DIN Standards In Germany, the responsible working body can decide to publish a German-language draft of a DIN ISO Standard or DIN IEC Standard. Within a two-month period, anyone may comment on this draft (for example via DIN's German-language draft standards online portal). *DIN - Deutsches Institut für Normung* Das Deutsche Institut für Normung e.V. (DIN) ist die unabhängige Plattform für Normung und Standardisierung in Deutschland und weltweit. **Deliverables - din-en** Like a standard, a DIN/TS is drafted according to the rules of DIN 820. DIN/TS offer the public the opportunity to use results from standardization projects that cannot be published as a DIN standard due to a lack of consensus or due to certain reservations about the content. *DIN - German Institute for Standardization* DIN Media Standards Solutions DIN Media is one of Europe's leading publishers for technical standards. **Standards Committees - din-en** One standards committee is responsible for each distinct area of activity and also coordinates the corresponding standardization work at European and international level. As a rule, the standards committee in DIN comprise a number of technical committees. **DIN & our partners** DIN and its subsidiaries provide comprehensive services for national, European and international standards work. We offer our customers a global network and over 100 years' experience. *About standards - din-en* Buy standards Standards and other technical rules from Germany and around the world can be purchased from DIN Media, DIN's publishing house. *A brief introduction to standards - din-en* Everyone knows the A4 paper size. But did you know that this internationally recognized standard was first published as a German Standard, DIN 476, as early as 1922? At present there are 35,000 documents in the German Standards collection. These are published by ... **Germany-China Standards - din-en** The portal is administered by the Standardization Administration of the People's Republic of China (SAC) and the German Institute for Standardization (DIN). Selected bibliographic data on some 60,000 standards that can be searched via the portal are updated each month. German Standardization Strategy - din-en DIN and DKE provide the world's leading moderation platform for standardization. They organize standardization topics and coordinate teamwork beyond the borders of their own organizations, including for fora and consortia and other standard development organizations.
