Slow Travels-Alabama Lyn Wilkerson, 2010-01-10 This edition in the Slow Travels series explores the State of Alabama. U.S. 11 follows a diagonal from the northeastern corner of the state, traveling along the valleys of the southern Appalachians to Birmingham. Beyond Birmingham, the highway runs through open rolling hills to Tuscaloosa and the Mississippi Line. U.S. 31 bisects the state, starting in the plateau west of Huntsville and traveling south to Montgomery. From the state capital, the highway turns southwest to the panhandle and Mobile Bay. U.S. 72 crosses northern Alabama, following the route of the Tennessee River through Huntsville and Florence. U.S. 78 cuts across the state, passing through the mountains around Talladega, past Birmingham and into the lesser populated territory to the west. Finally, U.S. 80 explores the deep history of central Alabama, starting west of Columbus, Georgia, and passing through the state capitol and along the Selma to Montgomery National Historic Trail to Demopolis and Mississippi.

If Not Me, Who? Wendell H. Baker, 2014 *If Not Me, Who?* What One Man Accomplished in His Battle for Equality covers the life of civil rights activist and civic leader Wendell H. Baker Sr. from his birth to eighty plus years of age. Both Baker's life and his book were singularly critical achievements. This newly edited edition of Baker's *If Not Me, Who?* includes materials from two other authors--retired Texas Southern University scholar Naomi W. Lede, whose work originally was also published in Baker's original book, and political leader and consultant James A. Baker, who learned from Wendell Baker and his brother that they were distant cousins.
