

# Text Bach Christmas Oratorio

## Philipp Spitta

*Johann Sebastian Bach's Christmas Oratorio* Markus Rathey, 2016-08-04 In the last decades of the 17th century, the feast of Christmas in Lutheran Germany underwent a major transformation when theologians and local governments waged an early modern war on Christmas, discouraging riotous pageants and carnivalesque rituals in favor of more personal and internalized expressions of piety. Christmas rituals, such as the Heilig Christ plays and the rocking of the child (Kindelwiegen) were abolished, and Christian devotion focused increasingly on the metaphor of a birth of Christ in the human heart. John Sebastian Bach's Christmas Oratorio, composed in 1734, both reflects this new piety and conveys the composer's experience living through this tumult during his own childhood and early career. Markus Rathey's book is the first thorough study of this popular masterpiece in English. While giving a comprehensive overview of the Christmas Oratorio as a whole, the book focuses on two themes in particular: the cultural and theological understanding of Christmas in Bach's time and the compositional process that led Bach from the earliest concepts to the completed piece. The cultural and religious context of the oratorio provides the backdrop for Rathey's detailed analysis of the composition, in which he explores Bach's compositional practices, for example, his reuse and parodies of movements that had originally been composed for secular cantatas. The book analyzes Bach's original score and sheds new light on the way Bach wrote the piece, how he shaped musical themes, and how he revised his initial ideas into the final composition.

*Bach in the World* Markus Rathey, 2022 Bach in the World offers a new exploration of Bach's music as it functioned within rituals and as a place where socio-political norms were perpetuated and sometimes even challenged.

**Bach Perspectives, Volume 12** Robin A. Leaver, 2018-10-24 Johann Sebastian Bach was a Lutheran and much of his music was for Lutheran liturgical worship. As these insightful essays in the twelfth volume of Bach Perspectives demonstrate, he was also influenced by--and in turn influenced--different expressions of religious belief. The vocal music, especially the Christmas Oratorio, owes much to medieval Catholic mysticism, and the evolution of the B minor Mass has strong Catholic connections. In Leipzig, Catholic and Lutheran congregations sang many of the same vernacular hymns. Internal squabbles were rarely missing within Lutheranism, for example Pietists' dislike of concerted church music, especially if it employed specific dance forms. Also investigated here are broader issues such as the close affinity between Bach's cantata libretti and the hymns of Charles Wesley; and Bach's music in the context of the Jewish Enlightenment as shaped by Protestant

Rationalism in Berlin. Contributors: Rebecca Cypess, Joyce L. Irwin, Robin A. Leaver, Mark Noll, Markus Rathey, Derek Stauff, and Janice B. Stockigt.

**Johann Sebastian Bach, Christmas Oratorio (BWV 248)** Ignace Bossuyt, 2004 This book is intended to provide the inquisitive listener with a guide to exploring the many layers of meaning found in Bach's Christmas Oratorio. The first section offers a general sketch of the specific context in which this composition was created at the end of 1734, shedding light on the work's liturgical function and taking a closer look at the biblical and broader religious themes. This first section will also focus on the contemporary textual and musical components of the oratorio genre, of which Bach's composition is a prime example. The second section is a detailed discussion of the 64 movements making up the work, with a focus on three aspects: the text, the music and the relation between the two. The nature of the musical setting and its structure depends on the nature of the text, be it prose (the Bible story) or poetry (the chorales and the inserted commentary), narrative or dramatic (indirect or direct speech). Moreover, the music was governed by the particular musical canons of the day, which largely determined and regulated the structure of each section and the coherence between successive sections or those at a greater remove from one another. In order to get to the essence of Bach's oeuvre, the reader-listener must be prepared to become immersed in the literary and musical idiom, the specific terminology and grammar of the day.

**Listening to Bach** Daniel R. Melamed, 2018-04-02 Of all the things we can know about J. S. Bach's Mass in B Minor and Christmas Oratorio, the most profound come from things we can hear. Listening to Bach explores musical style as it was understood in the early eighteenth century. It encourages ways of listening that take eighteenth-century musical sensibilities into account and that recognize our place as inheritors of a long tradition of performance and interpretation. Daniel R. Melamed shows how to recognize old and new styles in sacred music of Bach's time, and how movements in these styles are constructed. This opens the possibility of listening to the Mass in B Minor as Bach's demonstration of the possibilities of contrasting, combining, and reconciling old and new styles. It also shows how to listen for elements that would have been heard as most significant in the early eighteenth century, including markers of sleep arias, love duets, secular choral arias, and other movement types. This offers a musical starting point for listening for the ways Bach put these types to use in the Mass in B Minor and the Christmas Oratorio. The book also offers ways to listen to and think about works created by parody, the re-use of music for new words and a new purpose, like almost all of the Mass in B Minor and Christmas Oratorio. And it shows that modern performances of these works are stamped with audible consequences of our place in the twenty-first century. The ideological choices we make in performing the Mass and Oratorio, part of the legacy of their performance and interpretation, affect the way the work is understood and heard today. All these topics are illustrated with copious audio examples on a companion Web site, offering new ways of listening to some of Bach's greatest music.

**Johann Sebastian Bach** Philipp Spitta, 1992-01-01 This monumental study of Johann Sebastian Bach ranks among the

great classics of musicology. Since its first publication in 1873-80, it has remained the basic work on Bach and the foundation of later research and study. The three-part treatment describes in chronological sequence practically everything that is known of the composer's life: his ancestry, his immediate family, his associations, his employers, and the countless occasions on which his musical genius emerged. Author Philipp Spitta accompanies this biographical material with quotations from primary sources: correspondence, family records, diaries, official documents, and more. In addition to biographical data, Spitta reviews Bach's musical production, with analyses of more than 500 pieces, covering all the important works. More than 450 musical excerpts are included in the main text, and a 43-page musical supplement illustrates longer passages. Despite the scholarly nature of this work, it also has the rare distinction of being a study that can be read with considerable enjoyment and great profit by every serious music lover, with or without a substantial background in the history of music or musical theory.

Johann Sebastian Bach Philipp Spitta, 1899

Johann Sebastian Bach, His Work and Influence on the Music of Germany, 1685-1750 Philipp Spitta, 1899

**A History of Western Choral Music, Volume 1** Chester L. Alwes, 2015-06-24 A History of Western Choral Music explores the various genres, key composers, and influential works essential to the development of the western choral tradition. Author Chester L. Alwes divides this exploration into two volumes which move from Medieval music and the Renaissance era up to the 21st century. Volume I surveys the choral music of composers including Josquin, Palestrina, Purcell, Handel, and J.S. Bach while detailing the stylistic, textual, and extramusical considerations unique to the topics covered. Consideration of Renaissance music includes both sacred and secular works, specifically addressing the growth of sacred music, the rise of secular music, and the proliferation of sacred polyphony from Josquin to Palestrina. Discussion of the Baroque era is organized by geographic location, exploring the spread of Baroque style from Italy to German, France, and England. Volume I concludes by examining the aesthetic underpinnings of the early Classical and Romantic eras. Framing discussion within the political, religious, cultural, philosophical, aesthetic, and technological contexts of each era, A History of Western Choral Music offers readers specialized insight into major composers and works while providing a cohesive understanding of choral music's place in Western history.

**A History of Western Choral Music** Chester Lee Alwes, 2015 A History of Western Choral Music explores the various genres, important composers, and influential works essential to the development of the western choral tradition. Divided across two volumes, this comprehensive investigation moves from the Medieval period through the Avant-Garde. -- Publisher description.

**The Christmas Encyclopedia, 4th ed.** William D. Crump, 2022-12-22 From the manger of Jesus Christ to the 21st century, this encyclopedia explores more than 2,000 years of Christmas past and present through 966 entries packed with a

wide variety of historical and pop-culture subjects. Entries detail customs and traditions from around the world as well as classic Christmas movies, TV series/specials and animated cartoons. Arranged alphabetically by entry name, the book includes the historical background of popular sacred and secular songs as well as accounts of beloved literary works with Christmas themes from such noted authors as Charles Dickens, Louisa May Alcott, Hans Christian Andersen, Pearl Buck, Henry Van Dyke and others. All things Christmas are available here in one comprehensive volume.

**Catalog of Copyright Entries** Library of Congress. Copyright Office, 1954

*All Music Guide to Classical Music* Chris Woodstra, Gerald Brennan, Allen Schrott, 2005-09 Offering comprehensive coverage of classical music, this guide surveys more than eleven thousand albums and presents biographies of five hundred composers and eight hundred performers, as well as twenty-three essays on forms, eras, and genres of classical music. Original.

**Harvard Dictionary of Music** Willi Apel, 1969 Contains nearly 1000 pages of precise and accessible information on all musical subjects.

**Commentaries on the Cantatas of Johann Sebastian Bach** Hans-Joachim Schulze, 2024-05-01 Internationally recognized Bach authority Hans-Joachim Schulze authored a 225-part series on the cantatas of Johann Sebastian Bach. In this collection, James A. Brokaw II translates a selection of the essays, illuminating a wide range of biographical and cultural features of Bach's life and creative milieu. Schulze's lively and engaging discussions provide a wealth of rewarding insights and perspectives focusing on individual cantatas, their texts, and the questions of chronology and context that attend them. The University of Illinois Press has paired the volume with a special web-based companion overseen by the translator and hosted by the Illinois Open Publishing Network. This online resource includes Brokaw's translations of all 225 of Schulze's essays alongside digital tools for searching, sorting, and bundling the commentaries according to date of composition, position within the liturgical church year sequence, and librettist.

**Bach's Musical Universe: The Composer and His Work** Christoph Wolff, 2020-03-24 A concentrated study of Johann Sebastian Bach's creative output and greatest pieces, capturing the essence of his art. Throughout his life, renowned and prolific composer Johann Sebastian Bach articulated his views as a composer in purely musical terms; he was notoriously reluctant to write about his life and work. Instead, he methodically organized certain pieces into carefully designed collections. These benchmark works, all of them without parallel or equivalent, produced a steady stream of transformative ideas that stand as paradigms of Bach's musical art. In this companion volume to his Pulitzer Prize-finalist biography, *Johann Sebastian Bach: The Learned Musician*, leading Bach scholar Christoph Wolff takes his cue from his famous subject. Wolff delves deeply into the composer's own rich selection of collected music, cutting across conventional boundaries of era, genre, and instrument. Emerging from a complex and massive oeuvre, *Bach's Musical Universe* is a focused discussion of a

meaningful selection of compositions—from the famous Well-Tempered Clavier, violin and cello solos, and Brandenburg Concertos to the St. Matthew Passion, Art of Fugue, and B-minor Mass. Unlike any study undertaken before, this book details Bach's creative process across the various instrumental and vocal genres. This array of compositions illustrates the depth and variety at the essence of the composer's musical art, as well as his unique approach to composition as a process of imaginative research into the innate potential of his chosen material. Tracing Bach's evolution as a composer, Wolff compellingly illuminates the ideals and legacy of this giant of classical music in a new, refreshing light for everyone, from the amateur to the virtuoso.

**A History of Baroque Music** George J. Buelow, 2004-11-23 A History of Baroque Music is a detailed treatment of the music of the Baroque era, with particular focus on the seventeenth century. The author's approach is a history of musical style with an emphasis on musical scores. The book is divided initially by time period into early and later Baroque (1600-1700 and 1700-1750 respectively), and secondarily by country and composer. An introductory chapter discusses stylistic continuity with the late Renaissance and examines the etymology of the term Baroque. The concluding chapter on the composer Telemann addresses the stylistic shift that led to the end of the Baroque and the transition into the Classical period.--Jacket.

**Bach's Dialogue with Modernity** John Butt, 2010-01-14 A detailed 2010 analysis of Bach's Passions which demonstrates how they reflect and constitute priorities and conditions of the western world.

Christmas Oratorio Johann Sebastian Bach, 1999 (Music Sales America). For solo voices, SATB chorus and Orchestra Edited with a new English translation by Neil Jenkins.

*The Musical World* ,1858

## **Text Bach Christmas Oratorio Introduction**

Text Bach Christmas Oratorio Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Text Bach Christmas Oratorio Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Text Bach Christmas Oratorio : This website hosts a vast

collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Text Bach Christmas Oratorio : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Text Bach Christmas Oratorio Offers a diverse range of free eBooks across various genres. Text Bach Christmas Oratorio Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Text Bach Christmas Oratorio Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Text Bach Christmas Oratorio, especially related to Text Bach Christmas Oratorio, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Text Bach Christmas Oratorio, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Text Bach Christmas Oratorio books or magazines might include. Look for these in online stores or libraries. Remember that while Text Bach Christmas Oratorio, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Text Bach Christmas Oratorio eBooks

for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Text Bach Christmas Oratorio full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Text Bach Christmas Oratorio eBooks, including some popular titles.

## **FAQs About Text Bach Christmas Oratorio Books**

**What is a Text Bach Christmas Oratorio PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Text Bach Christmas Oratorio PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Text Bach Christmas Oratorio PDF?** Editing a PDF can be

done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Text Bach Christmas Oratorio PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Text Bach Christmas Oratorio PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password

protection, editing restrictions, or print restrictions.  
Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
