The Yo-Yo Principle David Pollard, 2008 Congratulations You made it So, what are you going to do with your life? Have you really thought about it? You've got some big choices to make. That's what life is really about, choices. Having choices, making choices, ignoring choices, and creating choices. The life you are about to create is about you making the choices, not life making them for you. It is also about realizing when your choices are limited and learning to work with what the world presents to you. This book will help you realize the right choices for you.

The Secret for Teens Revealed Andrea Samadi, 2008-09 When we look at people who have achieved great things, we often believe that they are more talented than the rest of us, or luckier, or more well-connected. But the only thing that separates the successful from everybody else is that they have learned how to bridge the gap between setting goals and achieving them. They have developed ways of behaving and -- more importantly -- ways of thinking that enable them to get what they want. The good news is, it's possible for anyone to learn these techniques. As a parent or teacher you can sharpen your own skills . . . then pass them along to the teens in your lives. Imagine implementing the concepts that Secret teachers and others are using to motivate thousands of adults and teens worldwide. Imagine improved relationships, increased self-esteem, and a direct path to your dreams. Imagine working with your children or students to help them get better grades, improve their results in sports, and pave a clear path to a brilliant future. Instead of imagining, start right now!

Ideas Journal Stephen Young, 2013-03-20 Everything on this planet has started with an idea. Sometimes simple, sometimes complex. The difference between dreamers and people who make their dreams a reality is contained within these pages. The true mark of someone who accomplishes their goals can be found in this book. Have you ever had a dream, a goal,

the next big idea that you absolutely know will change the world? If so, you need this book to help you achieve that dream, goal or idea. The ideas journal works on two levels, it shows you how to achieve anything you can think of and if also motivates you to achieve your ideas with quotes from some of the best thinkers of our time. If you ever want to make your ideas a reality, this is the book that will get you there.

The Mystery of Belief Christopher Dines, 2013-03-13 The Mystery of Belief: How to Manifest Your Dreams, written by Christopher Dines, is a masterly book uncovering the great secret to any form of success: belief. Throughout human history, the wisest teachers and philosophers have all agreed that belief is the foundation to create and manifest your dreams. Over the last one hundred years, scientists have confirmed what the great spiritual teachers taught us over two thousand years ago: "believe and it shall be done unto you". The Mystery of Belief is full of wisdom and practical tools to help you create a deep belief within yourself from scratch, regardless of age, race, colour, creed, religion or nationality. This book is universal and can bring a positive and happy change in your life.
