

Características De México Contemporáneo

Claudio Stern

Corrupción y política en el México contemporáneo Stephen D. Morris, 1992 Extorsión policiaca, peculado con el dinero público, nepotismo, lucro con información oficial, compra de jueces, son algunos de los elementos que sirvieron para realizar una encuesta pública que, junto a muy rica información periodística, es la base de este libro serio que examina el fenómeno de la corrupción desde un punto de vista social sin ánimo de revelar escándalos. Se ocupa de las causas, efectos y la dinámica de la corrupción política en México. Un análisis sistemático de la corrupción es crucial para lograr una mejor comprensión de la política de México, y pese a la pobreza de los análisis previos y a los muchos obstáculos conceptuales y metodológicos, la importancia del tema requiere atención por parte de los especialistas.

Lenguas y literaturas indígenas en el México contemporáneo Pilar Mayne, 2003

Historia de México contemporáneo Miguel Ángel Gallo T., Humberto Ruiz Ocampo, Matías Franco Torres, 1997

Economía política del México contemporáneo Eugenia Correa, 2006

El Estado de derecho en el México contemporáneo José Ramón Cossío Díaz, Vicente Ugalde, 2023-03-22 La multiplicación de referencias al Estado de derecho que se observa en los últimos años en México puede ser una expresión de su vitalidad, pero también de la decepción creciente respecto a su vigencia e, incluso, de su descomposición. A partir de investigaciones desarrolladas desde diferentes enfoques y en varias esferas, este volumen analiza algunos procesos institucionales y sociales que permiten entender el Estado de derecho en México. La militarización de tareas gubernamentales, la generalización de actividades ilegales como el despojo, la inobservancia de las reglas urbanísticas, el reformismo irreflexivo de la Constitución y otros muchos rasgos del orden jurídico mexicano y de sus operadores son examinados por los autores como procesos en los que se expresa un deterioro de las condiciones para hacer posible el Estado de derecho.

Historia general de México: El México contemporáneo, 1976

Historia de México contemporáneo Rosendo Bolívar Meza, 1997

México contemporáneo 1921 Auguste Génin, 1922

El mundo hispanohablante contemporáneo Clara Mojica-Díaz, Lourdes Sánchez-López, 2015-10-05 El mundo hispanohablante contemporáneo: historia, política, sociedades y culturas is a comprehensive and innovative book for advanced students of Spanish. Offering a constructivist approach to the study of the civilizations, cultures and histories of the

contemporary Spanish-speaking world, the book focuses on learning as an active process that enables learners to develop high-level critical thinking skills through the exposure, research, examination and discussion of a variety of authentic films, songs and literary texts. Divided into twelve chapters, each chapter begins with an introduction to the general topic followed by various activities that lead students to critically analyse a range of authentic materials. Learners are able to practice higher level critical-thinking and linguistic skills through a wealth of tasks and exercises which culminate in a capstone section that requires the application of the concepts learned and sources utilized throughout the lesson. *El mundo hispanohablante contemporáneo: historia, política, sociedades y culturas* offers great flexibility and adaptability to suit advanced courses in Hispanic culture and civilization. Each chapter is methodologically designed with a balanced mix of activities for individual and teamwork. Additional resources are available online for both instructors and students. These include an instructor's guide with answer key, a grammar supplement and links to the authentic materials referenced within the book.

Sociedad y política en el México contemporáneo Moisés González Navarro, 1976

La incansable tarea de mirar lejos Carlos Martínez Assad, 2025-04-03 El nombre de Ricardo Pérez Montfort está asociado con lo mejor de la producción en ciencias sociales y humanidades, porque a lo largo de varios años ha dado a conocer libros y artículos sobre una diversidad de temas que enriquecen el conocimiento de la historia, la sociedad y sus productos culturales. Sus textos se han convertido no solamente en obras obligadas de consulta para los académicos, sino que también han atraído a muy diferentes públicos, por su amable y diestra capacidad narrativa. De sus esfuerzos proceden trabajos sobre la Revolución mexicana, el nacionalismo, el racismo, los inmigrantes, el cine y la música, siendo ésta última una de sus pasiones declaradas. No sabemos si fue primero la interpretación de algún instrumento o el análisis de lo observado en aquellas regiones que más le han atraído, lo que sí sabemos, es que no hay resquicio alguno sin que se encuentren claramente sus huellas, como podrán comprobarlo los lectores que sigan este repaso de su muy extensa obra, cuyo fin es destacar sus aspectos más relevantes. Participamos en este libro colegas que hemos seguido su trayectoria, que recibimos sus saberes en la cátedra, en seminarios, congresos, foros, documentales, textos, y que pretendemos dar cuenta de sus numerosos intereses y de su avidez por el conocimiento. Ricardo Pérez Montfort es, sin ninguna duda, merecedor de este homenaje por parte de quienes además hemos tenido la suerte de contar con su amistad.

Las derechas en el México contemporáneo Marco Aurelio Pérez, Mario Virgilio Santiago, Ana Patricia Silva, 2020-12-28

Este libro trata diferentes momentos de la confrontación entre las derechas y el Estado a lo largo del siglo XX a través de tres instituciones que tuvieron un papel trascendente, aunque poco estudiado, en la historia de México: los Caballeros de Colón, la Unión Nacional de Padres de Familia y el Movimiento Universitario de Renovadora Orientación, muro. Dividido en cuatro capítulos, inicia con una introducción que presenta un panorama de la relación entre las derechas vinculadas con el clero y el

Estado entre 1917 y 1968, y da cuenta del anticomunismo mexicano durante este periodo. Las tres organizaciones de derechas urbanas de clase media y alta vinculadas con la Iglesia católica abordadas, expresaron oposición al Estado laico, a su control sobre los contenidos educativos, insistieron en no incluir temas religiosos en la enseñanza y, en una palabra, se opusieron a la secularización de la sociedad. Al mismo tiempo, rechazaron el comunismo que, desde su perspectiva, había contagiado al Estado posrevolucionario. La relación de los Caballeros de Colón, la Unión Nacional de Padres de Familia y el muro con la Iglesia católica muestra la importancia que esta institución ha tenido en la lucha contra el laicismo y el comunismo en México; de suerte que se aprecia la consolidación del Estado en el siglo XX desde un ángulo distinto. El devenir histórico de la pugna entre un proyecto laico de sociedad y uno religioso, a lo largo de casi 50 años, también perfila a una Iglesia heterogénea, dinámica, en la que se hallan diferentes matices y posturas, en ocasiones encontradas.

El "problema" del embarazo en la adolescencia. Contribuciones a un debate Claudio Stern, 2012 El embarazo en la adolescencia es considerado como un riesgo para la salud materna e infantil, así como un factor que contribuye al desmesurado crecimiento de la población, a la deserción escolar, y a la perpetuación de la pobreza, al coartar las posibilidades de desarrollo familiar. Sus causas se atribuyen principalmente a la sexualidad precoz y a la falta de información y de acceso a los métodos anticonceptivos. Esta publicación pone en cuestión los supuestos antes mencionados, destacando dos factores realmente subyacentes a esta problemática: la pobreza y la desigualdad, que dejan pocas oportunidades alternativas de desarrollo a una gran cantidad de nuestros jóvenes, y la falta de una verdadera educación para el ejercicio de la sexualidad que les permita enfrentarse con responsabilidad a este aspecto tan central para su vida.

La cultura indígena en la fotografía mexicana de los 90s Laura M. CORKOVIC, 2012-08-01 Desde sus inicios la fotografía en México ha sido un género artístico dominado por no indígenas y la cultura indígena una constante temática dentro de la misma. No fue hasta los 1990s cuando surgieron los primeros grupos de fotógrafos indígenas profesionales que además de tener gran éxito en México, lograron atención y reconocimiento a nivel internacional. Con sus trabajos enriquecen la visión de los fotógrafos no indígenas conocida hasta entonces y dan nuevo rumbo a la presencia del mundo indígena en la fotografía mexicana. En esta tesis doctoral decidí poner en directa comparación ambos grupos de artistas para así subrayar las similitudes y disparidades en sus trabajos. Para este propósito seleccioné un grupo lo suficientemente representativo dentro de la abundante producción fotográfica no indígena y, en el caso de los indígenas, escogí a los fotógrafos más conocidos del país. Como parte esencial del proceso de investigación, conduje más de cincuenta entrevistas tanto a fotógrafos indígenas como no indígenas, y así también a diversos personajes del medio cultural mexicano. En ello descubrí cuáles son los grupos étnicos más fotografiados a finales del siglo XX y llegué a algunas observaciones respecto al futuro de la fotografía indígena en México.

Managing Mexico Sarah Babb, 2004-02-15 Just one generation ago, lawyers dominated Mexico's political elite, and

Mexican economists were a relatively powerless group of mostly leftist nationalists. Today, in contrast, the country is famous, or perhaps infamous, for being run by American-trained neoclassical economists. In 1993, the Economist suggested that Mexico had the most economically literate government in the world--a trend that has continued since Mexico's transition to multi-party democracy. To the accompanying fanfare of U.S. politicians and foreign investors, these technocrats embarked on the ambitious program of privatization, deregulation, budget-cutting, and opening to free trade--all in keeping with the prescriptions of mainstream American economics. This book chronicles the evolution of economic expertise in Mexico over the course of the twentieth century, showing how internationally credentialed experts came to set the agenda for the Mexican economics profession and to dominate Mexican economic policymaking. It also reveals how the familiar language of Mexico's new experts overlays a professional structure that is still alien to most American economists. Sarah Babb mines diverse sources--including Mexican undergraduate theses, historical documents, and personal interviews--to address issues relevant not only to Latin American studies, but also to the sociology of professions, political sociology, economic sociology, and neoinstitutionalist sociology. She demonstrates with skill how peculiarly national circumstances shape what economic experts think and do. At the same time, Babb shows how globalization can erode national systems of economic expertise in developing countries, creating a new class of "global experts."

Guia De Carreras Unam 2007-2008. Universidad Nacional Autónoma de México. Dirección General de Orientación y Servicios Educativos,2006

México en sus libros Enrique Florescano,2012-05-05 Éste es el primer libro que reúne las obras indispensables para conocer la historia de México desde sus orígenes hasta el presente. Ante la necesidad de obras que ordenen la prodigiosa multiplicación de libros y conocimientos acerca de los aspectos físicos, geográficos, históricos y actuales del país, Enrique Florescano y Pablo Mijangos se dieron a la tarea de preparar una guía de lecturas que servirá a quienes desean formarse una imagen precisa de las múltiples vetas que componen el mapa histórico y cultural de México. La cuidadosa selección de obras que forman esta guía de lecturas, va acompañada por comentarios que describen el contenido y las características de cada libro.

Población, ciudad y medio ambiente en el México contemporáneo José Luis Lezama,José B. Morelos,2006 Esta obra presenta los resultados de un conjunto de investigaciones sobre diversos aspectos de la problemática demográfica, urbana y ambiental del México actual. Lo que aquí se presenta constituye una muestra de lo que actualmente se investiga en México y, particularmente, en el Centro de Estudios Demográficos, Urbanos y Ambientales de El Colegio de México. Los trabajos analizan tanto aspectos básicos, técnicos y teóricos de la investigación en las tres disciplinas de referencia, como asuntos relevantes de la toma de decisiones y la política pública. Algunos de los temas más esenciales de la evolución de los problemas poblacionales, urbanos y ambientales de los últimos años que definen el perfil del México contemporáneo, están

contenidos de manera resumida en los diversos trabajos.

México contemporáneo en las novelas de Agustín Yáñez John J. Flasher, 1969
