Fate of a Royal Meagan Brandy,Amo Jones,2023

Fate of a Royal Meagan Brandy,Amo Jones,2025-07-29 You will go to Rathe University, live among the giftless and those of light magic. You, Knight Deveraux, will learn to coexist. I've never heard more wasted words in my life. Then again, the gifted counsel never did have much to say that wasn't. The only members amongst them who speak a thing worth listening to are my parents, the King and Queen of the Stygian's, the people of Dark Magic. Unfortunately for me and my brothers, they've chosen to play nice instead of sinking their talons into anyone who dares demand a thing from their heirs. In this instance at least. Every gifted is forced to leave our realm behind after graduation to spend the next four years in a world that isn't ours, while pretending it's enough for those with something deeper clawing beneath their skin. It isn't. Not by a long shot, and while it's as boring as I thought it would be, we find ways to entertain ourselves. A little Fae Dust, the power of persuasion, and it's a party worthy of a royal ... or four. That was fun the first year, but it's my second now, and the minute I got back to campus, I knew it would be worse than before. I felt it, that pull buried beneath my skin, the whisper of a warning deep in my mind I could hear but couldn't reach. It starts with a human party and ends with a nightmare. A five foot, white haired one. With eyes like ice and a body begging to be bitten, she's a problem. A giftless one. That's right, she's human. Worthless. And if the shadow circling my soul is telling me what I think it is ... she belongs to it. My new obsession ... is my fated mate. But there is no way the fates would give me, a Lord of Rathe, a heir to the throne of dark magic, a giftless girl. I'll prove they got it wrong. That she's not mine. If I'm lucky, I'll destroy her in the process.

BuNos! Disposition of World War II USN, USMC and USCG Aircraft Listed by Bureau Number Douglas E. Campbell,2012-02-01 A snapshot in time. After thousands of hours of research and data entry over a 35-year period, the information on the disposition of some 25,000 US Navy, US Marine Corps and US Coast Guard aircraft needs to be published. These aircraft mainly represent those built and lost during World War II - between 7 December 1941 and 15 August 1945 - but this book also contains aircraft built before WWII that were lost during WWII or disposed of after WWII (lost during the Korean War, lost on training exercises, sold to private investors, currently located in museums and even some still proudly sitting as gate guards across the US, etc.).

Royal Autobiography in the Book of Qoheleth Yee-Von Koh,2006 This book examines the literary genre(s) to which the

book of Qoheleth belongs and on which it is modelled. It suggests that Qoheleth is best described as a royal autobiography based on the arguments of specific literary features of style and content, resemblance to various kinds of royal autobiographical narrative from the ancient Near East, and the existence, despite first impressions, of a coherent worldview. The analyses in this book cover various aspects from textual criticism, through aspects of vocabulary and style, to the interpretation of particular passages and the problem of making sense of the book as a whole.
