**Hate to Love You** Jennifer Sucevic, 2020-09-22 From USA Today bestselling author Jennifer Sucevic comes a steamy, enemies-to-lovers, fake dating new adult sports romance that is laugh out loud funny featuring a strong heroine and the cocky hockey player who falls first and hard for her. Brody McKinnon is Whitmore University's star defenseman destined for NHL greatness. He made a name for himself playing juniors before gracing us with his esteemed presence. As much as it pains me to admit it, he's exploded at the college level. While other girls fall all over themselves trying to gain his attention, I do my best to steer clear just as I would a particularly nasty case of crabs. For reasons I can't fathom, Brody takes great pleasure in messing with me. And I, in return, enjoy slicing him to ribbons with my razor-sharp tongue. You'd think after three years, he'd learn to keep his distance. No such luck. Unfortunately for me, I'm about to experience the worst week of my life. It starts with my ex-boyfriend announcing at a party that I'm a lousy lay. He's the hockey-playing jerk I dated last year who left a bad taste in my mouth (\*eyeroll\* seriously...get your mind out of the gutter). Want to guess who rides in on his trusty white steed to rescue me? Or should I say, opens his big mouth? Yep, you guessed it. Brody freaking McKinnon, the guy I love to hate. He only makes matters worse by telling everyone that we're together and then punching Reed in the face. The first...I plan on strangling him for. The second...I'm only sorry I didn't get to Reed first. Now I'm stuck fake-dating Brody, the one guy who makes me feel like a rabid dog on a choke chain, for the foreseeable future. I guarantee we won't last more than seventy-two hours without me killing him. --- "This book just made it to my favorites list for sure!" -Christy, GoodReads "This book was cute and had me instantly loving the pair together. Love You Never Jennifer Sucevic, 2023-09-04 From USA Today bestselling author Jennifer Sucevic comes a steamy, enemies-to-lovers, frenemies-with-benefits new adult sports romance that is laugh out loud funny featuring a strong heroine and the cocky hockey player who falls first and hard for her. It all starts with a little game of truth or dare... That was my first mistake. I've never been able to resist a dare and he damn well knows it. Trust me, I realize it's a personal flaw I need to work on. My second mistake? If I had to hazard a guess, I'd say it was when I agreed to a frenemies-with-benefits situation in order to get him out of my system once and for all. The third one, just in case you're wondering, was in thinking this wouldn't explode in my face if I came up with a list of rules for us to follow. 1- This is in no way a relationship. It's strictly dickly. 2- No sleeping with other people while knocking boots. 3- Our situationship stays on the downlow. But then he tacked on one of his own—no getting myself off unless it's in front of him. Oh...did I forget to mention that the guy in question is Ford Hamilton, my ex-stepbrother? The very same one who may or may not remain an ex for long. There's only one thing left to say... FML. -- ---- "Obsessed. 100% and totally obsessed!" - Thorrun, Goodreads Reviewer "The push and pull relationship and snarky, playful banter between Ford and Carina was absolutely electric. It was fun and humorous and full of sparks. Their chemistry was off the charts and the steam in this one is sizzling. Full of so much heat, a bit of angst and a lot of heart, Love You Never was a fast-paced, addictive story that was a lot of fun. Ford and Carina were passionate, playful and lit up the page." - Amy, Goodreads Reviewer "Let me just say that the way Ford has a dirty, delicious mouth on him and I am here for it!" - Sandy Reads, Goodreads Reviewer ---- Read the entire Western Wildcats Hockey Series Hate You Always Love You Never Never Mine to Hold ---- Keywords: Sports romance, alpha male, Sports romance books, Hockey romance, romance, Enemies-to-lovers, Fake dating, Forced proximity, College, university romance, College romance, College sports romance, He falls first, College hockey romance, humor, laugh, sexy, swoony, Off-limits romance, Campus Series, Claremont Cougars, Barnett Bulldogs, Romance book, Best seller, New release, Swoon, Funny, love, friends, Hate to Love You, King of Campus, Campus Player, playboy, romance series, steamy, spicy, hot, hot romance, sparks fly, new adult, new adult sports romance, athlete, good girl, bad boy, opposites attract, hockey player, player, student, girl next door Readers also enjoyed books by: Natasha Madison, Kristen Callihan, Anna Todd, Nana Malone, Sarina Bowen, LJ Shen, Lucy Score, Elle Kennedy, Helena Hunting, Rebecca Jenshak, Gina Azzi, Jamie Davenport, Hannah Grace, Piper Lawson, Cathryn Fox, Ember Leigh, J.H. *Love to Hate You* Jennifer Sucevic, 2020-09-22 From USA Today bestselling author Jennifer Sucevic comes a steamy, enemies-to-lovers, forced proximity, new adult sports romance that is laugh out loud funny featuring a strong heroine and the cocky football player who falls first and hard for her. Carter Prescott is one of those guys who has it all. Wealthy family...check. Good looks...check. Brains to match all that brawn...check. And let's not even talk about all those sculpted muscles (no—seriously, I don't want to talk about them). The guy works out like it's his job. Did I mention that he's one of this year's top NFL draft picks? Sure, maybe in the beginning I was taken in by his pretty face and gorgeous body. What girl with a beating pulse wouldn't be? But his obnoxious presence killed any attraction I might have felt a long time ago. All right, fine...that's not altogether true. The guy is smoking hot, okay? There, I admitted it. Sheesh. But that doesn't mean he's not a conceited jerk. Carter is my cousin's best friend, and thanks to the fugue state I must have been in when I agreed to this living arrangement, he's my roommate for senior year. Everything would be fine between us if he would just stop messing with me. But he's incapable of restraining himself. So when he takes his antics too far, who can blame me for retaliating in kind? Carter wants to bring a hookup back to the apartment for the night? Fine by me. Is there any real harm done if I ambush them in the morning and introduce myself as his baby mama? Am I taking things too far if I whip up a batch of laxative laced brownies, so he'll crap himself all over the field? Nope, I don't think so... The real question is how I'm going to

make it through eight more months without slowly wrapping my fingers around his...throat and squeezing tight. I'm sorry, did you think I was going to say something else? Please, as if that would happen... --- "Where has this author been hiding and why am I just now stumbling across her literary masterpiece?!?!" -Nancy, GoodReads "This book has all the elements of a great read, filled with laughs and swoon worthy moments!" -Emma, GoodReads "The antics between Carter and Daisy are crazy funny. I haven't enjoyed a really big laugh in a while" -Shari, GoodReads "Carter and Daisy are made for each other" -Cindie, GoodReads "I really loved Daisy and Carter! *The Hockey Hotties Collection* Jennifer Sucevic, 2022-10-27 From USA Today bestselling author Jennifer Sucevic comes a steamy, enemies-to-lovers, forced proximity, new adult sports romance collection that is laugh out loud funny featuring three strong heroines and the cocky hockey players who fall first and hard for them. As much as it pains me to admit it, he's exploded at the college level. You'd think after three years, he'd learn to keep his distance. No such luck. Unfortunately for me, I'm about to experience the worst week of my life. It starts with my ex announcing at a party that I'm a lousy lay. He's the hockey-playing jerk I dated last year who left a bad taste in my mouth (\*eyeroll\* seriously...get your mind out of the gutter). Want to guess who rides in on his trusty white steed to rescue me? Or should I say, opens his big mouth? Yup, you guessed it. Brody freaking McKinnon, the guy I love to hate. He only makes matters worse by telling everyone that we're together and then punching Reed in the face. The first...I plan on strangling him for. The second...I'm only sorry I

didn't get to Reed first. Now I'm stuck fake-dating Brody, the one guy who makes me feel like a rabid dog on a choke chain, for the foreseeable future. I guarantee we won't last more than seventy-two hours without me killing him. Just Friends Emerson and I met freshman year of high school and we've been tight ever since. I've been pretty good about keeping her locked in the- girls I don't think about having sex with part of my brain. Which is no easy feat because, let's face it, unless we're related, you're potential spank bank material. Luckily for me, Southern University has an overabundance of Red Devils hockey groupies, which means there are always plenty of puck bunnies for me to choose from. I'm just careful to make sure they look nothing like Em. So, it should be all good in the hood, right? Wrong. I'm embarrassed to admit this, but lately, I can't seem to get it up. Unless an image of Em pops into my head. Then it's all systems go. It's a messed-up situation. One Emerson is blissfully unaware of. And that's exactly the way it needs to stay. What I've learned is that friendship is a hell of a lot harder to come by than hookups. Ready for a complication? It turns out that Em is a virgin. And she wants me to be the one to, well...take care of business. You better believe I shot down the idea before it could gain traction in my brain. Maybe Em doesn't realize it, but remaining friends after you've slept with someone happens about as often as spotting a tie-dye-colored unicorn that craps sprinkles. If it weren't rare, everyone would be doing it, right? Exactly. As far as I'm concerned, Emerson has remained a virgin for this long, she can damn well wait to do the deed until after we part ways next year. Unfortunately, my best friend has other ideas. Which pretty much means I'm screwed. And not in a good way. The Breakup Plan Grayson McNichols can have his pick of girls on this campus. Just ask him and he'll tell you that the females of Hillsdale University have a real penchant for sexy, hockey playing hotties. Hell, all he has to do is flash a smile in their direction and they fall right onto their backs and spread their legs. Would I happen to be one of them? Umm...I'm going to plead the fifth on that one. All right, fine. You caught me. I made the mistake of knocking boots with Gray freshman year. What can I say? I'm a sucker for gorgeous guys with inky black hair, bright blue eyes, and dimples. And don't even get me started on his chiseled chest and abs of steel... After we hooked up, I never heard from Gray again. Not that I expected too. Okay, that's a lie. Maybe for one brief, delusional moment, I thought I might be different. You know, the girl who changes the hockey playing bad boy for the better (cue the laughter). But he swiftly disabused me of that notion by moving on to fresh meat in the blink of an eye. Which is precisely why I've avoided Grayson like the plague ever since. Fool me once, shame on you. Fool me twice, and I totally deserve what I get. Well, I don't plan on falling into that trap ever again. Except...now our parents are dating, and Gray's come up with a cockamamie plan to break them up that has disaster written all over it. --- Hate to Love You "This book just made it to my favorites list for sure!" -Christy, GoodReads "This book was cute and had me instantly loving the pair together. **Hate You Always** Jennifer Sucevic, 2023-05-26 From USA Today bestselling author Jennifer Sucevic comes a steamy, enemies-to-lovers new adult sports romance that is laugh out loud funny featuring a strong heroine and the cocky hockey player who falls first and hard for her. It all starts with a bucket list and a romance novel... I've known Ryder McAdams my entire life. We're neighbors and our families are besties. He's also friends and teammates with my younger brother, Maverick. But Ryder and me? We've never been close. In fact, I've always gotten the distinct impression he doesn't like me very much. He goes out of his way to ignore me. Know what makes it worse? The electricity that hums in the air every time our gazes collide. It sizzles through my body until I feel it in the tips of my fingers and toes. Whoever said that you can't control who you're attracted to was, unfortunately, right. I've done my best to stomp it out. We've been at Western for three

years and only come in contact when forced to interact. He's busy partying it up and getting it on with his fangirl club. I've spent most of my college experience studying at the library so I can apply to the med school of my choice. One drunken night changes everything when Ryder takes me home and finds the bucket list I wrote before freshman year. Know how many things I've ticked off since then? Zero. Zilch. Nada. For some strange reason, Ryder decides he'll be the one to help tackle each item before graduation. That would be all fine and good, except there's some pretty schmexy stuff on there... Like the big O. ----- "Another really great sports romance by Jennifer that you won't want to put down! I know I didn't!" - Cara, Goodreads Reviewer "Hate You Always is the perfect kick off to this new series. **If You Were Mine** Jennifer Sucevic, 2020-09-22 From USA Today bestselling author Jennifer Sucevic comes a steamy, enemies-to-lovers, forced proximity, new adult sports romance that is laugh out loud funny featuring a strong heroine and the cocky NFL football player who falls first and hard for her. Know what's worse than being a twenty-one-year-old virgin? Having the bad boy of the NFL, who also happens to be my brother's teammate, offer to take care of that pesky little problem. Excuse me while I cue the laughter. If there's one person I can barely tolerate—it's JT Higgins. He might be talented on the field, but he's even more notorious for his bar brawls, drunken antics, and the women who flock to him in droves. I've spent the last three years shutting down his every advance. So, ignoring him should be a piece of cake, right? Wrong. JT was given an ultimatum at the end of last season—clean up his act or get traded. For some strange reason, my brother decided to take the younger man under his wing. Now the golden-haired, green-eyed mountain of muscle is around

all the time. If he's not parked across from me during Thursday night family dinners, he's knocking on the door and maneuvering his way inside when I'm babysitting my niece and nephews. Or he's popping up at the shop where I grab coffee on my way to school. What I'd like to know is when his gaze began to feel like a physical caress. It's enough to make me scream. It's also enough to send my pulse skyrocketing and my resolve to the brink of shattering. Here's the problem...this new and improved JT—the one who doesn't whore around or drink—is more difficult to resist. Especially when his attention is focused solely on me. --- “I loved this book! All her books really!” -Andrea, GoodReads “There's just something about a bad boy and a brother's best friend that sucks you in. TJ is just so drool worthy” -Shelley, GoodReads “This story gives you all the feels of a sports romance with the added enemies to lovers vibe that is just the right mix to keep you wanting more” -Shelley, GoodReads “I'm such a sucker for them! **Mine to Take** Jennifer Sucevic, 2024-03-26 From USA Today bestselling author Jennifer Sucevic comes steamy new adult sports romance in the Western Wildcats Hockey Series featuring a strong heroine and a cocky hockey player that falls first and hard for her. What could be worse than having a one-night stand with my twin's biggest rival on the ice? Umm...nothing. Nothing is worse than that. It's the reason why my brother can never find out that I hooked up with Maverick McKinnon, ridiculously hot defenseman for the Western Wildcats. It doesn't matter if the memories from our night together are enough to make my toes curl and my panties— Well, you get the idea. He's the first guy to come along and not treat me like I'll shatter into a million pieces when he lays his hands on me. Even if there's a teeny tiny part within that would like to see him again, the fallout would be brutal. I have enough to deal with. Like trying to break out of the box my family has placed me in since my diagnosis. The only problem? I've lost something valuable. Something I need back. And I'm pretty sure whose bed

I'll find it in. ----- Keywords: Sports romance, alpha male, Sports romance books, Hockey romance, romance, Enemies-to-lovers, Fake dating, Forced proximity, College, university romance, College romance, College sports romance, He falls first, College hockey romance, humor, laugh, sexy, swoony, Off-limits romance, Campus Series, Claremont Cougars, Barnett Bulldogs, Romance book, Best seller, New release, Swoon, Funny, love, friends, Hate to Love You, King of Campus, Campus Player, playboy, romance series, steamy, spicy, hot, hot romance, sparks fly, new adult, new adult sports romance, athlete, good girl, bad boy, opposites attract, hockey player, player, student, girl next door Readers also enjoyed books by: Natasha Madison, Kristen Callihan, Anna Todd, Nana Malone, Sarina Bowen, LJ Shen, Lucy Score, Elle Kennedy, Helena Hunting, Rebecca Jenshak, Gina Azzi, Jamie Davenport, Hannah Grace, Piper Lawson, Cathryn Fox, Ember Leigh, J.H. **One Night Stand** Jennifer Sucevic, 2021-01-10 From USA Today bestselling author Jennifer Sucevic comes a steamy, off-limits new adult sports romance that is laugh out loud funny featuring a strong heroine and the tatted up football player who falls first and hard for her. It was just supposed to be a one-night stand... I knew I was in trouble the moment he slid his brawny arm around me and pretended to be my boyfriend, scaring off the guy who refused to take no for an answer. Now that we're alone, I can't help but take a closer look at my rescuer. He's drop dead gorgeous with hard muscles and colorful ink that decorates his arms. He's not my usual type. What I can't deny is the attraction that crackles in the air between us. The hitch? This guy can't be more than twenty-two while I'm closing in on thirty. Another problem—he's still in college. I shouldn't just be walking away—I should be sprinting. Unfortunately, I can't bring myself to do that. Which is how I end up in his bed at the end of the night with him doing the dirtiest—er... Sorry, I've never been one to kiss and tell. Three orgasms later and I'm sneaking out of his apartment at the crack of dawn. There's no way I'll ever see him again because this was strictly a onetime deal. We both agreed. But you know what they say about best laid plans... They never turn out the way you expect them to. --- "I loved that Gia was older. That was like a breath of fresh air!" -Bee, GoodReads "It took me one night only to finish it. Hell, all he has to do is flash a smile in their direction and they fall right onto their backs and spread their legs. Would I happen to be one of them? Umm...I'm going to plead the fifth on that one. All right, fine. You caught me. I made the mistake of knocking boots with Gray freshman year. What can I say? I'm a sucker for gorgeous guys with inky black hair, bright blue eyes, and dimples. And don't even get me started on his chiseled chest and abs of steel... After we hooked up, I never heard from Gray again. Not that I expected too. Okay, that's a lie. Maybe for one brief, delusional moment, I thought I might be different. You know, the girl who changes the hockey playing bad boy for the better (cue the laughter). But he swiftly disabused me of that notion by moving on to fresh meat in the blink of an eye. Which is precisely why I've avoided Grayson like the plague ever since. Fool me once, shame on you. Fool me twice, and I totally deserve what I get. Well, I don't plan on falling into that trap ever again. Except...now our parents are dating, and Gray's come up with a cockamamie plan to break them up that has disaster written all over it. --- "I loved this book! Just Friends Jennifer Sucevic, 2020-09-11 From USA Today bestselling author Jennifer Sucevic comes a steamy and off-limits friends-to-lovers new adult sports romance that is laugh out loud funny featuring a strong virgin heroine and the cocky hockey player who falls first and hard for her. Can a guy and girl ever be just friends? I used to think so but now, I'm not so sure. Emerson and I met freshman year of high school and we've been tight ever since. I've been pretty good about keeping her locked in the girls I don't think about having sex with part of my brain. Which is no easy feat because, let's face it, unless we're related, you're potential spank bank material. Luckily for me, Southern University has an overabundance of Red Devils hockey groupies, which means there are always plenty of puck bunnies for me to choose from. I'm just careful to make sure they look nothing like Em. So, it should be all good in the hood, right? Wrong. I'm embarrassed to admit this, but lately, I can't seem to get it up. Unless an image of Em pops into my head. Then it's all systems go. It's a messed-up situation. One Emerson is blissfully unaware of. And that's exactly the way it needs to stay. What I've learned is that friendship is a hell of a lot harder to come by than hookups. Ready for a complication? It turns out that Em is a virgin. And she wants me to be the one to, well...take care of business. You better believe I shot down the idea before it could gain traction in my brain. Maybe Em doesn't realize it, but remaining friends after you've slept with someone happens about as often as spotting a tie-dye colored unicorn that craps sprinkles. If it weren't rare, everyone would be doing it, right? Exactly. As far as I'm concerned, Emerson has remained a virgin for this long, she can damn well wait to do the deed until after we part ways next year. Unfortunately, my best friend has other ideas. Which pretty much means I'm screwed. And not in a good way. ---- "You can feel the emotions these characters go through and you just want to shake em up, to just reveal their heart's desires" -Ashin, GoodReads "Reed is so considerate of Em at all times, and Em just can't help but melt against him. Reed is alpha when he wants to be, but a cute bear whom you just want to squish and cuddle with" -Ashin, GoodReads "This one is hot and but manages to give you the warm and fuzzies at the same time" -Lisa, GoodReads "It had me swooning, crying happy tears and doing a happy dance at the end!" -Brittany, GoodReads "I'm so in love with this author, this was a great summer read!" -Shari, GoodReads --- Keywords: Sports romance, alpha male, Sports romance books, Hockey romance, Friends-to-lovers, College, university romance, College romance, College sports romance, Virgin romance, He falls first, College hockey romance, humor, laugh, sexy, swoony, Off-limits romance, Campus Series, Claremont Cougars, Barnett Bulldogs, Romance book, Best seller, New release, Swoon, Funny, love, friends, Hate to Love You, King of Campus, Campus Player, playboy,

**Stay** Jennifer Sucevic, 2022-04-06 From USA Today bestselling author Jennifer Sucevic comes a steamy hockey romance with a protective hero who falls first, slow burn tension, mental health rep, where both the hero and heroine play hockey. Last year, I crashed and burned—failing out of school and losing everything that mattered. Now I’m starting fresh at a new university, determined to keep my head down and focus on academics. Enter Cole Mathews. The annoyingly persistent, ridiculously hot hockey player who refuses to leave me alone. With his easy smile, golden-brown eyes, and way-too-perfect body, he’s exactly the kind of distraction I can’t afford. I swore I wouldn’t let a guy derail my future again. Now I just need to convince him of that. Stay is a steamy, slow-burn hockey romance with a protective hero who falls first, dual hockey players, and mental health rep. It's book one of the Stay duet, ending with a heartfelt HFN. --- “You can feel the emotions these characters go through and you just want to shake em up, to just reveal their heart's desires” -Ashin, GoodReads “Reed is so considerate of Em at all times, and Em just can't help but melt against him. *King of Campus* Jennifer Sucevic, 2020-09-11 From USA Today bestselling author Jennifer Sucevic comes a steamy,

enemies-to-lovers, forced proximity, new adult sports romance that is laugh out loud funny featuring a strong heroine and the cocky football player who falls first and hard for her. Roan King. The uncrowned king of Barnett University. He's like a freaking celebrity around here. It's totally ridiculous. People, by which I mean grown women, actually stalk him on the internet. And around campus. Apparently, he's god's gift to both football and the ladies (I'm using that term loosely). All he has to do is smile and girls fall right onto their backs before spreading their legs wide. I've heard that he's already plowed his way through half the female population at Barnett. My guess is that he'll work his way through the second half before he gets drafted to the NFL later this year. Yeah...I don't plan to be one of them. The guy is nothing more than a conceited player. You know the type—a steroid infused meathead coasting through college on his football prowess. Ugh. I have three words for you—avoid, avoid, avoid. Need I say more? I don't think so. I've had the sad misfortune of running into him on campus. Literally. As in—I literally slammed into him before spilling my iced coffee all over that wide rippling chest of his (did I just say that?). What I learned from the experience is that Roan King is one hell of a cocky son of a— I also learned that he has the most spectacular chest. And don't get me started on those abs... I could probably cut diamonds on them. Unfortunately for me, Operation—Avoid Roan King isn't going so well. Everywhere I go, there he is. If he wasn't so ridiculously hot, he would be a hell of a lot easier to forget. With his dark hair, shocking, turquoise-colored eyes and (damn him) buff body, he's easily the most gorgeous guy I've ever laid eyes on. Crap...see what I mean? I have the sneaking suspicion that Roan King will lead to my utter ruin and downfall. --- “I loved the chemistry between Roan and Ivy. Their connection and how their relationship developed was just too good” -Bookabulary, GoodReads “Roan and Ivy are wonderful separate and better together” -Melanie, GoodReads “I thought this was one of the best written of any college football player romance I've read” -Karen, GoodReads “You know those books that just make you all warm and fuzzy and happy inside because the couple/soon to be couple is just so stinking cute? Crazy for You Jennifer Sucevic, 2023-06-21 Welcome back to the 80's baby. Put away the Aqua Net and slip into something a little more comfortable with one of these twelve couples as they fall in love in Pine Grove. Tyler Nelson College quarterback. Rob Lowe dreamy. Older brother's best friend. I've crushed hard on Ty ever since he kissed me at a school dance when I was fourteen years old. Sure, he only did it to make me feel better, but that's beside the point. It was the best five seconds of my life. Now that I've graduated from high school, it seems like the perfect time to show him that I'm not the dorky little kid with braces he left behind. Danielle Wentworth Newly minted Pine Grove graduate. Elizabeth Shue adorable. Best friend's younger sister. I've spent years trying to force Dani from my head. I mean, come on, she's my best bud's little sis. Brett will pummel my a\$\$ if he finds out I've been perving on her. That alone should be enough to keep me in check. All it takes is one look from across a crowded party for me to realize that I can't fool myself any longer. I want to make that girl mine. \*This is a novella of approximately 17,000 words\*

**Hate to Love You (Special Edition)** Jennifer Sucevic, 2023-03-07 Fake dating the campus player never felt so good. Brody McKinnon is Whitmore University's star defenseman destined for NHL greatness. He made a name for himself playing juniors before gracing us with his esteemed presence. As much as it pains me to admit it, he's exploded at the college level. While other girls fall all over themselves trying to gain his attention, I do my best to steer clear just as I would a particularly nasty case of crabs. For reasons I can't fathom, Brody takes great pleasure in messing with me. And I, in return, enjoy slicing him to ribbons with my razor-sharp tongue. You'd think after three years, he'd learn to keep his distance. No such luck. Unfortunately for me, I'm about to experience the worst week of my life. It starts with my ex announcing at a party that I'm a lousy lay. He's the hockey-playing jerk I dated last year who left a bad taste in my mouth (\*eyeroll\* seriously...get your mind out of the gutter). Want to guess who rides in on his trusty white steed to rescue me? Or should I say, opens his big mouth? Yup, you guessed it. Brody freaking McKinnon, the guy I love to hate. He only makes matters worse by telling everyone that we're together and then punching Reed in the face. The first...I plan on strangling him for. The second...I'm only sorry I didn't get to Reed first. Now I'm stuck fake-dating Brody, the one guy who makes me feel like a rabid dog on a choke chain, for the foreseeable future. I guarantee we won't last more than seventy-two hours without me killing him.

**The Girl Next Door Prequel** Jennifer Sucevic, 2023-10-24 From USA Today bestselling author Jennifer Sucevic comes a steamy, enemies-to-lovers new adult sports romance prequel that is laugh out loud funny featuring a strong, girl next door heroine and the cocky football player who falls first and hard for her. Mia Stanbury is the quintessential girl next door. Smart, beautiful, and determined. She's got it all going on. Is it any wonder that she's been on my radar for as long as I can remember? We're talking middle school, folks. I'll admit that I've made a few boneheaded mistakes as far as she's concerned,

but what can I say? I'm a dude. Sometimes I think with the wrong head. We'll just chalk it up to one of the hazards of having a Y chromosome and leave it at that. Mia has spent all of high school keeping me at a distance. But tonight, that ends. Tonight, I'm finally going to get the girl I've always wanted. --- "Beck has my heart bless him. I spent the majority of the book with my heart pounding and worried and jaw on the floor" -Steph, GoodReads "I usually love the female characters, but this time I loved Beck because he never gave up and kept after her until the end" -Rebecca, GoodReads "I couldn't wait to find out how Mia and Beck's next interaction would make me laugh or have their sexual tension leaping off the pages" -Kate, GoodReads --- Keywords: Sports romance, alpha male, Sports romance books, Hockey romance, Football romance, Enemies-to-lovers, Friends-to-lovers, Fake dating, Forced proximity, College, university romance, College romance, College sports romance, Virgin romance, He falls first, College hockey romance, College football romance, humor, laugh, sexy, swoony, Off-limits romance, Campus Series, Claremont Cougars, Barnett Bulldogs, Romance book, Best seller, New release, Swoon, Funny, love, friends, Hate to Love You, King of Campus, Campus Player, playboy, romance series, steamy, spicy, hot, hot romance, sparks fly, new adult, new adult sports romance, found family, second chance, athlete, good girl, bad boy, opposites attract, hockey player, football player, student, girl next door, free Readers also enjoyed books by: Natasha Madison, Kristen Callihan, Anna Todd, Nana Malone, Sarina Bowen, LJ Shen, Lucy Score, Elle Kennedy, Helena Hunting, Rebecca Jenshak, Gina Azzi, Jamie Davenport, Hannah Grace, Piper Lawson, Cathryn Fox, Ember Leigh, J.H. **Heartless** Jennifer Sucevic, 2021-01-10 From USA Today bestselling author Jennifer Sucevic comes a steamy, second chance, enemies-to-lovers new adult sports romance featuring a strong heroine and the football player who has always loved her. She broke my heart and took away the only thing that mattered. Her love. When I hightailed it out of town after high school graduation, I didn't think there was anything that could bring me home again. But I was wrong. When the worst happens, it blows my world apart and sends me into free fall, forcing me to return to the one place—the one person—that holds all my heartache. Hunter Price. The guy I loved more than life itself. He doesn't understand that in order to save him, I had to do the unthinkable—open my hand and let him go. With no other choice but to attend the same university, all I want is to lay low and stay off his radar. We have one year left before graduation and he gets drafted to the pros. My hope is that after all this time, he's moved on and will leave our relationship where it belongs—in the past. Why wouldn't he? He's all but exploded at the college level, just like I knew he would. When people talk Claremont football, they're talking about Hunter Price. And the girls? Even when we were in high school, they trailed after him like lovesick puppies before falling at his feet. Now there's even more of them. One disastrous run-in is all it takes to realize that he hasn't forgiven or forgotten anything. He's still bitter about the breakup. Only now do I realize that if Hunter has his way, he'll bring me to my knees, inflicting as

much damage as he can. And there's nothing I can do but steel my heart and hope I'm able to withstand it. ----- "The author had me hooked from page one and I could not put this book down" -Madilynn, GoodReads "Some people spend their whole lives wanting to be loved this way" -Reyllynn, GoodReads "This story was more fun than your typical enemies to lovers as it was also a second chance love story that kept me totally engaged" -Jazzy, GoodReads "If I could give more than five stars I would!" -Catherine, GoodReads "The storyline was easy to follow and addictive" -Madilynn, GoodReads The Claremont Cougars Heartless Summer Heartless Shameless --- Keywords: Sports romance, alpha male, Sports romance books, Football romance, Enemies-to-lovers, Forced proximity, College, university romance, College romance, College sports romance, He falls first, College football romance, humor, laugh, sexy, swoony, Off-limits romance, Campus Series, Claremont Cougars, Barnett Bulldogs, Romance book, Best seller, New release, Swoon, Funny, love, friends, Hate to Love You, King of Campus, Campus Player, playboy, romance series, steamy, spicy, hot, hot romance, sparks fly, new adult, new adult sports romance, found family, second chance, athlete, good girl, bad boy, opposites attract, football player, student, girl next door Readers also enjoyed books by: Natasha Madison, Kristen Callihan, Anna Todd, Nana Malone, Sarina Bowen, LJ Shen, Lucy Score, Elle Kennedy, Helena Hunting, Rebecca Jenshak, Gina Azzi, Jamie Davenport, Hannah Grace, Piper Lawson, Cathryn Fox, Ember Leigh, J.H. *Queen of Hawthorne Prep* Jennifer Sucevic, From USA Today Bestselling author Jennifer Sucevic comes a dark and sexy high school bully romance with a strong heroine and the brooding hero who falls hard for her. Welcome back to the privileged world of Hawthorne Prep. From the outside, the hundred acres of perfectly manicured property seems like an idyllic place to finish out my senior year before spring boarding to the college of my choice. Unfortunately, like most things in life, looks are deceiving. And I would know that better than most. A month ago, my parents moved us to nowheresville, Wisconsin in order for my father to claim his inheritance. Little did we know that the town hated us or that there was a decades long feud that would ultimately lead to a forced engagement. My forced engagement, to be specific. Kingsley Rothchild, the self-appointed king of Hawthorne Prep, has made me his queen. Even though I've bent my knee and kissed the crown, it doesn't take long to realize how easily queens can be cast aside. If I'd thought all the secrets had been dragged into the light and we would get our happily ever after, I couldn't have been more wrong. Unfortunately for me, what they say is true, the higher you rise, the harder your fall from grace is. --- "I loved everything about Kingsly! He is dominant, angsty, swoony, pushy, romantic and hot as ever!!!" -Brittany, GoodReads "Kingsley and Summer go through so many transitions that can only be described as \*whiplash\* but in the end their story has a HEA!" -Emma, GoodReads "Summer and Kingsley together were phenomenal. **The Football Hotties Collection** Jennifer Sucevic, 2022-12-26 From USA Today bestselling author Jennifer Sucevic comes a steamy, enemies-to-lovers, forced proximity, new adult sports romance collection that is laugh out loud funny featuring three strong heroines and the cocky football players who fall first and hard for them. King of Campus Roan King. The uncrowned king of Barnett University. He's like a freaking celebrity around here. People, by which I mean grown women, stalk him on the internet. And around campus. I have the sneaking suspicion that Roan King will lead to my utter ruin and downfall. Campus Player Trust me when I say that Rowan Michaels fever is alive and well at Western University. His fanbase is legendary. The guy is a major player. Both on and off the field. Girls fall all over themselves to be with him. They fill the stands at football practice, show up at parties he's rumored to be at. Fine...I'll admit it, he's good looking. If you're into that kind of thing. Which I'm not. I've got school and soccer to keep me busy which is exactly why I avoid him like an unfortunate clap diagnosis. Too bad for me that Rowan is my father's star quarterback. He's practically part of the family, attending Wednesday night dinners with us. To make matters worse, we're in the same major and get stuck together in classes every semester. It's like the universe is trying to play a cosmic joke on me. But what if Rowan isn't the player I pegged him to be? What if one little secret has the capability to change everything between us? Love to Hate You Carter Prescott is one of those guys who has it all. Wealthy family...check. Good looks...check. Brains to match all that brawn...check. And let's not even talk about all those sculpted muscles. The guy works out like it's his job. Sure,

maybe in the beginning I was taken in by his pretty face and gorgeous body. But his obnoxious presence killed any attraction I might have felt a long time ago. Carter is my cousin's best friend, and thanks to the fugue state I must have been in when I agreed to this living arrangement, he's my roommate for senior year. Everything would be fine between us if he would just stop messing with me. So when he takes his antics a little too far, who can blame me for retaliating in kind? Carter wants to bring a hookup back to the apartment for the night? Fine by me. Is there any real harm done if I ambush them in the morning and introduce myself as his baby mama? Am I necessarily taking things too far if I whip up a batch of laxative laced brownies? The real question is how I'm going to make it through eight more months without slowly wrapping my fingers around his...throat and squeezing tight. I'm sorry, did you actually think I was going to say something else? Please, as if that would happen... --- Reviews "Where has this author been hiding and why am I just now stumbling across her literary masterpiece?!?!" -Nancy, GoodReads "This book has all the elements of a great read, filled with laughs and swoon worthy moments!" -Emma, GoodReads "The antics between Carter and Daisy are crazy funny. **King of Hawthorne Prep** Jennifer Sucevic, 2020-09-22 From USA Today bestselling author Jennifer Sucevic comes a dark and steamy, enemies-to-lovers, forced proximity, new adult bully sports romance that features a strong heroine and a brooding football player who falls first and hard for her. From USA Today Bestselling author Jennifer Sucevic comes a sexy, new bully romance. Welcome to the world of Hawthorne Prep. A seemingly idyllic school where ivy clings to the thick stone

walls and a wrought iron gate keeps out the townies who can't afford to foot the hefty price tag. A couple of months ago, the idea of being ripped away from my life in Chicago and plunked down in the middle of nowheresville, Wisconsin was unimaginable. Laughable, even. And yet, here I am, forced to wear a short plaid skirt and navy blazer to school every day. The only silver lining is the brand spanking new G-wagon parked in the weathered brick drive. All I have to do is make it through senior year and then I'm off to college. Shouldn't be a problem, right? Wrong. In a school like this, flying under the radar is impossible. There's a king who presides over the kingdom and he's set on forcing me to my knees so I can kiss the crown. Unbeknownst to me, being a Hawthorne in this town comes with a price and he's going to make damn sure I pay what's owed. --- "Kingsley and Summer have steaming hot chemistry from the first time they meet" -Gen, GoodReads "Jennifer Sucevic has easily become a favorite author of mine!" -Brittany, GoodReads "This story echoed Romeo & Juliet in modern times.
