You can have full confidence in God no matter what season of life you're in right now. #2 Your personal vision statement is to use your creativity and enthusiasm to support and inspire others to freely express their talents in a harmonious and loving way. It's simple, but it takes time to develop. #3 I invite the Holy Spirit, as my counselor, to show me a solitary place where I can get my priorities straight. I will consider this place and time his official invitation to call me there, morning by morning. #4 The Proverbs 31 woman got up early and spent time with God, which gave her confidence. You should make time to meet with God and invest in your relationship with him.

Making Gender in the Intersection of the Human and the Divine Thomas Donlin-Smith, Muhammad Shafiq, 2019-02-07 This collection of essays challenges the traditional patriarchal approach to sacred literature by highlighting gender parity in sacred texts and envisioning the rise of the matriarchy in the future. The authors redefine Biblical Greek words like *malakoi* and *arsenokoitai* used in condemnation of homosexuality, and Qur'anic words like *darajah* and *qawwamun*, used for establishing patriarchy. One author reexamines the role of the Nepalese Teej festival of fasting and worship of the god Shiva in promoting male hegemony in Hinduism. Other papers examine passages like Proverbs 31:1-31, the stories of Sarah and Rahab in the Bible, the role of Mary in the Qur'an, and the Dharmic conversion in chapter 27 of the Lotus Sutra. This book makes it clear that sacred literature is subject to human understanding as it evolves through space and time. Today, as more

women are educated and actively engaged in political, economic, and social life, religions are challenged to redefine gender roles and norms.

Transparent Tina Campell,Sheeri Mitchell,2003 Like any famous music group, Mary Mary has a significant fan base.

While most celebrities' fans would be content knowing their group's favourite colours or fashion designers, the fans of Mary Mary look for more from this groundbreaking duo: they want to know how to live a creative, successful Christian life. In sharing Mary Mary's story, this is as much a guide to life as it is a biography. Many Christians, including musicians and other entertainers, have felt the push to sacrifice their morals or abandon their faith in exchange for commercial success. But legions of Christian fans hunger for artists who have 'made it' without compromising their walks with God. Mary Mary is one such group -- and with a Grammy, a Soul Train Award, and an NAACP Image Award nomination to prove it, they have been enormously successful. This book takes readers along on Erica and Tina Atkins' journey from growing up in Inglewood, California, with gospel-singing parents and six other siblings to singing with secular R&B and soul performers, to putting out platinum-selling Christian albums, all without selling out their beliefs. The sisters share how their faith in Jesus Christ helped them to overcome personal and professional obstacles. This book appeals not only to Christians, but also to anyone who appreciates strong music and a strong sense of integrity.
