**It's All About God's Love** William T. Kremmell, 2019-03-21 In today's society couched in secularism, relativism, and general moral decline, many people may have lost a sense of sin and are struggling to embrace the importance of spiritual healing. Thankfully God always welcomes us back to experience God's merciful and healing love. In an uplifting and deeply spiritual presentation, retired priest William Kremmell underscores a basic truth of Christian faith: that our God is a God of unconditional, all-embracing love and forgiveness for all people, revealed in Jesus. Throughout his study, Father Kremmell examines why God's love is everlasting, why we are all sinners, the major reasons why Catholics do not approach the Sacrament of Reconciliation, and the reasons why they should return to this grace-filled experience—all while helping believers find a healthy sense of sin, a new appreciation of the God who is love, and a better understanding of the Sacrament as a sign of God's merciful presence and life-giving power in our lives. *It's All about God's Love* is a retired priest's exploration of the Sacrament of Reconciliation and why it needs to be renewed and restored as an integral element of the spiritual journey of today's Catholic.

*The Most Important Decision You'll Ever Make* Sanford Zensen, 2021-11-30 The key to successful daily living is found in two words — “Choose life!” (Deuteronomy 30:19), a simple, insightful, uncomplicated principle, predicated on an intimate knowledge of God and choosing to follow Him. The book encourages the reader to make a definitive, decisive, life-changing decision regarding Who God is, what He is like, and what He requires of every individual. Throughout the book we are challenged to “search for Him” with all our heart and soul (Deuteronomy 4:29) until we find Him and discover that we can no longer “hesitate” between two opinions. “If the Lord is God, then follow Him” (1 Kings 18:21 NIV). Either you stay as you are and settle for business as usual in your daily life, continuing on as you’ve always been living and missing the miracle and joy of drawing close to God and the benefits thereof, or you take the sacred journey seriously, follow God as His Spirit leads, walk by faith through the day, rely on His promises, and trust His faithfulness, wisdom, love, and Word. It is *The Most Important Decision You'll Ever Make*, which will take you on a journey you could never have imagined or thought possible.

**Who Wrote It? A Dictionary of Common Poetical Quotations in the English**, 1879

*God Loves Your Work* Larry Peabody, 2022-03-03 If you know God loves your work, you can—as Paul put it—“work at it with all your heart.” But too often even Christians find it hard to engage fully with what occupies them for hours every day. This book will help you relate your work to God's eternal kingdom purposes. Here you will find not just one or two but several biblical reasons for getting up and going to work. During your lifetime you will spend, perhaps, 100,000 hours working in

paid or unpaid work. Will you see spiritual significance in those hours? In the end, will they really matter? These easy-to-read chapters will help you view your daily work within a new and much larger perspective. For example, what if you were to begin seeing your work as a worship offering that God gladly receives? Or what if you were to discover how he intends to use your work to further your own spiritual growth? Get set to move from “Thank God, it’s Friday!” to “Wonderful, it’s Monday again!”

*Things You Probably Didn't Learn in Church* Jerry Blount, 2015-02-03 As a Bible researcher and teacher of over forty years, I have noticed that there are certain topics in the Bible that most Christians know little, if anything, about. For instance, do you think heaven will be a boring place? Many Christians do, so why would they be looking forward to going there? Learn the real facts. Do you know the next prophecy to be fulfilled will be the Rapture, when Christ will return to take the believers home to heaven. Many Biblical scholars believe this will happen soon. You need to be ready. Are you aware that there is an unbelievable amount of evidence that proves that Jesus lived, was crucified, and rose again. The Bible contains information that could not have been written without divine inspiration, including advanced knowledge about nature, prophecy, medicine, sanitation and science; knowledge that was thousands of years ahead of its time. Fulfilled prophecy and archaeology discoveries are proving the scriptures to be true. The effects of Satan and his demons are all around us broken marriages, depression, private doubts about God, divided churches. You need to be aware of his tactics. Are angels involved

in our everyday lives? Do you have your own guardian angel? These questions and many, many more are answered in this book. Many years ago I asked God to give me a hunger for His word. He honored that request far more than I anticipated. I truly enjoy studying, researching, and sharing the scriptures. God has blessed my wife and myself in so many ways. We live in a beautiful part of the country, Michigans Upper Peninsula. God has also blessed us with a great son and daughter, their spouses and the four greatest granddaughters ever. I am a blessed man!

In the Solitude of the Night Virginia Egbujor,2017-12-30 A volunteer named Joyce Ryan lost her befriended elderly lady; in an unexpected circumstance. In general terms, it brought to the fore the widespread concept of loneliness and isolation; particularly in the elderly and the disabled. The sad occurrence caused the bereaved volunteer, and her associates to instigate debates and discussions, including reviews of the structure of care and contacts with those deemed to be vulnerable in the United Kingdom. The time, and nature of her befriended elderly ladys loss, brought back memories of her early deprivations in her own life. She also had extended reflections on the caring, giving and inclusive life of the lady that passed away.

Groundless Gods Eric Hall,Hartmut von Sass,2014-08-01 *Groundless Gods: The Theological Prospects of Post-Metaphysical Thought* deals with possible interpretations of an emerging interest in contemporary theology: postmetaphysical theology. This book attempts to openly come to grips, not only with what metaphysics and postmetaphysics imply, but also with what it could mean to do or not do theology from the standpoint of the nonmetaphysician. The book asks,

for instance, whether this world has any singular definition, and whether God is some being standing apart from the world or an experience within the world.
