Sweetgrass Memories Jan Morgan, 2018-05-25 There may still be time for a despondent, mysterious old house with tiny pineapples carved on its eaves to fulfill the dream of one of its owners over seventy years ago. But in order for that to happen, two retired ladies, one black and one white, must unravel the mystery that surrounds both the house and the children who have come to believe it belongs to them. It's these children, living in the apartment complex across from Blessing Path, that most need the puzzle solved because the For Sale sign just placed amid the weeds in the front yard seems ominous to them. The clues include old newspaper clippings, a policeman's chance meeting with a soft-spoken genteel visitor, love letters during World War II, and a mason jar, recently excavated from the backyard that is filled with exquisite patterned shells of the sea, long protected by its rusty cap. Together, these pieces of information draw the ladies from the heart of Texas to the sparkling South Carolina coast and deep into the culture of Charleston and its Gullah heritage. Sweet Grass Memories was built on Texas soil, but if you cross her threshold and wait quietly for a few moments, you might just catch a whiff of pluff mud and taste the saltiness of sea air.

Starry-Eyed Mandy Arioto, 2016-08-30 Being a mom is all of it: light and dark, highs and lows, fever pitch frustration and all-consuming love. By now, you already know that with great love comes great joy . . . and great pain. It can be crazy-making! But it doesn't have to be. In Starry-Eyed, MOPS CEO Mandy Arioto reveals how the brightest and darkest moments of motherhood alike can become a sacred--and sanity-saving--opportunity to encounter God. There is a way to flourish in the midst of it all, and it starts with embracing the light and darkness in life with expectation and awe. Heartening, enchanting, and always unflinchingly honest, Starry-Eyed will show you how to find the unexpected grace in your life as a woman, wife, mother, daughter, sister, and friend. Consider this your heart-to-heart sit-down with a woman who's been there, and can help

you find fresh eyes to see how beauty and pain can mingle with purpose.

Mark Twain's Literary Resources Alan Gribben, 2024-10-15 Dr. Alan Gribben, a foremost Twain scholar, made waves in 1980 with the publication of *Mark Twain's Library*, a study that exposed for the first time the breadth of Twain's reading and influences. Prior to Gribben's work, much of Twain's reading history was assumed lost, but through dogged searching Gribben was able to source much of Twain's library. *Mark Twain's Literary Resources* is a much-expanded examination of Twain's library and readings. Volume I included Gribben's reflections on the work involved in cataloging Twain's reading and analysis of Twain's influences and opinions. This volume, long awaited, is an in-depth and comprehensive accounting of Twain's literary history. Each work read or owned by Twain is listed, along with information pertaining to editions, locations, and more. Gribben also includes scholarly annotations that explain the significance of many works, making this volume of *Mark Twain's Literary Resources* one of the most important additions to our understanding of America's greatest author.

U.S. History As Women's History Linda K. Kerber, Alice Kessler-Harris, Kathryn Kish Sklar, 2000-11-09 This outstanding collection of fifteen original essays represents innovative work by some of the most influential scholars in the field of women's history. Covering a broad sweep of history from colonial to contemporary times and ranging over the fields of legal, social, political, and cultural history, this book, according to its editors, 'intrudes into regions of the American historical narrative from which women have been excluded or in which gender relations were not thought to play a part.' The book is dedicated to pioneering women's historian Gerda Lerner, whose work inspired so many of the contributors, and it includes a bibliography of her works. The contributors include: Linda K. Kerber on women and the obligations of citizenship Kathryn Kish Sklar on two political cultures in the Progressive Era Linda Gordon on women, maternalism, and welfare in the twentieth century Alice Kessler-Harris on the Social Security Amendments of 1939 Nancy F. Cott on marriage and the public order in the late nineteenth century Nell Irvin Painter on 'soul murder' as a legacy of slavery Judith Walzer Leavitt on Typhoid Mary and early twentieth-century public health Estelle B. Freedman on women's institutions and the career of Miriam Van Waters William H. Chafe on how the personal translates into the political in the careers of Eleanor Roosevelt and Allard Lowenstein Jane Sherron De Hart on women, politics, and power in the contemporary United States Barbara Sicherman on reading Little Women Joyce Antler on the Emma Lazarus Federation's efforts to promulgate women's history Amy Swerdlow on Left-feminist peace politics in the cold war Ruth Rosen on the origins of contemporary American feminism among daughters of the fifties Darlene Clark Hine on the making of Black Women in America: An Historical Encyclopedia

Reforming America Jeffrey A. Johnson, 2017-03-20 Presenting a detailed look at the individuals, themes, and moments that shaped this important Progressive Era in American history, this valuable reference spans 25 years of reform and provides multidisciplinary insights into the period. During the Progressive Era, influential thinkers and activists made efforts to improve U.S. society through reforms, both legislative and social, on issues of the day such as working conditions of laborers, business monopolies, political corruption, and vast concentrations of wealth in the hands of a few. Many Progressives hoped for and tirelessly worked toward a day when all Americans could take full advantage of the economic and social opportunities promised by U.S. society. This two-volume work traces the issues, events, and individuals of the Progressive Era from approximately 1893 to 1920. The entries and primary sources in this set are grouped thematically and cover a broad range of topics regarding reform and innovation across the period, with special attention paid to important topics of race, class, and gender reform and reformers. The volumes are helpfully organized under five categories: work and economic life; social and political life; cultural and religious life; science, literature, and the arts; and sports and popular culture.

From 19th Century Femininity in Literature to 20th Century Feminism on Film: Discourse Translation and Adaptation Oana-Celia Gheorghiu, 2015-07-28 Aiming at both identifying the representation of femininity as a social construct and analysing the way in which it can be translated into film adaptations of novels, this work focuses on the interpretations of a famous and, at the same time, problematic literary work, namely the 1994 film *Little Women* (dir. Gillian Armstrong), reworking the classic nineteenth-century American best-seller "Little Women" by Louisa May Alcott. In

particular, drawing on the critical apparatus of feminism(s), the paper lays emphasis on the way in which the metafictional texture of the novel captures instances of reality into fiction, glimpses of autobiography and, of course, femininity at the level of the filmic text. Such aspects are then considered from the perspective of adaptation and translation theories: contrasting the literary translation with the audio-visual one, the undertaking means to highlight the losses in the latter mode of expression and the extent to which the defining elements aforementioned are preserved in the Romanian language.

Love's Whipping Boy Elizabeth Barnes, 2011-03-14 Working to reconcile the Christian dictum to love one's neighbor as oneself with evidence of U.S. sociopolitical aggression, including slavery, corporal punishment of children, and Indian removal, Elizabeth Barnes focuses her attention on aggressors--rather than the weak or abused--to suggest ways of understanding paradoxical relationships between empathy, violence, and religion that took hold so strongly in nineteenth-century American culture. Looking at works by Herman Melville, Frederick Douglass, Nathaniel Hawthorne, and Louisa May Alcott, among others, Barnes shows how violence and sensibility work together to produce a more sensitive citizenry. Aggression becomes a site of redemptive possibility because salvation is gained when the powerful protagonist identifies with the person he harms. Barnes argues that this identification and emotional transformation come at a high price, however, as the reparative ends are bought with another's blood. Critics of nineteenth-century literature have tended to think about sentimentality and violence as opposing strategies in the work of nation-building and in the formation of U.S. national identity. Yet to understand how violence gets folded into sentimentality's egalitarian goals is to recognize, importantly, the deep entrenchment of aggression in the empathetic structures of liberal, Christian culture in the United States.

"Big Girls Don't Cry, But We Do." Felicia LaGrant, 2012-11-09 "Big Girls Don't Cry, But We Do" is a book that will teach women and girls alike all over the world to encourage themselves in tough times. Women should not see crying as a negative or shameful thing, but to learn from the lessons that each tear has taught them. God has given women tears as a way to express her joy, sorrow, pain, disappointment, love, loneliness, grief and even pride which often comes before a fall. According to Psalm 30:5, "Weeping may endure for a night, but joy will come in the morning". God tells us that our sorrow will come, but it will not remain with us for long. There are many characters in the bible like Ruth and Ester who had to suffer, but great were their rewards in the end. Ruth was poor and left her country to follow her mother-in-law, however, she was faithful and God blessed her with a Spiritual and not to mention, rich husband who was a good provider. Likewise, Ester, a Jewish mother-less girl, was obedient to God and became a highly respected queen. I am sure that these women shared

some tears of sorrow for a season; in the end they shared tears of joy. I want to encourage you, not to give up on your dreams or your goals because if you have faith the sides of a mustard seed, you will become winners in the end!
