Love Letters Bryan Mooney, 2011-12-22 “My Dearest Darling,” the love letters began, and try as she might, she could not stop reading the letters she found in the old books. After reading one she was compelled to reach for another. Her curiosity urged her on. She could not stop... If you found a love letter in an old book, would you read it? Suppose you purchased some books from a bookseller at a flea market and upon returning home discovered love letters inside, what would you do? Would you read the letters? Would you try to return them? Would you destroy them? That is the dilemma that Katie Kosgrove finds herself in when she discovers love letters written by the man she knows only as Jack. Curious but unable to locate him to return the love letters, she begins to read. The letters all begin with the same greeting, “My Dearest Darling,” and they each end with, “Forever Jack”. The letters start to transform her life in ways that she never would have imagined. She is thankful to the handsome stranger she met only once. Katie knows exactly what she would say to him if she were to ever see him again, until one day he reappears, back in her life. Their world begins to change once more, but the letters have an awesome power over both of them, until...

*Love & Salt* Amy Andrews, Jessica Mesman Griffith, 2013-01-01 When Amy Andrews and Jessica Mesman Griffith met in a creative writing class in graduate school, they both confessed to writing about God. They bonded one night while reading the Book of Ruth and came to truly understand the unlikely friendship of Ruth and Naomi. In these two Old Testament women, they witnessed a beautiful spiritual friendship and a way of walking with one another toward God. But how could they travel this path together when they would be separated by distance and time and leading busy lives as they established marriages and careers? They decided to write letters to each other—at first, for each day of Lent, but those days extended into years. Their letters became a memoir in real time and reveal deeply personal and profound accounts of conversion, motherhood,

and crushing tragedy; through it all, their faith and friendship sustained them. Told through the timeless medium of letters—in prose that is raw and intimate, humorous and poetic—Love & Salt is at its core the emotional struggle of how one spiritual friendship is formed and tested in tragedy, tempered and proven in hope.

The first volume in the bestselling Letters of Note series was a collection of hundreds of the world's most entertaining, inspiring, and unusual letters, based on the seismically popular website of the same name--an online museum of correspondence visited by over 70 million people. From Virginia Woolf's heartbreaking suicide letter, to Queen Elizabeth II's recipe for drop scones sent to President Eisenhower; from the first recorded use of the expression 'OMG' in a letter to Winston Churchill, to Gandhi's appeal for calm to Hitler; and from Iggy Pop's beautiful letter of advice to a troubled young fan, to Leonardo da Vinci's remarkable job application letter. Now, the curator of Letters of Note, Shaun Usher, gives us wonderful new volumes featuring letters organized around a universal theme. In this volume, Shaun Usher turns to the subject of love. What emotion inspires humans to put pen to paper more than love? It's unsurprising that love letters provide an endless source of extraordinary writing. Letters of Note: Love gathers together some of the most powerful messages about love ever composed, whether inspired by love's first blush or the recriminations at its ending, the regrets of unrequited feelings and the joys of passions known.
