Shooting Ladders Gary Keeney,2010-08-03 Shooting Ladders is a book of advice written to a little girl named Tori. She was four years old when the author started writing the first topic, and she was eight years old when he finished the last topic. But he didn't write it for the Tori of then or even the Tori of now; instead he wrote it for the Tori of the future, as something to help her make the right decisions in her late childhood/early adult years and throughout her life. The book contains the author's opinions on hundreds of various subjects some of them practical, many of them philosophical; some serious, some whimsical. On a typical subject, the author tells a story from his own personal experiences and then adds a moral lesson for her to learn from the story. Although he's not trying to tell her what to think; he is trying to guide her into making the proper decisions in life. The author hopes that she'll carefully weigh all the options and choose the paths that lead her to a good and happy life

The One Ronny Russell,2013-12-17 The parable in Luke 15:17 can be seen from three angles. The dilemma of the shepherd is whether or not to leave the ninety-nine and go in search of the one lost sheep. It may not make sense economically and rationally, but he leaves them anyway and begins his search. The poor sheep has wandered away and is lost not hopelessly so, but lost. The sheep does have hope, and it rests with the shepherd whose love for her is so vast and so relentless that he won't rest until he finds the sheep. And then there's the ninety-nine. Their attitude and behavior toward the lost sheep is paramount in the story. Will they join in the search? Will they celebrate with the shepherd once the sheep is returned? Or will they criticize and whine about how the shepherd spends all his time searching for the one who is lost? The One explores the foundational nature of this parable and how important its implications are for the church and one's own

walk with the Lord. The value that God places on the one is life-changing for those who come to understand it. An intense and powerful vision shared through the lens of author Ronny Russells personal and professional spiritual journey. Authenticity is found in every paragraph that rings with empowering truth, inspiration, and encouragement for the one. I have watched Ronnys journey for decades and found his passion to be deep, contagious, and transformational for the one and the remnant who seek meaning in our fast-paced world filled with churches that often miss the one to preserve the institution. Ronny serves Christ above all and finds hope in Gods calling and gifting as a member of the body of Christ. Truly a worthy and engaging read! Edward Hammett, author of Spiritual Leadership in a Secular Age and Recovering Hope for Your Church

Special Di Gaon,2014-04-01 A story about what learning truly means. Six students, all in the special education program at Spiro Agnew Middle School, prove that their differences can help them even though they can sometimes hinder them.

The Driven Organization Omar Garcia,2013-10-31 Are you happy with your job? Do you feel happy and excited on Sunday night because you get to go to work the next day? Does your company produce the desired financial results? Imagine that every day you look forward to go to work with the same eagerness with which you pursue a hobby, go out with your friends, or read about your favorite subject. Sounds unreal, but Omar Garcia proves us that work not only doesn't have to be a drag on our life, but that it is the best way to reach our entire potential, accomplish higher goals, and have the best of times. In the process, we would make our companies significantly more profitable. This is a fun-to-read, inspiring book for managers, entrepreneurs, and everyone who has considered that the way we work could be better. You will never see work in the same way. It will help you rethink current paradigms and understand what you need your work to be. It will help managers and business owners create the conditions for workers to be happy, reach their entire potential, and be much more productive. Omar Garcia manages to bring the latest research and explain it in a way that it all makes perfect sense. He also shows us what the most progressive organizations do to build companies where people love to work.

Reinvent Beth Jones,2020-05-05 Reach your God-given potential and live a joyful life by finding your purpose in Christ with this inspiring guide from Beth Jones, host of Hillsong Channel's The Basics With Beth. The world around us is in a constant state of reinvention, from technology, to careers, to family. It's easy to struggle in the midst of change, and each season brings new challenges. But we need reinvention: the kind that leads us to new fulfillment and our calling in Christ. To Reinvent ourselves in Christ means a transformation in our hearts, souls, bodies, and minds. And we can achieve this by biblically exploring and answering the questions: What do you want? What do you have? What will you do? and Why will you do it? Let the baggage of the past become history today. Let God renew your hope, and you will experience the joy of living like never before. No matter what has happened, and no matter where you are on this journey, Reinvent will help you start fresh and love life!

Rabacoon:: The Briarpatch Series sarah linsley,2015-06-03 Adam thought that when he and Lilly were adopted by

Rachel they would never have to worry about being separated again. Now Rachel is missing and Adam finds he must go to the ends of another world to rescue her and keep what's left of his family.

I Ain't Doin' It Heather Land, 2019-05-07 Social media comedian Heather Land uses her trademark sassy, laugh-out-loud humor to remind us of the many ways that real life can be really funny. Heather Land has something to say about almost everything in life—the unbelievable, inconceivable, and downright frustrating—and why she “ain’t doin’ it.” In her first book, Heather shines a light on the (occasional) ridiculousness of life through a series of hilarious essays, dishing on everything from Walmart and ex-husbands to Southern beauty pageants and unfortunate trips to the gynecologist. *I Ain’t Doin’ It* reminds us that when it comes to life’s messy moments, it’s all about perspective—and that we too can say, I ain’t doin’ it! Perfect for fans of Jim Gaffigan, Anjelah Johnson, and Brian Regan, *I Ain’t Doin’ It* is a fun, breezy read for anyone who appreciates someone who tells it like it is and wants to embrace the lighter side of life.

Hispanic, Female and Young: An Anthology Phyllis Tashlik, 1994-01-01 To be young, female and Latina in the kaleidoscopic world of New York City is the reality Phyllis Tashlik captured in this multifaceted volume. The voices that speak through its pages are Las Mujeres Hispanas, a group of Latina teenagers at Manhattan East, a public alternative school in New York City’s El Barrio. They met throughout the course of a year to read and discuss their reactions to the works of renowned female Hispanic authors as well as the concerns born from their own identities. Individually and as a collectivity they went on to write poems, stories, essays and interviews with prominent Latinas. *Hispanic, Female and Young: An Anthology*, the result of these endeavors, is an anthology of both Las Mujeres’ creative efforts and the literature that inspired them. It combines the fresh perspectives of the younger women with those of such seasoned, prize-winning authors as Lorna Dee Cervantes, Judith Ortiz Cofer, Roberta Fernández, Nicholasa Mohr, Pat Mora and many more. The resulting intergenerational dialogue includes remembrances of family and childhood, the difficulties and joys of growing up bilingual and bicultural, and what it is like to deal with both racism and misogyny. *Hispanic, Female and Young* will set milestones for young Latino audiences on their roads to self-discovery and for more mature readers in their nostalgic pilgrimage to the past. It is a celebration of youth and of America’s ethnic diversity.

Dating While Autistic Wendela Whitcomb Marsh, 2023-02-14 Dating is stressful, isn’t it? If you’re autistic, the thought of trying to meet someone new can feel exhausting. Could you use a dating coach, but in book form? Then you’ve come to the right place. This book takes you from first date to friendship to love. You’ll find “Bad Idea/Better Idea” tips for what to avoid, and what to try instead. “A Couple of Singles” follows two fictional autistic characters, Bill and Trish, on their quest for love. “Ask Yourself” offers opportunities to reflect on what’s important to you. Finally, “Actually Autistic Love Stories” bring first-hand knowledge from neurodivergent couples who are already living the dream. If you want down-to-earth guidance on how to navigate dating and relationships, you’ve come to the right place. This book is for you.

Terror Red David Hunt, Christine Hunsinger, 2013-04-16 What have we been afraid of since 9/11? In *Terror Red*, Colonel David Hunt gives us a frighteningly realistic look at what could be the next major terrorist assault. Colonel David Gibson is a recently retired Special Operations Officer. Together with political consultant Christina Marchetti, he must take down a terrorist organization bent on hijacking planes, blowing up cities, and much more. Their pursuit of these heavily financed, ruthlessly trained killers hurls Gibson and Marchetti into a whirlwind of death and destruction. If they can't stop this murderous conspiracy, America could well be plunged into World War III. But can they stop them in time? At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Devotional Journal Living Stephen Kyeyune, 2015-05-08 Each person is an enigma. You're a puzzle not only to yourself but also to everyone else, and the great mystery of our time is how we penetrate this puzzle. We are social animals, and unless we engage God, we can never resolve and understand the truth that lies at the bottom of an enigma of interdependence relationship. A legendary poet wrote, People are fascinating. They're so unique and I think what's more fascinating is the reason behind the physical characteristic, the enigma, that's where the gold dust is. Life is never a mystery and a harmful enigma unless we try to interpret it from our human brand or perspective as though it had no underlying truth. The reality is that every person believes in something (be it true or false). Our beliefs modify our behavior. I have put together this journal for you with epic passion projecting the phenomenal person that God intended you to be. Wrong perception of life issues makes man a wrong person. It is my prayer that by reading this book you will be enlightened and inspired to solve the puzzle of life from the perspective of the Creator of life. Certainly, the most important thing that God can give to us is the truth about life. God created us to live passionately but not passively. That is why he instructed us to love him with all our hearts and to love our neighbors as we love our selves.

Dreams Missy Reynolds, 2014-05-19 Two ordinary teens become extraordinary, when the Super meets the natural. Margo, a nobody at high school who longs for something more than the ordinary, hopes her dream of burning hands will lead her to adventure. But, it's only a dream. Bastion, a mysterious boy, moves from the mountains of Tennessee to the flat country of New Jersey, perking Margos interest as her new neighbor. As he struggles with adjusting to a new place and his secretive past which is hidden in blood and shadows, evil seeks to destroy his life. Inadvertently, as their relationship develops, Bastion entangles them both in a deadly cat-and-mouse game, as Margos dream of fiery hands intensify. She seeks for answers, leading her to some unlikely help, raising the question if a higher power can save them or if they are truly alone in this world. They must choose a side in a supernatural war that has been raging for centuries, while they struggle to find out who they are. As they are thrown into a world they never knew existed between angels and demons, they are faced with tough questions and even tougher realities. They soon learn the role they play between Heaven and Earth, is the key to everything.

The Divine Artist Mark Megna,2013-10-24 This book is intended for those on a spiritual quest. It is only to be read while sitting in a temple on the top of Mount Everest in the Himalayan Mountains while in a mystical trance. Only there will you be able to sit in complete silence and contemplation. This holy scripture is meant to be spoken aloud for seven straight days so that the messages will emanate out into the universe so that a new perfect universe will be born. One without evil, suffering, limits or death. This is a pilgrimage of destiny. Nothing is more important in life than your eternal self. What does it mean to be truly free? "If the truths of these scriptures are meditated upon by a man in the highest degree devoted to God, and to his Guru as to his God, they will shine forth. They will shine forth indeed!" -- Upanishads OM...Peace—peace—peace.

A Higher Calling Harold Earls, IV,Rachel Earls,2020-06-02 NATIONAL BESTSELLER • ECPA BESTSELLER • The husband and wife behind the popular Earls Family Vlogs share their inspiring love story of how an expedition to climb Mount Everest deepened their faith, strengthened their commitment, and sharpened their vision to make a difference in the world. As a senior at West Point, Harold Earls dreamed of summiting Mount Everest after graduation and bringing awareness to the issue of PTSD in soldiers and veterans. But as a novice mountain climber and newlywed, could he really leave his wife, Rachel, on the other side of the world to pursue such a dangerous quest? After all, Rachel's dream was to be a wife and mother. She knew that her husband's audacious goal might lead to her to give up everything. A Higher Calling takes us on a beautiful journey through the ups and downs of their relationship, from their unlikely introduction and whirlwind romance to their fairy-tale wedding and the dreams they shared. Dreams that required tremendous sacrifice and faith—in each other and in God. As their dreams are realized, witness how Harold and Rachel used their powerful bond of love to overcome obstacles and learn that life is about doing versus having, serving versus getting, being versus wanting. A Higher Calling shows each of us that when God's purpose and our passion meet, we can transcend any sacrifice we make on the mountains of adversity. And as we approach life with an attitude of thanksgiving, we realize that being joyful and living in love is worth it. Every time.

Homeschooling Myths Amy Earls,2021-09-13 Homeschooling has been in the educational mainstream for a few decades now. Over two million school-age children (K-12) are currently being homeschooled, and the number keeps going up. This is not a new phenomenon, and you can successfully teach your children at home. However, even with the rising number of homeschooled children in the United States, there are several myths that continue to make people question this viable, educational method. In *Homeschooling Myths: A Personal Perspective*, Amy Earls tells about her own experiences when encountering the various myths that concerned people felt the need to confront her with. While it is possible to find all sorts of helpful websites that talk about homeschooling myths, few share personal experiences related to those myths. Here, Amy

talks about how she has handled each myth presented to her and why the myth is, in her opinion, just that-a myth. Within the book, you will also find several quotes that pertain to homeschooling myths, educational quotes, and a brief description of the various methods of homeschooling. You might also encounter a few reasons for homeschooling that might resonate with you, personally. It is Amy's sincere hope that this book will help you in your own homeschooling journey or even help you determine if homeschooling is right for your family. If you have family members or friends that are questioning your decision to homeschool, pass this book along to them. Maybe it will help. If you are not in agreement with your loved one's decision to homeschool, perhaps this book will open your mind to the possibilities and opportunities that this educational method offers.
