

De Donde Proviene Los Gitanos

Luis P. de Ramón

Los Gitanos en la Sociedad Española Cáritas Española, 1980

Tarot Gitano Esotérico Nikolay Dzisiak, 2013-06-10 La vida de cada persona y su felicidad dependen de la comprensión de la Ley cósmica del Karma, también llamada Ley de Causa y Efecto: Lo que siembras, cosechas. Con el Efecto, generalmente es más fácil: usted lo reconoce cuando golpea, a veces muy duro. Descubrir a tiempo las Causas negativas para evitar los malos Efectos (desgracias) y aprovechar los buenos, le ayudará este Tarot Gitano Esotérico. Le permitirá prever lo que le depara la vida, encontrar soluciones para las cuestiones y problemas que le preocupan y agobian y evitar muchas desgracias, antes de que el golpe del Destino lo alcance.

Nombrar y circular, Gitanos entre Europa y las Américas Alvarado Solís Neyra, 2022-07-27 La población gitana es conocida en México con el término gitanos. Este último nombre genérico no es traducible por los de tsiganes, rom, tzingari u otro, ya que cada uno de ellos responde a las historias específicas de cada país. Estos términos son exónimos, pero algunos pueden ser también endónimos y solamente la etnografía puede dar cuenta de la situación de su uso. El presente texto aborda esta complejidad, en diferentes casos y contextos geográficos, en ambos continentes y como resultado del coloquio internacional Gitanos entre Europa y las Américas. Creatividad e innovación en los procesos de inmersión, dispersión e ilegitimidad, llevado a cabo en El Colegio de San Luis en enero de 2018, en donde participaron estudiantes de posgrado, investigadores en antropología, historia y literatura, algunos como miembros de las comunidades rom y ludar en México y Argentina.

LOS GITANOS EN CATALUÑA EN EL SIGLO XVIII Bernard Leblon,

El pueblo gitano contra el Sistema-Mundo Pastora Filigrana, 2020-06-22 El varón blanco, occidental y heterosexual se sitúa en la cúspide de la escala de lo humano; todo lo demás es la otredad. Pastora Filigrana propone una mirada a las estrategias de resistencia al capitalismo, el patriarcado y el colonialismo históricas y actuales del pueblo gitano, la otredad por excelencia en Europa. En estas formas de vida encontramos prácticas propias de autogestión de conflictos, resistencias al modelo de producción y consumo neoliberal, o avanzadas formas de mutualismo de base. Todo ello ha sido y es objeto de castigo, criminalización e invisibilización por parte del discurso dominante, por lo que urge poner en valor estas formas de vida y combatir la estigmatización social. «En este libro hablo de sindicalismo social, de eco-feminismo, de mutualismo de

base, de autogestión del conflicto y vías de fuga al chantaje renta-trabajo. Lo hago porque salirme del paradigma académico de la izquierda blanca me mata de miedo. Lo hago porque quiero vuestra solemnidad, la de los payos. Para convenceros en vuestro lenguaje, que es el 50 por 100 del mío. Deberíais ser vosotros quienes buscaran en las formas de cooperación y resistencia al modelo de producción y consumo propias de los gitanos la inspiración para salir de este sistema-mundo que se sustenta sobre la muerte de dos tercios de la humanidad. Pero no haréis esas tesis doctorales en la carrera de Ciencias políticas. O al menos no todavía.»

Gitanos en la Universidad: Un estudio de caso de trayectorias de éxito en la Universidad de Sevilla Padilla Carmona, Teresa, González-Monteagudo, José, Soria-Vílchez, Alejandro,

Historia crítica de la lexicografía gitano-española Ivo Buzek, 2016-01-01 Kniha se věnuje kritickým dějinám slovníků španělské varianty romštiny, tzv. caló. Nejprve pojednává o teoretické lexikografii a aplikaci jejích pravidel, především z oblasti metodologie kritiky slovníků, na korpus slovníků caló. Hlavní část práce se pak věnuje kritické historii slovníků této smíšené varianty španělské romštiny, a to od prvních rukopisných dokumentů z 16. a 18. století, přes slovníky lexikografů-amatérů z 19. století až po ty z 20. století. Závěrečné kapitoly jsou věnovány heslářům a slovníčkům caló přítomných v publikacích o flamenku a o španělských Romech.

Atlas histórico de la Edad Media Ana Echevarría Arsuaga, José Manuel Rodríguez García, 2013-08-06 Esta nueva edición, corregida y revisada es una herramienta de trabajo y de conocimiento para estudiantes de Historia y para el público en general interesado en este periodo. Por ello, se ha intentado dar prioridad a los temas de historia social, económica y de las mentalidades -sin dejar de lado el marco geopolítico-, relacionándolos con personajes y hechos más o menos conocidos para el lector a través de la literatura y los medios de comunicación actuales. El marco cronológico que abarca este atlas comprende aproximadamente desde el año 400 de nuestra era hasta 1492. El atlas se estructura en tres partes, que corresponden a tres épocas: Alta, Plena y Baja Edad Media, además de un capítulo inicial dedicado a las formas de representar el tiempo y el espacio en la Edad Media, tan distintas a las actuales. Al final de cada parte se ha introducido un capítulo dedicado a la Península Ibérica, aunque se ha procurado hacer también especial mención a ella en los temas generales. Al final del libro se ofrece un glosario de términos y un apéndice sobre el Cine dedicado a la época medieval, que consideramos útil para ver de forma gráfica lo explicado en el libro, y la interpretación que han ido teniendo los distintos temas en la mentalidad colectiva del último siglo.

Drácula Bram Stoker,2022-12-19 Drácula (Vlad Draculea), protagonista de la novela homónima del irlandés Bram Stoker, de 1897, que dio lugar a una larga lista de versiones de cine, cómics y teatro. Drácula es el más famoso de los «vampiros humanos». Se dice que Stoker fue asesorado por un erudito sobre temas orientales, el húngaro Hermann (Arminius) Vambéry, que se reunió algunas veces con el escritor para comentarle las peripecias del verdadero Drácula. Drácula es una novela gótica de Bram Stoker, publicada en 1897. Stoker cuenta la historia de la lucha contra el vampiro Drácula en formato epistolar. La narración consta de varias cartas, telegramas, anotaciones de diario y artículos periodísticos escritos por los personajes principales. Drácula explora el tema clásico del bien contra el mal, pero la novela también destaca la relación entre la religión y la razón, Oriente y Occidente, el mundo moderno frente al mundo antiguo, y cómo las costumbres represivas de la era victoriana se enfrentaron a visiones más libres de las mujeres. . La novela influyó profundamente en los géneros gótico, de terror y romántico, y el personaje del Conde Drácula se convirtió en una de las figuras más influyentes y reconocibles de la literatura, el cine, la televisión e incluso los videojuegos.

Dracula Abraham Stoker,2016-01-31 Drácula (1897) es la historia del famoso conde vampiro de Transilvania, uno de los personajes más famosos del ideario decadente de finales del XIX, protagonista ya de varias leyendas previas. El irlandés Abraham Stoker consigue, en un relato construido a base de diarios y cartas, una asombrosa unidad y un personaje con un poder infinito de seducción, que diluye las fronteras entre la vida y la muerte. Paradimage incorpora este título a su colección Clásica, en una renovada y cuidada edición digital. Esperamos que la disfrute.
