Long Story Short Dillon T. Thornton,2022-02-28 Many people think of the Bible as a confused mixture of entries, episodes, characters, and commands. Sixty-six books, written by some thirty authors, scattered over a period of roughly 1,500 years, including virtually every genre known to man. Clearly, the Bible consists of many parts. Yet, it communicates a metanarrative, one great story, the drama of redemption. And when we understand this story, and find our place within it, it brings us unparalleled purpose and hope.

What's That From? Jai Nanda,2014-03-11 Do you know what films have given us the following quotes? What we have here is a failure to communicate. Excuse me while I whip this out. Would somebody get this walking carpet out of my way? I don't know why they call this stuff Hamburger Helper, it does just fine by itself. And how are you at movie trivia? In The Blues Brothers why are Jake and Elwood puttin' the band back together? In Airplane!, which dinner was poisoned: the fish or the chicken? True or False: Diane Keaton won the Academy Award for Best Actress for her performance in Annie Hall. For the movie buff and video hound, Jai Nanda's What's that From? provides hours of entertainment. You can test your knowledge with more than 1,000 quotes and questions from more than 250 contemporary films--from Academy Award winners to cult classics. Also included are bonus questions on actors and directors, special categories on individual actors, movies, and themes (Western, baseball, sequels), plus a section devoted exclusively to Academy Award-winning performances. It's all here in the ultimate tribute to the great movies of the seventies, eighties, and nineties from National Lampoon's Animal House to When Harry Met Sally... So the next time you hear someone say, It's just a flesh wound, you won't have to ask What's that from?

Love Like You Mean It Bob Lepine,2020-07-07 Every year, millions of men and women stand before friends and family to pledge their lifelong love to each other. Do they know what they're getting into? Unfortunately, many people have a shallow, superficial idea of what marriage is. As a result, many marriages don't last, and many more married couples are trudging along looking for something more. Love Like You Mean It gives husbands and wives a biblical understanding of what real love looks like in marriage by unpacking the ten attributes of genuine love listed in 1 Corinthians 13. Bob Lepine, marriage and family expert and host of the nationally syndicated radio program FamilyLife Today, helps husbands and wives discover that it's not primarily emotions that define marital love, but actions and decisions that fuel emotions and cause marital love to grow. Every person who is married, would like to be married one day, or wants to understand more about the biblical vision of marriage will find what they're looking for as they dive deep into Love Like You Mean It.

Movie Comedians of the 1950s Wes D. Gehring,2016-11-03 The 1950s were a transitional period for film comedians. The artistic suppression of the McCarthy era and the advent of television often resulted in a dumbing down of motion pictures. Cartoonist-turned-director Frank Tashlin contributed a funny but cartoonish effect through his work with comedians like Jerry Lewis and Bob Hope. A new vanguard of comedians appeared without stock comic garb or make-up--fresh faces not

easily pigeonholed as merely comedians, such as Tony Randall, Jack Lemmon and Tony Curtis. Some traditional comedians, like Charlie Chaplin, Red Skelton and Danny Kaye, continued their shtick, though with some evident tweaking. This book provides insight into a misunderstood decade of film history with an examination of the personality comedians. The talents of Dean Martin and Bob Hope are reappraised and the dumb blonde stereotype, as applied to Judy Holliday and Marilyn Monroe, is deconstructed.

Beyond a Whistle and a Prayer: Transforming Lives, Pursuing Excellence, Honoring Jesus through Coaching

Christopher M. Schrader, PhD., 2015 *Beyond a Whistle and a Prayer* will forever change the way you look at sports and coaching. Society advocates sports as a means to instill virtue and character in our youth. But we all know that the system is broken to a large extent - from youth sports through college, and beyond. Too many coaches and parents are driven by the scoreboard, the win-at-all costs model. Is it any wonder that 70% of kids drop out of sports by age 12? Many of us remember the words and actions of coaches for a lifetime. What memories are you leaving with your athletes? Chris helps us make sense of why sports are broken and how they can be restored as a tool to positively impact lives. It all centers on coaches being transformed by biblical truths and implementing practical tools so they can field competitive teams while also loving their athletes well. Join the journey and learn to coach with joy. -Gilbert Tuhabonye: Author of *This Voice in My Heart*; 8-time NCAA All-American; Distance Running Coach

InJUSTICE Pedro Perez, 2024-10-18 *InJUSTICE* is Pedro Perez's memoir chronicling his journey from poverty to the highest position in the New York State Police. In highly personal prose, Perez poignantly expresses how he adroitly and coolly challenged his fellow troopers' racial microaggressions and ultimately gained their respect. The book sheds light on institutional racism within the force and Perez's commitment to reform. He overcame racism and microaggressions to rise through the ranks. As a state trooper, Perez sought to reconcile the seeming contradiction between his progressive values, anti-racism, and identity (Perez identifies as an Afro-Caribbean Taino) and serving in an organization that stubbornly resisted opening its ranks to Black and Latino men and women. It concludes with Perez's argument for police reform and addressing the legacy of racism affecting police relations with racialized communities. Dr. Pedro Caban - Former Vice Provost for Diversity and Educational Equity at the State University of New York and Professor & Director of Undergraduate and Graduate Studies - Department of Latin American, Caribbean & U.S. Latino Studies

***** This book speaks to the individual fortitude that it takes for any person to be successful in a police culture. Add in what Pedro Perez had to navigate, around, the individual and systemic racism, that is omnipresent for non-white people in the NYSP and the United States. Factors that can make everyday task almost a miracle to accomplish for non-white people. Bravo my brother! Anthony Ellis - New York State Police Chief Inspector - Colonel (Retired)

***** Pedro Perez's book, InJUSTICE, expertly combines the story of his personal journey as a New York State Trooper of Afro-Caribbean descent with his account of his tireless efforts to make the NYSP a more just, equitable institution: one that protects the rights of all New Yorkers. Perez writes with courageous honesty about how the very same law enforcement agency that lifted him and his family from poverty also challenged him to reform its institutionalized racism from within, all while doing his best to protect and serve. This is a must read for anyone seeking to better understand the complexities of working in law enforcement as a member of a marginalized minority. It is an urgent call of conscience to all New Yorkers and Americans to make our vital law enforcement institutions instruments of genuine justice. Dan Ornstein - rabbi and author of Cain v Abel: A Jewish Courtroom Drama.

***** InJUSTICE is the unique story of how Perez escapes from a life of poverty by joining the New York State Police. As one of a handful of Puerto Rican and African American state troopers in the 1980s, the author vividly reveals the challenges that officers of color face. With intelligence, courage, humor, and a commitment to administering justice, Perez examines the tensions that arise from carrying out law enforcement in a society shaped by inequalities of class, gender, ethnicity, and race, while also sharing a moving personal story. Barbara Smith - Author, The Truth That Never Hurts: Writings on Race, Gender, and Freedom

***** WOW! Pedro Perez' memoir is an inspiring account of one man's grappling with (internally as well as externally) issues underlying injustice. Throughout his journey from childhood in Lower East Side Manhattan to the highest ranks of the New York State Troopers, Pedro Perez encounters all types of injustice including racism, gender bias, and poverty. His unique story of attempting systemic change from within while experiencing the harmful effects of these injustices is nothing short of heroic. The brutal honesty in this book is both refreshing and intimidating. It is not simply a call for change, but a true account of one man answering that call. Will you join him? Kevin P. Tully - Mecklenburg County Public Defenders Office

Tear Down This Myth Will Bunch, 2010-02-02 In this provocative book, an award-winning political journalist unravels the story of how a right-wing cabal hijacked the mixed legacy of Ronald Reagan, a popular but hugely divisive 1980s president, and turned him into a bronze icon to revive their fading ideology.

The Mammoth Quiz Book Nick Holt, 2013-08-22 A comprehensive category killer, with over 6,000 varied questions on every topic imaginable - as well as some you might not imagine. The 400 quizzes are a mixture of general knowledge and specialist rounds all aimed at the popular pub or society quiz market on science and technology; nature and the universe; human geography; history; life as we know it; arts and culture; sports and games; popular culture; celebrities and trivia. The questions are up-to-date, interesting and, unlike much of the competition, accurate.

Save as Draft Cavanaugh Lee, 2011-02-01 SAVE AS DRAFT @Readers A love triangle evolving over e-mails, texts, and Facebook messages that makes you wonder if the things we leave unsaid—or rather unsent—could change the story of our lives. 6:59 PM Feb. 14th via twitterfeed Sent: Monday, February 14, 2011 From: Izabell To: Reader Subject: Save as Draft Are we Facebook friends yet? I'm the waitress (waitress/actress) turned lawyer who lives her life online. (Don't we all these days?) Anyway, I've got this problem. . . . There's this guy. His name's Peter. He's my best friend and co-worker, and we just started dating, which is potentially a huge mistake. But, that's not all. There's this other guy, Marty. I met him on eHarm, and he ran with the bulls in Spain. I can't get him off my mind. What a mess. I'd love your advice if you can take a second out of your crazy, high-tech life. Shoot me an e-mail. Or text me. Or BB messenger me. And friend me if you haven't already! You can find me on Facebook under Save as Draft. Izabell

Nora Ephron Liz Dance, 2015-09-21 Nora Ephron famously claimed that she wrote about every thought that ever crossed her mind, from her divorce from Carl Bernstein (Heartburn) to the size of her breasts (A Few Words About Breasts). She also wrote screenplays for three of the most successful contemporary romantic comedies--When Harry Met Sally (1989), Sleepless in Seattle (1993) and You've Got Mail (1998). Often considered mere light-hearted romantic comedies, her screenwriting has not been the subject of serious study. This book offers a sustained critical analysis of her work and life and demonstrates that Ephron is no lightweight. The complexity of her work is explored through the context of her childhood in a deeply dysfunctional family of writers.

The Kingdom Parables Kyewoon Choi, 2023-10-14 The Bible consistently reveals God's Kingdom as His sovereign rule over all creation, inaugurated through Jesus' first coming and to be fully realized at His return. Until then, believers are called to live faithfully, using their God-given gifts and staying watchful in prayer as they await Christ's return and final judgment.
