So my heart gave your heart my love, and your heart gave my heart your love, and that circle has no end. CEO, Let's Get Divorced Jiang Moxi,2019-12-10 They had been married for three years, and they had also acted for three years.Smiling in front of others was akin to walking a strange road in front of others.She was just his facade, a doll he controlled.He spent every night with his sleeping woman. What she had was only the chilly moonlight and the spacious bed.I want a divorce!At the public dinner party, she removed her disguise and announced her decision.He leaned close to her ear and growled fiercely, Yuanzhi Rou, do you want to die?She smiled. Yes, I do.The heartache spread bit by bit, looking at the man in front of her who was deeply in love with her.Even if I die, I can't lose my face! There was no emotion in his cold voice.Want a divorce? If you can last a month, I'll sign it. A month of torture, what had truly worn away was the remaining love in her heart.Taking what belonged to him, he pushed open the door and performed with the woman. The woman's hair spread out like seaweed on the bed that once belonged to her.As someone who had just left home, she had nothing to offer. As someone who lived like a prince, she had no choice but to lower her head and work at a flower shop.Twenty days later, at his wedding, with his arm around the beautiful bride and her face smeared with ridiculous mud, he handed a bouquet of bride flowers to the beautiful woman.Did love exist? Perhaps he had already forgotten how to hate!He looked at the woman walking out of the auditorium and felt a twinge in his heart ...

All About You (Love & Hate Series #1) (New Adult, romance, college, sports, contemporary) Joanna Mazurkiewicz ,2020-08-15 New Adult Contemporary Romance, full length novel 83,000 words. I start hating Oliver just after his older brother Christian's death. I drag him down a road of humiliation and pain to try to cope with what his brother did to me. A few months after Christian's passing, Oliver leaves town, and for the next two years, he is absent from my life. The demons claw their way back in, and I must learn to live with the secret that has destroyed me. Now I'm starting a new life,

away from Gargle and away from my past, but everything crashes when I see Oliver the first day at university. It's clear that many things have changed since we've been apart. Now he is captain of the rugby team and the most popular bloke on campus. Then he makes a bet and gives me an ultimatum: I leave Braxton forever and start somewhere else, or I stay and play his game... because he's never forgotten that it was me who ruined his life two years ago.

Memoirs of a Broken Hearted Girl II Latonya D. Young,2014-05-08 Sophie has spent two years under armed guard. Now the walls are beginning to close in. Her life and the lives of her children are at risk. She still hasn't gotten over the brutal murder of her husband and those recurring nightmares that replay that awful moment, night after night, are driving her insane. She's itching at the bud to pay the men who murdered her husband a visit, but her love and respect for Jack is holding those desires at bay. Jack has given up too much for the safety of Sophie and her sons, for her to foolishly go off and risk her life, while seeking revenge. A string of midnight phone calls forces her to face that Taryn won't give up on having her, and their son. When Taryn murders another of Sophie's loved ones just to prove a point, it brings out the bad girl that she tried to control, and now that she has been unleashed, murder and revenge are the name of the game, and no amount of coaxing from Jack can keep Sophie from acting impulsively.

Breakfast with the Ones You Love Eliot Fintushel,2007-02-27 Meet Lea Tillim, aka Cadaver Dimples, Star of Morgues and Emergency Rooms. Scarecrow thin, with a sharp crew cut and a dead face, Lea's a girl with a talent. She can think you into a heart attack if you cross her—or, if she's feeling kind, just a bad case of indigestion. She has only one friend in the world, her cat, Tule. You see, a girl like Lea can't be too careful whom she shows her talent to. In her experience it only leads to troubles and tragedies. Now it's led her to Jack Konar, who's secretly building something strange and wonderful in an abandoned section of the local Sears and Roebuck. According to Jack, it's all part of a master plan to rescue the Chosen from this godforsaken planet. But the agents of the Evil Ones—cleverly disguised as ordinary people and sometimes even cats—are trying to stop him. Jack needs a girl with Lea's special talents. It would all sound just too crazy for words if the most dangerous and unexpected thing of all hadn't happened. After years of the best poker face grief could buy, Lea finds herself slowly coming back to life . . . and falling in love with the savior of the world.

Say You Love Me Elizabeth Castle, 2018-04-16 An outwardly cold woman with hidden passions. An ex-cop forced to protect her. The heart finds a way. Selena Powell doesn't let many people get close to her. Running a billion-dollar art and antiquities import business taught her to be careful who she lets inside her defenses, and she goes to great lengths to protect herself. But when she hires a friend of her nephew, she finds herself drawn to him. For Selena, the feelings she has for Carter Sullivan is uncharted territory. Ex-cop Carter Sullivan isn't thrilled to take the job at Powell Trading, but his finances dictate he can't be picky. He doesn't know Ms. Powell, nor does he really care to. He knows enough of her reputation from the press to know she is one person to avoid. She's cold as ice, but the more he's around her, the more he wonders if there isn't more to her. When Selena's security is breached, and her personal bodyguard is almost killed, she has no choice but to rely on Carter Sullivan to keep her safe. Though their personalities mix as well as oil and water, both find themselves drawn to the other. And if they are to find true love, both will have to let their guards down and see one another for who they really are. Note from author: "This is the third book in The Heart's Way series, approximately 55,000 words. Selena and Carter's story came together almost in tandem with the second book. I fell in love with Jack from Book 2 Ask Me To, but when Selena popped on the scene toward the end, she intrigued me. I hope you find her story as enjoyable to read as I found writing it. All The Heart's Way books can be read separately, but like most series, it's more fun in order. All books in the series are available now. Please note this is an open-door romance. I hope you enjoy." - Elizabeth Castle.
