John S. Darden

Thru the Bible Commentary Dr J McGee,1993-12-12

Walk Thru the Book of Acts, A Baker Publishing Group,2010-07 Appalachian legend describes a mysterious, multiethnic population of exotic, dark-skinned rogues called Melungeons who rejected the outside world and lived in the remote, rugged mountains in the farthest corner of northeast Tennessee. The allegedly unknown origins of these Melungeons are part of what drove this legend and generated myriad exotic origin theories. Though nobody self-identified as Melungeon before the 1960s, by the 1990s Melungeonness had become a full-fledged cultural phenomenon, resulting in a zealous online community and annual meetings where self-identified Melungeons gathered to discuss shared genealogy and history. Although today Melungeons are commonly identified as the descendants of underclass whites, freed African Americans, and Native Americans, this ethnic identity is still largely a social construction based on local tradition, myth, and media. In *Becoming Melungeon*, Melissa Schrift examines the ways in which the Melungeon ethnic identity has been socially constructed over time by various regional and national media, plays, and other forms of popular culture. Schrift explores how the social construction of this legend evolved into a fervent movement of a self-identified ethnicity in the 1990s. This illuminating and insightful work examines the shifting social constructions of race, ethnicity, and identity both in the local context of the Melungeons and more broadly in an attempt to understand the formation of ethnic groups and identity in the modern world.

Disciple I Becoming Disciples Through Bible Study: Study Manual Richard B. Wilke, Julia Kitchens Wilke Trust, 2010-09-01 DISCIPLE is a program of disciplined Bible study aimed at developing strong Christian leaders. The study gives the Old and New Testaments equal time, emphasizing the wholeness of the Bible as a revelation of God. DISCIPLE draws upon the work of scholars, the personal Bible reading and study of the participant, and dynamic group discussion to aid understanding of the Bible. The first study in the program is DISCIPLE: BECOMING DISCIPLES THROUGH BIBLE STUDY, a thirty-four week overview of the entire Bible. Commitment and Time Involved Three and one-half to four hours of independent study each week (40 minutes daily for leaders and 30 minutes daily for group members) in preparation for weekly group meetings. Attendance at weekly 2.5 hour meetings. Study Manual Each member of the group needs a study manual and a Bible. The Bible is the text for the study and the study manual will guide group members in their study and preparation for the weekly group session. The study manual also includes suggestions for individual and study-related activities. Space is provided for taking notes while reading Scripture, for recording thoughts and questions arising out of daily study, and for notes during the weekly group session. The titles of the sessions along with theme words and theme verses, and major persons, events, and topics will set the sequence of the biblical story in the minds of the participants. The principal Scripture for each session follows the chronological movement of the biblical story. We recommend the New Interpreters Study Bible More Questions? Visit www.cokesbury.com/disciple.

Doctrine and Experience Christopher Charles Zito, 2016-06-30 Should evangelical spirituality be grounded in doctrine, experience, neither, or both? If in one, which, and why not the other? If in both, how might the two co-exist without cancelling out each other's distinctives? If in neither, then what practical value does either have for the Christian life? In this book, the author has combined critical research, pastoral awareness, and thoughtful reflection to show how the radicalizations of doctrine and experience have not only polarized contemporary evangelicalism into two nearly irreconcilable camps, but also has opened the door for a subtle but potent form of idolatry to creep into our midst. In an attempt to purge these idols and bridge the gap, this book contextualizes the biblical teachings and practices of our original spiritual instructors, asking the double-edged question of what it means for us today that the Word of God is normative and that the Spirit is Lord. The author concludes that evangelicals should seek an incarnate, cross-centered spirituality that is informed by meticulous attention and obedience to sound doctrine, but only as it is lived out in a deeply felt faith that is made perfect as we experience God daily in any number of ways.
