May 1, 2013 · Porn sites use shitty players. They just didn't put in code to do that. Skipping forward in a stream is "difficult" to code nicely, and I'm making the assumption that people who write the kind of video players used by porn sites are not going to care about that feature too much. Basically it's their problem, it just doesn't work like that. Youtube spends a lot of money developing their player.
