and the new regulator for the UK's newspapers and magazines (and online editions), the Independent Press Standards Organisation (Ipso). The text also provides the most comprehensive and up to date coverage of the law relating to Intellectual Property law for the entertainment industry with recent changes in EU law relating to performers' rights.
