

How To Manifest Winning The Lottery

Amy White

How to Win the Lottery with the Law of Attraction Eddie Coronado, 2014-09-10 HOW TO WIN THE LOTTERY WITH THE LAW OF ATTRACTION was written by Law of Attraction lottery winner, teacher and author Eddie Coronado. Based on interviews with actual winners who have used the Law of Attraction to win lottery prizes, this book provides the metaphysical tools and insights that are necessary to win lottery and contest prizes through the creative power of thoughts and feelings. Although this book contains the manifestation techniques of people who have won money, these metaphysical exercises can be used to attract the perfect mate, a new career, financial success, or anything that you can make a part of your beliefs and feelings. There is no limit to how much money and success you can manifest through the Law of Attraction because this immense spiritual power does not have an opinion about what you should or should not have. You can use the Law of Attraction to manifest ten cents or ten million dollars. The determining factor is belief and expectancy, which can be harnessed by using the spiritual tools discussed in this book. THIS BOOK CONTAINS FOUR PARTS: PART 1: This section explores the tools that are used for the manifestation techniques in this book. The tools covered are as follows: Affirmations, Creative Visualization, Expectation, Gratitude, and the Practice of Receiving. You should take the time to carefully read this section even if you are familiar with the Law of Attraction and the power of intention. This section contains a number of insights and explanations that may have been missed by other authors and teachers. For example, the Practice of Receiving is a powerful tool that can help you attract a lot of money, yet many Law of Attraction books do not mention this important exercise. In addition, I have included some helpful information about gratitude and affirmations as it relates to manifesting money. Affirmations of words, thoughts, feelings, and actions are also covered. Finally, the most important element of any manifestation technique is creative visualization, which every Law of Attraction lottery and contest winner has used to win prizes. PART 2: This section includes the manifestation techniques used by the winners who were interviewed for this book. Each winner, including the author, is introduced and his/her manifestation exercise is documented to reflect the exact steps taken to win lottery prizes. No changes have been made in order to preserve the integrity of each winner's method. PART 3: This is a Question and Answer Section that covers the most important questions about the manifestation techniques in this book. The answers have been provided by the lottery winners who were interviewed. This Question and Answer section will provide clarity and direction for those readers who are committed to using the Law of Attraction to manifest lottery prizes.

The questions included in this section cover topics such as: Should I buy lots of tickets? How will I know that my intention will work? How long will it take for me to get results? What part does luck play in manifesting lottery prizes? In addition, a host of other important questions are discussed. PART 4: This section contains helpful tips and suggestions that will explain how to implement the following manifestation techniques and how to make the most of them. It also contains information regarding the common denominators of the winners' daily action plan in order to provide a clear understanding of the mental and emotional habits that are necessary for manifesting lottery prizes with the Law of Attraction.

Manifest \$10,000 Cassie Parks, 2017-02-07 Are some people just money magnets? Learn how to change your mindset and attract abundance into your life! It can seem like some people just naturally win the lottery—by a stroke of circumstance, they are a money magnet. In reality, even if money is handed to someone on a silver platter, they have to manage to keep it and allow more in. That has more to do with a strong money mindset than with being lucky. After Cassie Parks realized she could change her money beliefs to become one of “those” people who easily make and keep money, she spent years figuring out exactly how to change her money mindset. Now that she has, her money mindset supports money coming into her life easily and sticking around for the party. Parks has spent the last two years teaching other people how to manifest more money into their lives—whether they were entrepreneurs, employees, or unemployed. The step-by-step process Parks teaches is the basis of Manifest \$10,000. Directions to the intersection of abundance, mindset, ease, and grace is what you will find in Manifest \$10,000. Using inspiring stories about people who have manifested more money into their lives, and providing instructions and analysis about why others haven’t been successful in the past, Parks will guide you through the process of learning to manifest \$10,000 into your life in the next ninety days—in a way that feels simple and fun.

Let me tell you a secret: The main reason why I wrote this book is to give everyone these critical pieces of information that are often missing but absolutely necessary for successful manifestation with the Law of Attraction. And make no mistake about it. The Law of Attraction absolutely works, especially with the missing pieces you will find here. If you have listened to my other books, you know that I am a firm believer in the fact that the Law of Attraction always responds to persistent, committed action. And being a spiritual law, it works for everyone in the same way no matter how young or old a person is, or how rich or poor. Daily committed action is the single factor that will determine your success with the Law of Attraction, whether you choose to manifest financial abundance, a satisfying career, or the love of your life.

Becoming Rich: A Method for Manifesting Exceptional Wealth Genevieve Davis, Now, in response to huge reader demand, this latest addition to my magical Course in Manifesting series turns to the subject of money. In *Becoming Rich*, you'll not only learn the precise details of how you can use Magic to transform your entire financial world and start bringing money flowing to you. So, why Magic? Only a few years ago I lived in a tiny flat, working twelve hours a day in a factory for minimum wage. Today, I live in a beautiful home by the sea, often earning more in one month than I used to in an entire year. In this book you will discover the steps that enabled me to turn my financial life around in this amazing, life-changing way. The change in my financial circumstances was so dramatic, it makes more sense to describe it as involving Magic than anything else. And when money starts to come tumbling your way in a manner that goes far beyond mere coincidence and luck, you will no longer doubt that Magic exists. Yet my finances were actually the last thing I mastered 'magically'. I felt cursed, blocked, financially stuck for ages. But having got things right once or twice, I went on to discover that, even after a lifetime of poverty, money turned out to be the very easiest thing of all to manifest using Magic. And I went on to bring an unbelievable amount of money into my life. If you're jaded by the whole New Age Law of Attraction idea, or have become bored by its failure to deliver... this book is for you. Because this is a practical book, offering concrete techniques and instructions for bringing wonderful things into your life. You're looking at this book because you need money, and it's now time to bring that money into your life. The plan is to build your knowledge slowly, gradually, building on what has gone before, moving on to more complex techniques only once the basics are mastered. So many people fail with Magic and the Law of Attraction because they rush headlong into using techniques, trying to create enormous manifestations, trying to manifest huge sums of money off the bat ... but making very simple yet crucial mistakes. When they are disappointed, they imagine they have been duped. The sceptics are right. This is just a load of nonsense. Then they give up, declaring it just doesn't work. But I can assure you it does work. And you can make it work. This book will show you how. My intention is make sure that *Becoming Rich* will allow you to become a true creator of your own financial life, reawakening and rekindling your belief and interest in The Law of Attraction, Reality Creation, Cosmic Ordering or whatever you wish to call it. I prefer simply to call it Magic.
