**JA Banks**

*Homegrown* Phasia, 2017-05-05 Its called Homegrown because thats what each of us are when we pull away all of the camouflagethe weeds. Like the unforgettable burning taste of hot moonshine or that cooling draught of country-iced water, the wild bittersweet juiciness of blackberries, and the sweet tartness of homegrown peaches both canned in an old-fashioned Mason jar, its who I am. Im a country girl whos been homegrown from seeds of love that were planted inside of me and sealed above by my Heavenly Father. Like harvested and cultivated fruit that you cant pick up just anywhere because theyre grown for a special purpose, so am I. They were His seeds that were planted inside of me before thoughts of me were even conceived in the mind of my parents. His purpose for me existed before I did. His seeds of purpose exist despite the weeds of self-abuse and childhood molestation. Those seeds were resistant to those same weeds because our Heavenly Father knew beforehand what was needed in the seed to make those shoots strong enough to survive. And now I know Hes counting on me to allow Him to nurture and prune them into the trees of prosperity and purpose for others to feed and feast upon. To manifest finally into the forest of faith Hes anointed and called me to be. I know God wants me to be a witness of His grace and goodness for the entire world to see. I am His forest of love, offering forgiveness and hope and giving emotional and physical release to millions of men and women who have been hiding behind their prideand their pain.

**If You Died Today, What Would You Want Your Child to Know** T. J. Freeman, 2005-01-01 Tomorrow is not promised to any of us... We have heard that phrase time and time again, some of us leave our children money and a will with warm words but is that enough? I don't think so. This book is my goodbye to my daughter. If I died right now, then this is what I want my daughter to know, about me, the situation between her mom and I, as well as life. I am her father, and there is much she should know. So much... I also wrote this book for any child who wants knowledge, the fundamentals. The rules in this book never change. This book is for all youth and parents, as well as my daughter. I hope you can appreciate the humor in it, as well as the lessons throughout. Tomorrow is not promised to any of us, and children are the future of this world. If you died today, what would you want your child to know?
