Texting Faith, Hope, and Love JoAnn Willoughby Hays,2023-05-22 I started writing down favorite scriptures, quotes, and sayings in fifth or sixth grade. I taught children's Bible classes for 42 years and public school classes for 29 years and I always found a way to use many of the quotes and sayings in all my classes. I still get excited when I see a great quote in a book or magazine, or even on a T-shirt. I have four grandchildren I adore, and I don't get to see them as often as I did when they were children, or during the pandemic. Cale is a graduate of Oklahoma Christian University and is busy with his career. Mackenzie will be a senior at the University of Oklahoma. Tate is a newlywed and is attending the Oklahoma State University's Fire Academy to become a firefighter, and our youngest, Danny, is a 6'4 basketball player who will be a junior at

Edmond Memorial High School. I found a quote a few years ago from the gymnast, Gabby Douglas. She said, By now, you've probably caught on to something: my mother is always standing by with just the right scripture or inspirational saying to get me through any tough situation. I was so blessed to have my grandchildren living in the same town when they were growing up and all four of them were in my sixth grade Sunday school class. I think all of us who are grandmothers want to be like Timothy's grandmother, Lois. I read Gabby's quote and realized how important that was to her. I can't stand by my grandchildren, but I thought I can text scriptures and quotes to them. Also, Corrie ten Boom's book, *The Hiding Place* came out when my girls were babies. I read it during their nap times. I also watched as many of her interviews as I could. She and her family were Christians in Holland and hid hundreds of Jews being smuggled to safety in a secret hiding place in their combination home and watch and clock repair store. Her entire family was caught by the Nazis and sent to concentration camps. They weren't allowed Bibles, so they taught people using the scriptures they had memorized. I heard her tell a story of finding a broken piece of pencil and writing scriptures down on little scraps of paper and giving them to people to give them hope. That inspired me to memorize more scriptures, so I could always have a Bible close to me. I started texting scriptures and different quotes to my grandkids group once or twice a week. I prayed that this would keep them in the Word and remind them their words and actions need to glorify God. One night I needed to send a new text and it took me about thirty minutes to write one and send it. I remember thinking I wish I could go online or go to Mardel's store to find a book that had the type of devotionals I wanted. My next thought was why don't I write one. I'm retired and I already have over thirty devotionals finished. I could just add about a hundred more and I would have a book of devotionals. I said a prayer and started compiling my devotion lesson plan book the next day.

"No Remedy but Continual Prayer" Mark Murphree, 2025-08-19 John Wesley was a powerful leader in the Evangelical Revival of eighteenth-century England. He traveled across the land preaching the doctrine of justification by faith, facing unruly mobs, and nurturing a network of small groups of committed Christians called Methodists. In the face of all distractions and temptations, he found there was no remedy to preserve his relationship with God but continual prayer. Mark Murphree surveys Wesley's sermons, journals and diaries, and voluminous correspondence to articulate Wesley's underlying theology of prayer and outline how that theology was expressed in practice in the varied circumstances of Wesley's life and ministry.

Long to Love and Memory: Poetry John Banister Tabb, 2017-07-07 The exquisite poetry of John B. Tabb (1845-1909) is rich in technical precision and concise expression. His keen perspective looks carefully around, peers into the depths of the soul, and gazes up at the heights. Little in nature escaped Father Tabb's notice: flowers; birdsong; the beating of the rain; the passage of sun, moon, and stars; the cycles of the seasons; and the march of the years. Everywhere, he saw reflections and heard echoes of the gamut of human experience—loneliness and companionship, losses and rewards, regrets and hopes, man

and God. He expressed the essence of his unique vision in a profusion of small poems. This collection of 244 poems-most of which have no more than eight lines-displays the best of Tabb's work, gathered into sets that showcase his various approaches to similar topics. With notes to help the reader with unfamiliar words and concepts, Long to Love and Memory brings John B. Tabb's gems out into the light once more and sets them anew for a new century.

Unwrapping the Gift of Mercy David Bennett,2017-12-13 As an internationally gifted speaker and author, David

Bennett explains how God uses believers with the Gift of Mercy to benefit the Body of Christ. Using Biblical characters, great historical men of faith, and contemporary real-life people, David opens the heart and soul of Christians spiritually endowed with the Motivational Gift of Mercy. Beginning with Scripture, David defines and demonstrates the Gift of Mercy as it plays out in real life Christianity. Gleaning from the personal lives of past and present saints, David details how the believer with this Gift can be characterized, identified, motivated, and used in the Church of Jesus Christ today. David believes that for the body of Christ to function successfully each member must recognize his divine purpose and function for the health and growth of the body, and carry out his intended objectives and responsibilities in the power of the Spirit.

A Touch of Love from Heaven Angel Love,2005-11 Standing in the Great Room at my home, I see a rainbow, appearing between the mirrors on my living room wall. I note that the six colors of the chakra system are in the correct sequence: red, orange, yellow, green, blue, and lilac at the top of the rainbow. Looking at my watch, the time is 5:50 p.m. The rainbow disappears, and now, none can be seen. The time is 5:55 p.m. Next, almost immediately, two rainbows appear. The first one is on the back of the Great Room Wall to the right above the sofa while I stand there facing the mirrors. The second rainbow appears on the lamp. Both of them contain the six colors of the chakra system in the chronological order. I am left wondering if these visuals are the light of God giving me the go ahead for putting my writings into the hands of the people. Since the chakra system and the rainbow are both utilized in my writings, I believe this sign is from God and no accident.

Love's Redeeming Work Geoffrey Rowell,Kenneth Stevenson,Rowan Williams,2003-10-23 There is a rich vein of writing within Anglican tradition that has helped to form the theology and spirituality of the contemporary church. For many readers, much of this material remains unfamiliar and is often difficult to access. *Love's Redeeming Work* draws together the works of major writers from the sixteenth century to the present day who have contributed to this development. Each selected writer is introduced with a brief biography, which gives background information about the author, and highlights the relationships that existed with others from the same period. This will enable the reader to set the writings in their proper context, enhancing understanding of the material. The selections then follow. In some instances these may be familiar, but other examples will introduce fresh ideas for every reader. Each writer's selection is concluded with a list of source texts, which can encourage readers to explore in more depth those areas which intrigue and excite them. *Love's Redeeming Work* traces a path that has enabled Anglicanism in particular, and the wider church as well, to develop an ever-deepening awareness of the need for a spiritual depth in the Christian life informed by a better knowledge of tradition. In exploring this material, it is the compilers' hope that readers will find new riches that will encourage and sustain their own quest for holiness.

Love and Terror in the God Encounter David Hartman, 2011-03-25 The intellectual legacy of one of the twentieth century's greatest religious thinkers—explained by a leading theologian of our day. “It is only through experiencing the contradictions in human existence, through being overwhelmed by the divine presence, through the finite human being feeling terror-stricken by the infinite majesty of God that one can develop an authentic religious personality.” —David Hartman (From Chapter 6) Rabbi Joseph B. Soloveitchik (1903–1993) profoundly influenced modern Orthodox Judaism in the United States—and Judaism as a whole—by opening up a discourse between the tradition of Torah study and Western philosophical thought. The future of both religious Zionism in Israel and of Orthodoxy in America hangs to a great extent on how we interpret his intellectual legacy. Dr. David Hartman's penetrating analysis of Rabbi Soloveitchik's work reveals a Judaism committed to intellectual courage, integrity, and openness. A renowned theologian and philosopher, Hartman meticulously explores the subtlety and complexity of Rabbi Soloveitchik's theological thought, exposing a surprising intersection of halakhic tradition and modern Western theology—a confrontation that deepens and expands our spiritual understanding. Hartman's provocative interpretation bears witness to the legitimacy of remaining loyal to the Judaic tradition without sacrificing one's intellectual freedom and honesty.

Pilgrimage into God Sicco Claus, 2023-04-01 Pilgrimage into God: A Study of John Main's Meditation-Oriented Spirituality is a comprehensive investigation of the heritage of the Benedictine monk John Main (1926 – 1982). This founder of a worldwide movement for Christian meditation understands meditation as an intentional transcending of all mental processes. Contrary to popular opinion, which associates meditation uniquely with Eastern traditions, Main considers meditative practice to be essential and central to Christian faith. This study not only explores Main's views on practice, but also looks into his theology, his understanding of spiritual growth and the (ideal) contexts for achieving such growth. It does this by

critically situating Main's spiritual teaching within the Christian tradition and exploring its relation to Charles Taylor's interpretation of the modern spiritual condition. This study also aims at exploring how Main's heritage may contribute to illuminating Christian spiritual life today.
