The Story of Cupid and Psyche as Related by Apuleius (Classic Reprint) Madaurensis Apuleius,2015-07-05 Excerpt from The Story of Cupid and Psyche as Related by Apuleius As far as I know, there is no separate English edition of the Cupid and Psyche of Apuleius; and accordingly the present endeavour to produce one must have all the defects of a first essay in a difficult field, super-added to the many failings which can justly be laid to the charge of my own deficiencies. Besides, the strange and unclassical nature of the language precluded my having the continuous assistance of my colleagues, as it would have been too great a strain on friendship to ask for their constant help in editing such an out-of-the-way book. On these

grounds this edition begs for the utmost indulgence which any reader can find it in his conscience to extend to an attempt to break ground in a domain far away from the beaten track. Cupid and Psyche Apuleius, 2019 Cupid and Psyche first appears in a early, risqué novel by an African Roman of the 2nd century CE. His name was Lucius Apuleius, known as Africanus. His novel is thought to give us inside details of the workings of ancient mystery rites, as well as this charming romantic story of love between a mortal and a god. The myth of Cupid and Psyche is one of the great love stories of the ancient world and it even has a happy ending. It's also a myth in which a heroine must prove her mettle by coming back from the dead. Psyche is a stunningly beautiful princess, the youngest and most beautiful of three sisters, so lovely that people begin worshiping her rather than the goddess Venus (Aphrodite in Greek mythology). In jealousy and rage, Venus persuades her son the infant god Cupid to make Psyche fall in love with a monster. Psyche discovers that she is revered as a goddess but never sought for human love. Her father seeks a solution from Apollo, who tells him to expose her on a mountaintop where she will be devoured by a monster. In obedience, Psyche goes to the mountain, but instead of being devoured she wakes to find herself in a gorgeous palace and ministered to by unseen servants in the daytime, and joined by an unseen bridegroom in the nights. Against her lover's wishes, she invites her plainer sisters to the palace, where their envy is excited, and they convince her that her unseen bridegroom is truly a serpent who she must kill before he eats her.

Apuleius: Cupid and Psyche Apuleius, 1990-12-06 Apuleius' story of Cupid and Psyche, the relationship of the human Soul with divine Love, is one of the great allegories of world literature. It forms an integral part of and profoundly illuminates the message of his novel *Metamorphoses* or *The Golden Ass*, which relates the adventures of a young man and his spiritual fall and redemption. To enrich and deepen his basic plot, the origins of which are obscure, Apuleius has combined poetic sources, Platonic philosophy and popular iconography in an unprecedented tour de force of literary creation. This edition sensitively elucidates the subtle art with which this transformation has been accomplished, and comprehensively illustrates both Apuleius' inventive handling of his various models and sources and the exuberant and idiosyncratic Latinity with forms the vehicle for it. It places in a fresh light the results of recent work on the ancient Novel and on Apuleius himself, and offers a stimulating, occasionally provocative, reading of his much-discussed text. The Latin is accompanied by a facing English translation, making the edition more accessible to students of comparative literature as well as to classicists.

The Story of Cupid and Psyche Apuleius, 2015-01-24 From the Foreword. LUCIUS APULEIUS was born about the year A.D. 114, at Madaura, a city on the borders of Numidia and Gætulia, which must not be confused with the Numidian town of the same name, which is now Ayedrah. His father, who was an Italian, had settled at Madaura, where he attained high office and amassed a considerable fortune. He sent his son to school at Carthage, then the second city of the world, and dying, bequeathed him his fortune. Lucius Apuleius then started on his travels, and spent the next ten years of his life wandering through Greece, Italy, and the East, studying rhetoric, philosophy, and especially magic. At the age of twenty-five he returned to Madaura where he appears to have practised as a barrister. Love of knowledge soon drove him again from home, and he started for Alexandria. The cold and fatigue of travelling made him break off his journey at Tripolis, where he met and married a wealthy widow, considerably older than himself. He was accused by her relatives of having gained her affections through magic, but was acquitted after having delivered the Apology that has come down to us. Soon afterwards he went to Carthage, where he attained the greatest renown, both as a pleader and as a teacher of rhetoric. Here he spent the rest of his life, dying in the year A.D. 191, about the age of sixty-six. Of his numerous writings, all that have come down to us, are The God of Socrates, The Florida, The Apology, The Doctrines of Plato, Description of the World, Asclepius, and the romance The Metamorphoses, or, as it is sometimes called, with very little reason, The Golden Ass. The story of The Metamorphoses tells how a young man is turned by magic into an ass. With the loss of his human form he loses his power of speech, but retains his human intelligence. In the course of his adventures he falls into the hands of a band of robbers, who also capture a beautiful maiden. When setting out to seek further booty, the robbers leave the maiden and the ass in the charge of a half-tipsy old woman. This old hag, in order to divert the maiden's thoughts from the evils of her situation, tells her the following story.
