*Kisses and Lies* Ruth Havens,2022-11-21 Kisses and Lies By: Ruth Havens A future of possibilities begins when, with his kiss, he draws you into his arms, his world, his life. His kisses drew her unexplainably into the dream of a future with him. Possibilities. There is where she found herself two decades later, still intoxicated by him, still wanting him. She had been loving him for so long, so intensely, that other men in her life passed by as shadows. No one could replace him. Other men drifted through her mind and vanished, swallowed up in the memories of life with Corey. Their divorce had left her free, legally, but the words on the papers did not, could not, make her heart free. Their love affair could not be silenced. It refused to let go of the dream that had begun with his kiss. "Sometimes," she thought, "the heart knows things the mind can't explain."

**Kisses and Lies** T L Smith,2020-02-23 I met Marcus at a crematorium. That should have been my first clue to keep away. He was nothing I wanted. Yet, everything I needed. He was dark, dangerous. And I couldn't stay away. Even when I

wanted to. We made a deal-just our bodies. But lines got blurred. I asked for more than one night - I ended up asking for forever. What a mistake that was. What a mistake he was. Sometimes love burns. And sometimes kisses and lies are all you get.

Kisses & Lies Julie Cross, 2018-03 Als Ellies bester Freund tot aufgefunden wird, glaubt nur sie nicht an einen Selbstmord und beginnt zu ermitteln. DOch ihre Vergangenheit als Mitglied eines Trickbetruger-Clan und der neue unwiderstehliche Nachbar funkeln ihr dazwischen.

**Kiss Me with Lies** S.M. Soto, 2019-12-03 Two sisters. One unsolved murder. A sickening plot for revenge. When Mackenzie Wright attends her first real high school party, held somewhere deep in the woods of her small California town, no one expects to wake up the next morning to news of a gruesome murder. Especially not her own sister's. No suspects. No motive. No convictions. Just one unsolved murder and whatever's left of the now deserted town. Mackenzie has spent years with her sister's death weighing heavily on her shoulders, but it isn't until she stumbles across a photograph that changes everything for her. The memories, everything from that night, come flashing back in high-speed technicolor and Mackenzie soon finds herself obsessed with the truth. Determined to find out what really happened to her sister, Mackenzie relies on that one photograph to give her the answers she needs by embedding herself into the lives of five of the wealthiest men in Los Angeles. Consumed by her need for revenge, Mackenzie infiltrates the world of the rich and elite, only to come face-to-face with an alluring complication in the form an elusive playboy. When enemy lines are drawn, Mackenzie has to choose between her loyalty to her sister and the man who has stolen her heart.

Kiss Joseph P. Hradisky, Jr., 2017-02-09 The Kiss The touching of two lips, between two people, can tell each all they will ever need to know about each one - herein lies the truth for which neither can deny - it is either right or it is not - no grey area of confusion - life may contain so much to keep each one apart but when the first kiss occurs then there is nothing which can - not even time - keep them apart

**Kisses Don't Lie** Melvin Hardin, 2014-04-20 Phillip had it all. A perfect marriage, powerful friends and a thriving business. Until his wife (Shanta) decided to play with fire and found herself in another man's arms. To uphold her secret, Shanta had to lie to her husband, deceive her best friend and deny herself. Shanta found herself contending with her

daughter (Jasmine) who loved nothing more than her dad. Jasmine would do anything to make him happy. And hating her mother was just the beginning. Shanta was fooled by what she believed and gave herself to another. When she realized she had been used it was too late. The secrets they buried in their past had came back from the grave, and out of the closet came skeletons unimaginable. While Phillip fought to keep his family together, Shanta fought to maintain her affair. At first, everything seemed to work in her favor. Then, her past resurrected and once again Phillip had to choose between murder or forgiveness.
