The Country Almanac of Home Remedies Brigitte Mars, Chrystle Fiedler, 2014-04-01 Natural Wisdom for Curing Every Ache, Pain, and Ailment As little as a few decades ago, folk remedies were a part of everyday life. More often than not, our grandparents would go to their garden or kitchen pantry before they went to a doctor to treat everyday health complaints. Today, scientific studies are proving what Grandma knew all along—natural remedies are oftentimes just as effective as modern cures, have fewer side-effects, and cost just pennies. Moreover, natural remedies have stood the test of time. Peppermint has been used to soothe upset stomachs long before Pepto-Bismal and ginger has been used for its antibiotic properties for thousands of years in Asian medicine. Learn how to quickly and naturally treat over 100 common conditions with everyday cures: —Use Apple Cider Vinegar and Honey to break up congestion —Black or Green Teabags will take the sting out of a bad sunburn —Drink Beet, Celery, and Cucumber juice to soothe a shingles outbreak. —Inhale oil of Geranium to calm a hot flash —Apply a Witch Hazel compress to treat varicose veins —Pumpkin Seeds improve male potency —Burnt Toast soaks up internal toxins —Epsom Salt bathes heal the lymphatic system Filled with thousands of surprising cures, each entry gives multiple remedies for each condition from herbs, to healing foods, to acupuncture and yoga poses. Hundreds of step-by-step illustrations show you the right way to administer a treatment from making herbal tinctures to applying a poultice. Dosage guidelines are given for every remedy as well as safety guidelines, contraindications, and when to call a doctor.

Inside Poop Scott W. Webb, 2005-11-21 This book kept me reading all night. I couldnt put it down! -- Brad DeMeulenaere I had my first colonic at age 26. I am now 56 and have seen a total of five colon hygienists, four within the past six years. Ive been through the forest of medical doctors and many different alternative health practitioners. Much of the time, I have sensed a frustration from them. Sometimes its a frustration that they cant figure out how to help me and sometimes it feels like a cumulative frustration from all the others they havent been able to help. But sometimes I feel that their frustration is directed to me personally, as if they wished I would just get myself together and feel better. Lord knows, I havent always made the best choices for my health. When I saw Scott Webb, I felt a lack of that frustration and no hint of blame. It was evident to me that he saw the big picture and how we have been affected by our culture. Scotts message was truly one of

hope which brought me a sense of relief and peace. That is definitely a place where healing can begin, when you feel no blame, just peace and hope. -- Victoria Lovett One of Americas leading colonic therapists gives you the inside scoop on digestive disorders that you or a loved one might be experiencing. Learn how to: cleanse your colon and your whole body, reduce your risk of common diseases, understand the deeper issues of weight loss, beat underlying causes of depression, improve your diet to overcome constipation, visualize yourself well and feel better every day! Scott W. Webb dares to defy conventional wisdom about health and proves beyond a shadow of a doubt that he knows the inside poop about many secrets you have not heard yet -- until now!
