Creative DBT Activities Using Music Deborah Spiegel, 2020-03-19 This book provides clinicians (particularly those specialising in DBT) with music activities and creative ideas to implement with existing practices, to strengthen what clients are being taught in DBT skills groups. These new ideas can be used with clients individually, in groups, or be given as homework. The first part of the book consists of group activities for therapists and group leaders to use. In part two each DBT skill is presented with its own activity, written in with clear step by step instructions. The skills gained will be particularly beneficial for individuals who have difficulty regulating or dealing with their emotions and this guide improves clinicians' confidence and skill in aiding these individuals innumerable.

Rockonomics Alan B. Krueger, 2019-06-04 Alan Krueger, a former chairman of the president's Council of Economic Advisers, uses the music industry, from superstar artists to music executives, from managers to promoters, as a way in to explain key principles of economics, and the forces shaping our economic lives. The music industry is a leading indicator of today's economy; it is among the first to be disrupted by the latest wave of technology, and examining the ins and outs of how musicians create and sell new songs and plan concert tours offers valuable lessons for what is in store for businesses and employees in other industries that are struggling to adapt. Drawing on interviews with leading band members, music executives, managers, promoters, and using the latest data on revenues, royalties, streaming tour dates, and merchandise sales, Rockonomics takes readers backstage to show how the music industry really works—who makes money and how much,

and how the economics of the music industry has undergone a radical transformation during recent decades. Before digitalization and the ability to stream music over the Internet, rock stars made much of their income from record sales. Today, income from selling songs has plummeted, even for superstars like James Taylor and Taylor Swift. The real money nowadays is derived from concert sales. In 2017, for example, Billy Joel earned \$27.4 million from his live performances, and less than \$2 million from record sales and streaming. Even Paul McCartney, who has written and recorded more number one songs than anyone in music history, today, earns 80 percent of his income from live concerts. Krueger tackles commonly asked questions: How does a song become popular? And how does a new artist break out in today's winner-take-all economy? How can musicians and everyday workers earn a living in the digital economy?

Old Town Road Chris Molanphy,2023-10-06 In *Old Town Road*, Chris Molanphy considers Lil Nas X's debut single as pop artifact, chart phenomenon, and cultural watershed. "Old Town Road" was more than a massive hit, with the most weeks at No. 1 in Billboard Hot 100 history. It is also a prism through which to track the evolution of popular music consumption and the ways race influences how the music industry categorizes songs and artists. By both lionizing and satirizing genre tropes—it's a country song built from an alternative rock sample, a hip-hop song in which nobody raps, a comical song that transcends novelty, and a queer anthem—Lil Nas X troubles the very idea of genre. Ultimately, Molanphy shows how "Old Town Road" channeled decades of Americana to point the way toward our cultural future.

More Than Dare You Shayla Black,2020-07-28 Enjoy this Single Dad's Temporary Fling which turns into a steamy romance full of family drama. I dared her to spend a hot, no-strings night with me. Now I'm determined to keep her forever. I'm Trace Weston—recently reformed bad boy and full-time single father. My life is already complicated, but when my sister-in-law asks me to give her bestie, who just ended her long-term relationship with a cheating jerk, some hot, post-breakup pleasure, I'm game. I never expected to want Masey Garrett with a burning hunger, but she's shy, sassy, driven, and incredibly kind. Suddenly I'm falling fast...but she's only mine for a night. What's a former player to do? Change the rules. Now she's under my roof day and night. We're playing house...but I want a real family. Though she loves my newborn son, the skittish beauty keeps her feelings about me a secret. There's nothing I wouldn't do to win her over, but other than passion, how can I persuade Masey I'm the man for her? Sure, I could drop an L bomb...except that once imploded my heart. But when her past turns her world upside down, can I chance everything and dare Masey to stay with me forever? **More Than Dare You is part of the Reed Family Reckoning Contemporary Romance series, but every book can be read as a standalone. A HOT, romantic story with strong language, sexy times, no cliffhangers, and a guaranteed happily ever after! **

Officer Jaiden Barkly McKayla Schutt,Zodiac Shifters ,2019-06-11 When the thin blue line turns red, only one man can stop a killer hunting down shifters in the streets of Denver. And only one woman can save him from himself. Officer Jaiden Barkly promised to protect and serve all the citizens of his town, supernaturals and humans alike, and he has a damn good

record of doing just that. But now someone is threatening his town and his mate, and he won't rest until he's put them away for good. Mya Lindorth has been burned before. Her shifter ex taught her that love hurts. Literally. Now, she must trust a shifter cop, Jaiden with her life and her heart as they race to find the person responsible for the bloodshed in their town. But the odds are stacked against them, and the death toll is rising. Can they finally stop a killer with a bloodlust for shifters, or will they become her next victims? Make Jaiden your next book boyfriend in the steamy shifter romance that fans of Terry Bolryder will call their next favorite read! The Complete-ish History of Country Music: A Very Quick Guide...From Fiddles to Stadiums Joy Anderson, From the twang of Appalachian ballads to the neon glow of modern country-pop, The Complete-ish History of Country Music takes you on a foot-stomping journey through the evolution of America's most heartfelt genre. Travel through time as we explore the backwoods roots of early folk tunes, the honky-tonk heroes of the '40s, the outlaw revolution of the '70s, and the chart-topping crossovers of today. Packed with fascinating stories, forgotten gems, and the larger-than-life personalities who shaped the sound of a nation, this book dives into the music that made legends—and the songs that still make us feel something real. Whether you're a die-hard country fan or just curious about the genre that gave us Hank, Dolly, Willie, and beyond, this not-quite-definitive but damn entertaining history is the perfect companion for your next road trip, porch sit, or whiskey-fueled singalong.

The Expatriated American Marc Gray,2020-11-30 It's hard enough to get what you want out of life while making good decisions. If you don't believe that, try going through life making bad decisions. —Marc Gray The Expatriated American is the story of Jim Collins and how one simple decision puts his whole future in jeopardy. Jim's an average young man with his entire life planned out in front of him. He graduated from college, has a great job, a beautiful fiancée, and is at the doorstep of living the American Dream. However, his life begins to unravel when he takes a business trip to Key West, where he meets Jerry Hinkle, an old high school friend. Jerry sails the world on his sailboat living life at his own pace. He sails from port to port with no schedule or responsibility, a life that fascinates Jim Collins. Jim is eager to experience the mystical life of Jerry and decides to take a three-day sailing trip to Cuba, changing his life forever. Follow Jim as he fights to get back to the life he once had.

Undeniable: Full Color Evidence of Black Israelites In The Bible Dante Fortson, "Then they fasted that day, and put on sackcloth, and cast ashes upon their heads, and rent their clothes, and laid open the book of the law, wherein the heathen had sought to paint the likeness of their images." - 1 Maccabees 3:47-48 Undeniable is the perfect outreach tool to connect with anyone that is skeptical of the claim that the Israelites of the Bible were black, and have always been black. This is first and foremost an outreach tool, but it also makes a great gift for anyone that wants to see the hard evidence. + Full Color Images + Minimal Commentary + Designed To Start The Conversation Inside of the book you'll find: + Maps + Paintings + Statues + Explorer Journal Entries + Memorandum To The President of The United States All of the evidence adds up to the fact that there was a multi national conspiracy to kidnap, enslave, and hide the true history of Negroes scattered all over the world through the Transatlantic Slave Trade. There has been a conscious concerted effort to steer people away from the truth that Israel fled into Africa in 70 A.D. and still inhabits many areas of the continent.

America's Songs III: Rock! Bruce Pollock,2017-03-16 America's Songs III: Rock! picks up in 1953 where America's Songs II left off, describing the artistic and cultural impact of the rock 'n' roll era on America's songs and songwriters, recording artists and bands, music publishers and record labels, and the all-important consuming audience. The Introduction presents the background story, discussing the 1945-1952 period and focusing on the key songs from the genres of jump blues, rhythm

'n' blues, country music, bluegrass, and folk that combined to form rock 'n' roll. From there, the author selects a handful of songs from each subsequent year, up through 2015, listed chronologically and organized by decade. As with its two preceding companions, *America's Songs III* highlights the most important songs of each year with separate entries. More than 300 songs are analyzed in terms of importance—both musically and historically—and weighted by how they defined an era, an artist, a genre, or an underground movement. Written by known rock historian and former ASCAP award winner Bruce Pollock, *America's Songs III: Rock!* relays the stories behind America's musical history.
