Release Your Inner Wild Dana Mahon,2019-08-02 Release Your Inner Wild is for the woman seeking to reconnect with her health, herself and her Wild. The word “wild” is everywhere it seems, but do we know its true meaning? Modern day living has taken us away from our roots of Mother Earth and from our Inner Wild. A woman’s true nature is strong, healthy, bold, connected, intuitive, capable, fierce, radiant, powerful, and yes, wild. Through ancient self-care practices, mindful movement, nourishment for the body and mind, and by living authentically in ways that have kept her healthy, strong, grounded and happy, self-declared gypsy-soul, author Dana shows you that at any age and whatever life throws your way, you can become your healthiest, most fulfilled self, and how to reconnect to your Inner Wild. This educational, practical, entertaining, heartfelt and occasionally sassy book speaks boldly to the woman who wants the most out of her life and who wants to be the one to create that for herself, from a place of wellness, self-assurance and ease.

My Time to Speak Ilia Calderón, 2020-08-04 An inspiring, timely, and conversation-starting memoir from the barrier-breaking and Emmy Award-winning journalist Ilia Calderón—the first Afro-Latina to anchor a high-profile newscast for a major Hispanic broadcast network in the United States—about following your dreams, overcoming prejudice, and embracing your identity. As a child, Ilia Calderón felt like a typical girl from Colombia. In Chocó, the Afro-Latino province where she grew up, your skin could be any shade and you’d still be considered blood. Race was a non-issue, and Ilia didn’t think much about it—until she left her community to attend high school and college in Medellín. For the first time, she became familiar with horrifying racial slurs thrown at her both inside and outside of the classroom. From that point on, she resolved to become “deaf” to racism, determined to overcome it in every way she could, even when she was told time and time again that prominent castings weren’t “for people like you.” When a twist of fate presented her the opportunity of a lifetime at Telemundo in Miami, she was excited to start a new life, and identity, in the United States, where racial boundaries, she believed, had long since dissolved and equality was the rule. Instead, in her new life as an American, she faced a new type of racial discrimination, as an immigrant women of color speaking to the increasingly marginalized Latinx community in Spanish. Now, Ilia draws back the curtain on the ups and downs of her remarkable life and career. From personal inner struggles to professional issues—such as being directly threatened by a Ku Klux Klan member after an interview—she discusses how she built a new identity in the United States in the midst of racially charged violence and political polarization. Along the way, she’ll show how she’s overcome fear and confronted hate head on, and the inspirational philosophy that has always propelled her forward.
