*The B-I-B-L-E Volume 3* Jan Harthan, 2009-07-29 The Bible is God's Holy Word. It is the firm foundation to build our life upon. The B-I-B-L-E is a series that presents God's Word in a language and style accessible to children and early readers. Proverbs offers a wealth of advice for being happy and successful. Stay close to God, and keep good ideas in your heart. Then you will be thinking right. Then you will make good choices. Be careful about the words you say. Treat others with kindness. Have a happy heart. Romans teaches that everyone is far away from God. We can never be good enough to be right with God. Obeying the rules is not the way to be right with God. The only way to be right with God is to trust in Jesus. We need to ask him to forgive our sins. Then we will be part of God's family. Sin will not be the ruler of our life anymore. God will be the ruler of our new life. He will help us do what is right. [www.thebible4kids.com](http://www.thebible4kids.com) Jan Harthan and her husband, Dave, have served with Wycliffe Bible Translators since 1971. They worked for 19 years in Brazil and 10 years in Mozambique. She is a devoted wife, mother, and grandmother. Jan's passion is to help children understand God's Word at an early age. Her passion is to nurture in children the habit of daily reading of God's Word. A teacher by training, a copy editor by experience, and a follower of Jesus Christ by choice, she is utilizing her gifts to produce a paraphrase of God's Word that will grow and nurture children after God's own heart.

*'Behind' the Text: History and Biblical Interpretation* Zondervan, 2011-04-19 Christianity believes in a God who acts in history. The Bible tells us the story of God's actions in Israel, culminating in the ministry of Jesus of Nazareth and the spreading of the gospel from Jerusalem to Rome. The issue of history is thus unavoidable when it comes to reading the Bible. Volume 4 of the Scripture and Hermeneutics Series looks at how history has dominated biblical studies under the guise of historical criticism. This book explores ways in which different views of history influence interpretation. It considers the implications of a theology of history for biblical exegesis, and in several case studies it relates these insights to particular texts. "Few topics are more central to the task of biblical interpretation than history, and few books open up the subject in so illuminating and thought-provoking a manner as this splendid collection of essays and responses." Hugh Williamson, Regius Professor of Hebrew, University of Oxford, England "... breaks new ground in its interdisciplinary examination of the methodology, presuppositions, practices and purposes of biblical hermeneutics, with a special emphasis on the relation of faith and history." Eleonore Stump, Robert J. Henle Professor of Philosophy, Saint Louis University, United States "This volume holds great promise for the full-fledged academic recovery of the Bible as Scripture. It embodies an unusual combination of world-class scholarship, historic Christian orthodoxy, bold challenges to conventional wisdom, and the launching of fresh new ideas." Al Wolters, Professor of Religion and Theology, Redeemer University College, Ontario, Canada "The essays presented here respect the need and fruitfulness of a critical historiography while beginning the much-needed process of correcting the philosophical tenets underlying much modern and postmodern biblical research. The result is a book that mediates a faith understanding, both theoretical and practical, of how to read the Bible authentically as a Christian today." Francis Martin, Chair, Catholic-Jewish Theological Studies, John Paul II Cultural Center, Washington, D.C. Not only is history central to the biblical story, but from a Christian perspective history revolves around Jesus Christ. All roads of human activity before Christ lead up to him, and all roads after Christ connect with him. A concern with history and God's action in it is a central characteristic of the Bible. The Bible furnishes us with an account of God's interactions with people and with the nation of Israel that stretches down the timeline from creation to the early church. It tells us of real men, women, and children, real circumstances and events, real cultures, places, languages, and worldviews. And it shows us God at work in human affairs, revealing his character and heart through his activities. "Behind" the Text examines the correlation between

history and the Bible. For the scholar, student, and informed reader of the Bible, this volume highlights the importance of history for biblical interpretation, and looks at how history has and should influence interpretation.

Marching Orders C.R.Hopkins, 2017-04-11 Clive Hopkins's parents were Salvation Army Officers, which meant their sons had to endure six hours of religious meetings every Sunday (and no football), most kinds of pleasure (including girls) were off limits and friendships were disrupted by frequent moves to new postings. When finally at the age of 14 Clive was coerced into becoming a Soldier himself, it was a step too far, and like his older brother he rebelled and became a 'backslider'. He has now written this entertaining and moving memoir of a youth spent trying to balance the desire to enjoy a normal boyhood with the demands of his parents' calling. In his story, Clive captures evocatively a lost world - and finally resolves a family mystery.

Joy Comes in the Morning Carolyn A. Spangler, 2014-03 In a small town in southwestern Michigan, four lives teeter on the edges of happiness and despair. Emily is a divorced high school English teacher. She has a personal relationship with God; she knows He is a loving, forgiving father. Despite her relationship with Him, Emily can't seem to move beyond the past and a painful divorce that haunts her present, as problems with her ex-husband interfere with her current budding relationship. Her son, Tom, is twenty-two and was recently diagnosed with Parkinson's disease. Because of this, his young wife has left him. Although he has become a Christian, he wonders how he will cope with his uncertain future by himself. His younger sister, Katie, is twenty and in college. She wants to have faith in God, but she rebels because a caring God would not give her brother Parkinson's. As she struggles with depression, only time will tell whether anyone can help her turn her life around. Franklin works with Emily at the high school as a social studies teacher. His faith in God is strong, but due to rejection by the person he believed to be his true love, his faith in people is not. He wants to make things work with Emily, but her past may keep them apart. These four people struggle to fix things, but what they must realize is that while they can't solve their problems, God can.

Transformational Preaching David M. Brown, 2003-02 Transformational Preaching: Theory and practice is a comprehensive textbook for the beginning student of preaching, the graduate student in pulpit discourse, or the seasoned preacher. Seeking to reclaim the pulpit for biblical preaching, the book counteracts the popular teaching approach that is common today, and argues that preaching must be persuasive rather than informative, that the preacher is central to the act of preaching, and that through the preaching event, both preacher and listener together fashion the message and its meaning. Both theoretical and highly practical, the book offers a challenging look at all aspects of the preaching ministry. It contextualizes preaching in pastoral ministry and congregational worship, but, most significantly, argues that the practice of preaching must be informed and driven by theory. As such, the book draws from a wide perspective of disciplines, including biblical theology, classical rhetoric, contemporary human communication, public discourse, persuasion, linguistics, performance, and orality. The book's wealth of practical guidelines for every step of sermon development encourages students to apply general principles within their own contexts of ministry.

**Culture in Clinical Care** Bette Bonder, Laura Martin (PhD.), Andrew W. Miracle, 2002 Defines and describes culture and

its interaction with individual experience and personality in the development of beliefs, values, and actions. Information about cultural beliefs related to health and wellness are explored as they affect intervention strategies. Based on ethnographic methods, mechanisms for culturally sensitive assessment and intervention are considered. The text goes beyond traditional fact-centered approaches, taking the perspective that culture is emergent in individuals as they interact with the physical and social environment. The book fills a niche in the health professions programs because of its theoretical approach, its emphasis on strategies and methods for clinical interventions, and its importance of strategies for practice and self-assessment.

The polemics of Ageing as reflected in Literatures. Essays on Ageing in Literature and Interviews with Vikram Chandra, James Halperin, Doris Lessing, Zadie Smith and Terri-ann White , El envejecimiento no es sólo un proceso biomédico, sino también social, económico, psicológico, político y cultural. Las representaciones literarias del envejecimiento contribuyen a entender aspectos como el miedo a la decrepitud, la pérdida de creatividad o la muerte, las relaciones intergeneracionales y la sostenibilidad de la calidad de vida. En el libro, escritores y académicos discuten temas de vital importancia para nuestras sociedades actuales con artículos y entrevistas que reflejan actitudes positivas hacia el proceso en que todos estamos implicados.

**Emigrant** G. A. Agambila, 2015-09-23 The unquenchable desire of every young Ghanaian man is to have regular delicious sex and to get a visa to a European or North American country. He would pray fervently to God so long as He owes him his wants. But if enemy spirits, like a dictatorial father, deny him the chance to leave Ghana, he would stay, fleece the country, have more sex, and watch European football. For these desires, he'd make a fetish of the church or the mosque. Joseph Adenera Akolgo was one such young man. His friends who knew him before he was saved called him Ade. That was why most people called him Ade. His Christian friends called him Joe. He had slept soundly after having more sex than he asked for. He was thinking about his life and how he might leave Ghana and go to America.
