David Allan Campbell

Dead Space: Martyr Brian Evenson, 2010-07-20 The first novel in the multi-million dollar video game franchise Dead Space When geophysicist Michael Altman hears of the mysterious signal emitted from deep within the Chicxulub crater, he can not resist the lure of an undiscovered artifact. With his girlfriend Ada, he joins a team excavating the underwater crater, determined to find the source of the baffling message. The artifact, named The Black Marker, possesses a mysterious power. Close proximity to the stone causes strange occurrences: visions of the dead, vivid dreams, and violent murders. When Michael secretly obtains a small piece of the marker, he too begins to dream. The Black Marker has chosen him to hear his message: You need to prove yourself worthy of eternal life, or the slate will be wiped clean on Earth. This is the story of the origin of The Black Marker, the foundation of the Church of Unitology, and a discovery that will change the world. Immobility Brian Evenson, 2012-04-10 From the award-winning author Brian Evenson comes Immobility, a far-future thriller that looks at a post-human world struggling to stay human When you open your eyes things already seem to be happening without you. You don't know who you are and you don't remember where you've been. You know the world has changed, that a catastrophe has destroyed what used to exist before, but you can't remember exactly what did exist before. And you're paralyzed from the waist down apparently, but you don't remember that either. A man claiming to be your friend tells you your services are required. Something crucial has been stolen, but what he tells you about it doesn't quite add up. You've got to get it back or something bad is going to happen. And you've got to get it back fast, so they can freeze you again before your own time runs out. Before you know it, you're being carried through a ruined landscape on the backs of two men in hazard suits who don't seem anything like you at all, heading toward something you don't understand that may well end up being the death of you. Welcome to the life of Josef Horkai.... At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The Warren Brian Evenson, 2024-03-26 A creepy, mind-bending quest of identity and mystery, told with a master's skill. No one explores inner landscapes quite like Brian Evenson. —Jeff VanderMeer, New York Times—bestselling author of Annihilation X doesn't have a name. He thought he had one—or many—but that might be the result of the failing memories of the personalities imprinted within him. Or maybe he really is called X. He's also not as human as he believes himself to be.

But when he discovers the existence of another—above ground, outside the protection of the Warren—X must learn what it means to be human, or face the destruction of their two species. The Warren is a novella from Brian Evenson, the award-winning author of *Last Days*. A suspenseful, darkly comic tale . . . The Warren is chilling because X's situation is not only impossible but truly, inherently irresolvable. It ends as all horror stories should, with a question mark. —The New York Times Book Review Area X meets Duncan Jones' first and finest movie *Moon* in a marvelously mystifying novella that wants to know what it means to be human in a world where people can be constructed like sculptures shaped from clay. — The Speculative Scotsman What is a human? What is a person? The Warren is a truly original exploration of these questions—the kind of work that causes one to re-examine long-held certainties. Profound and deeply unsettling, in the best way possible. —Charles Yu, New York Times–bestselling author of *Interior Chinatown*

word on the street, eBook Rob Lacey, 2009-05-18 For those who've never read the Bible and for those who've read it too much. Lacey's "dangerously real" retelling of Scripture vividly demonstrates that the Bible is packed full of stories, poems, and images that resonate with the big issues of today. This fresh paraphrase-come-running-commentary brings the text alive: Bible stories are retold as mini blockbusters; psalms as song lyrics; epistles as emails; Revelation as seen through a virtual reality headset. Out with stale religious terms, here's a "Bible" which talks today's language—gritty, earthy, and witty. Enough starting at Genesis with good intentions and getting lost in Leviticus—Lacey succeeds in revitalizing a classic work by focusing on the big picture: fast-forwarding through the "slow-moving" bits with pace, passion, and energy to make the Bible a page turner. Lacey's tour de force was created during a remarkable personal journey through terminal cancer: the stuff Bible stories are made of. This life-experience injects Lacey's take on Scripture with authenticity and authority—resonating with Bible characters who also wrestled with the big questions. Purist alert: This is not THE Bible (capital B)... but it might just get you reaching for one.

Fox's Book of Martyrs John Foxe, 2024-10-25 Discover the harrowing tales of courage and faith in Fox's *Book of Martyrs* by John Foxe. This pivotal work, first published in 1563, chronicles the brutal persecutions faced by Christians throughout history, highlighting the unwavering spirit of those who stood firm in their beliefs against overwhelming odds. As you journey through the pages of this compelling narrative, ask yourself: What price would you be willing to pay for your faith? Would you stand up against tyranny, knowing the cost? Foxe meticulously details the lives and sufferings of martyrs, from the early Christians to those persecuted during the Reformation. His vivid accounts serve not only as a testament to their bravery but also as a powerful reminder of the ongoing struggle for religious freedom. Are you ready to bear witness to the sacrifices that have shaped the very foundation of your beliefs? Fox's *Book of Martyrs* is more than a historical account; it's a stirring call to remember those who fought for the right to believe. Foxe's passionate prose invites readers to reflect on the importance of faith and resilience in the face of adversity. This work remains a crucial piece of literature for anyone seeking to understand

the complexities of faith, sacrifice, and the fight for freedom. Don't miss your opportunity to delve into this extraordinary chronicle of faith. Purchase Fox's Book of Martyrs now and join the legacy of those who dared to stand for their beliefs!

Evidence that Demands a Verdict, eBook Josh McDowell, 1999-10-13 Among important books in the defense of Christianity, this one has few equals. Evidence That Demands a Verdict is an easy-to-read, front-line defense for Christians facing the tough questions of critics and skeptics. Using secular evidences and other historical sources, Josh McDowell's faith-building book is a must read for every Christian.

The Making of a Martyr David Allan Campbell, 2022-01-12 This is both a work of fiction and nonfiction. The work of fiction concerns the journal of one man's journey through the maze of a dystopian world, written subsequent to the rapture of the church during the rise of the new world order along with the prophesied coming of the Antichrist. It is written as a testimony to others that will be following in his footsteps to both warn and to encourage those now living in a world where to be known as a believer is an immediate death sentence. The non-fiction portion of the book is based upon over forty years of extensive study of the Word of God and will illuminate my reasoning behind the events and their timeline as depicted in this tale with extensive scriptural support. I am one who believes in Sola Scriptura--the Word alone defines and interprets itself. This book is a testimony to the sovereignty of God and as witness to those who find themselves living during these soon coming perilous days. For those who are longing for our Lord's return, may this book encourage the reader to delve deeper into his Word. Book Two The Journey of a Martyr's Companion (coming soon).
