Daniel C. Okpara

POWER AGAINST MARINE SPIRITS Dr. D. K. Olukoya, Unknown to most of us what happens in the marine kingdom goes a long way in affecting human existence on earth. The marine kingdom has been used by satan to challenge the purposes of God on earth. Marine spirits are found in oceans, rivers, streams, pools of water and in the human body, etc. These are tough demons that always resist deliverance. They are highly deceptive and possess spiritual capacity to ruin human lives and nations.

MARINE SPIRITS EXPOSED Hlompho Phamodi, In this book I am going to take you through seven days of fasting and prayer against every marine spirit pollution in your life or family. These are seven days of exposing every hidden work of darkness in your life. The devil has put together a power base under the sea where people's lives are held captive. This book is put together to put an end to all manner of spiritual attacks or bondages in your life and family that is caused by these spirits. The body of Christ has been ignorant for so long and the enemy has kept many blinded to his attacks from under the sea. But we thank God for books like Marine Spirits Exposed that are targeted at bringing to the light every lie and hidden work of the devil. Be blessed as you read and pray and know that the Lord is able. These seven days are very significant and I know God will honor your faith and disgrace your enemies in Jesus name.

Deliverance from Marine Spirits Daniel C. Okpara, 2016-11-01 MARINE SPIRITS...WHAT ARE THEY? HOW TO IDENTIFY THEM AND DEFEAT THEM PERMANENTLY Marine spirits are the princes and princesses of the sea (Ezekiel 26:16). This class of demons are responsible for all the whoredom our world is living with today. They perpetrate the highest level of wickedness against mankind in the form of filth, defilements, sexual bondages, depravity, marital breakups and disillusionments. . Apart from the very visible penetration of marine spirits in our society today, influencing the music, fashion and film industries, these spirits also oppress people by coming to have sex with them in the dream or even claim to be married to them, resulting in what is called spiritual husband or spiritual wife. This spiritual union eventually becomes a ground for the devil to cut the victims out of their blessings in Christ and keep them in pains and sufferings.. Deliver Yourself from Marine Spirits - Spirit Husband or Spirit Wife - Today Spiritual husband or spiritual wife is not just a feel-good preaching or get scared talk to impress anyone. They are a reality that we are faced with in our world. They have become one of the powerful devices of the devil that we should not be ignorant about. These demons who will take different forms usually

give notice of their presence to their victims by coming regularly in the dream to have sexual union with them. Sometimes the victims will have dreams of having children and living married, while in the physical, the reverse is the case. These spiritual defilements, if not checked, will become a platform for the devil to create several forms of oppressions and attacks on the subjects and stop them from being blessed in many ways. In this book, I take you on a journey to discover the antics of these class of demons and then defeat them permanently and command your blessings. This book provides you great prayers and declarations to bring to an end the operation of marine spirits - spirit wives and spirit husbands - permanently.

Prayers against marine spirits Dr. Olusola Coker, 2020-06-11 The time has come to put a final stop on the activities of Marine Spirits. In recent times Marine Spirits has caused a lot of damages to the human race including Churches by influencing their behavioral pattern. Marine Spirits conduct their operation inside waters and made the oceans, rivers, seas, streams, and lakes their stronghold. However, it is extremely difficult to detect Marine Spirits than any other Spirits including witchcraft spirit. Unlike Witchcraft spirits who are aggressive and impatient in their operation, Marine Spirit is different, they are patient, well mannered and cultured in their operation. Are you finding solutions to any or all of the problems below but you find it difficult? Then this book is for you Uncontrollable sex Uncontrollable masturbation Watching of pornographic videos Chronic Anger in You 1. Dead in everything in a man's life, eg, dead brain, dead organs, dead spiritual life. 2. The weakening of pastors power to perform a miracle or cast out demons 3. Inability to get married on time 4. Frequent divorce 5. Bankruptcy 6. Spirit wife 7. Spirit husband 8. Sex in the dream Please find below the characteristics of Marine Spirits Marine Spirits are wicked as witchcraft spirits Marine spirits can wait for years to destroy their victims Marine Spirits come in the form of beautiful ladies and they work with a purpose in mind Marine Spirits are always materialistic Marine Spirits can make victim wealthy temporarily but later deal with them ruthlessly. Marine spirits have their agents everywhere especially in Churches, who hide under the cover of church and lead people into immorality, fornication, lesbianism, homosexuals and so on. In some cases, Marine Spirit agents could be pastors, general overseer, and church leader and so on. Such pastors engage in various forms of an immoral act with Church members. You have to be careful about which church you attend. Marine Spirit executes their plans by possessing either a man or a woman. The marine kingdom is headed by the queen of the coast. Marine Spirits possess female than male There are two types of Marine Spirits. They are conscious and unconscious. The formal know they are possessed, while the latter doesn't. Marine spirits use sex to oppress men and scatter homes through the power of sex. Marine Spirits are extremely fashion-crazy, they dress to attract on purpose, they walk to attract on purpose. Most ladies that date married men without remorse are Marine Spirits. They enjoy breaking the hearts of their victims so as to render them emotionally unstable. They make their victims take wrong decisions that will render their life useless. Marine Spirits agents are very unstable in relationships and they cannot keep a relationship for too long. Marine Spirits agents are good pretenders. The worse thing that can happen to a man is to fall in love with a lady possessed with

Marine Spirit. If a man decides to end the relationship, the lady possessed with Marine spirit begins to behave well and the moment the man changes his mind, she starts tormenting the emotion of the man, constantly frustrating the man.

Spiritual Warfare Chris Ojigbani,2009-02 Being a Christian is not a guarantee that you will receive all your heart desires. Though God wants you to receive all your heart desires, you must conform to the principle of Spiritual Warfare before you can receive them. The physical is governed by the spiritual. For you to control your physical environment, you have to win your Spiritual Warfare. If you want to enjoy good health, prosper in the area of marriage, prosper financially, or receive any desire of yours, you must win your Spiritual Warfare. Unfortunately, very many people neither know what Spiritual Warfare really means nor how to wage the war. Some even call it 'warfare prayers'. Though prayer is very important, it has nothing to do with Spiritual Warfare. This explains why many pray so much and still experience lack. If Spiritual Warfare were about prayers, you probably wouldn't have any of your needs unmet - because I believe you must have prayed very hard. If Spiritual Warfare is not about prayers, what then does it mean? This book contains a shocking revelation of the actual meaning of Spiritual Warfare and how to wage the war successfully. Pastor Chris Ojigbani is the Senior Pastor of Covenant Singles and Married Ministries. God commissioned him to liberate marriages through the preaching of the Word. He and his wife Uche, who is also involved in the ministry, live in Lagos, Nigeria. His television programme, Singles and Married with Pastor Chris Ojigbani, is aired on various television stations in many parts of the world. He also conducts interactive marriage seminars in different countries.

Satan Has Fallen Under My Feet Forever Judy Browne, 2016-06-25 This book was given birth in the spirit realm after many years of spiritual battle with satanists who cursed me and thought my destiny was over. The Holy Spirit prompted me to study the significance and meaning of colours and numbers in the Bible and how to use them in spiritual warfare. This book exposes the activities of colour therapy by satanists, marine agents, false prophets and prophetesses, who lead innocent souls to worship Satan through colours. On their altars, their priests wear red, black and white outfits to worship Satan. These are the spiritual colours of Satan. Recognize and discover the power of queen of heaven and queen of the coast and the destructive power that these principalities have on Christian churches today; these enemy of the cross have destroyed so many great destinies. This book outlines how to discern spirits, how one hears from God, how to recognize the false teachings in religious churches, and how to pray and destroy their demonic influence on ones life. Discover how satanists, false prophets and prophetess go into evil covenant relationships with church members and partners of their congregation. Through these evil covenants, evil soul ties are established by satanist, and these satanists are able to manipulate and control souls forever. This book will enable the reader to pray against all forms of evil covenants and evil soul ties and, with the prayers in this book, overcome Satan and his demons and proclaim, Satan has fallen under my feet forever.

The Drama of the Bible Theodore Otto Wedel, 1955

The Marine's Wife L. Richardson, 2023-01-18 First of all, this is not a self-help book. This a journey to discovering the true beauty that each of us has resonating on the inside. Getting married, having children, pursuing a career, and not knowing our true identity is a train wreck waiting to happen. I have lived on a continuous merry-go-round. The merry-go-round starts out slow paced; then, it increases speed, and finally, one day you realize that you cannot control the speed (not that you were ever in control anyway). As a woman, we go through life carrying pain from place to place, never really getting the healing that we need. Yes, there is some surface healing, but it crumbles when we find ourselves back in a position of vulnerability. We go through life taking pictures based on our pain, our experiences. These pictures that we take, we place them in frames and hang on our walls. Some of these pictures we allow others to see and some of them we keep hidden in the background. We look up one day and realize that all the pictures that we have taken have created the person that we are currently. Not all our pictures are painful; there are some great pictures that each of us has taken. My prayer is that the good pictures, the pictures that make us smile and give us warm, cozy feelings, outnumber the pictures that cause us to hold our heads down in shame, guilt, and regret. Let us lift our heads. We are more than our past and our experiences! God has great plans for us, and He will finish what He has started!

Lasting Visions of Floy Bugg Fenwick: Mother of Five Marine Sons Frederick Fenwick,2019-04-30 Merriam Press Biography Series. The true story of a woman who made a difference here on earth. She touched the lives of many people during her 90 years of significant and memorable events. Growing up in the heartland of Kentucky, she married a farmer and lived her entire life working and providing for her family of nine. She did not receive financial compensation for all her hard work, but for her, doing good deeds for others was of prime importance to her happiness and personal gratification. This is a story about my mother, Floy Bugg Fenwick. Her immediate family always had a special bond with her. She raised five sons and four daughters. As fate would have it, all five sons would serve their country in the United States Marine Corps. Her children, grandchildren and future generations will always remember how she made a difference as a decent and upstanding pillar of the community. This tribute to my mother comes from the heart. I will always love her, more than I can adequately express in words. 90 photos.

Prayer Against Rebellion Spirit That Scatter Home Tella Olayeri,2021-07-02 This book is a fabric that holds family together in prayer, counsel, action, wisdom, and better technique that bring joy and peace to home. Rebellion spirit is dangerous at home. It tears home apart with bandwagon of sorrow, shame, disgrace, poverty, and stagnancy. It is a taboo for children to be rebellious to parents, neither is it welcomed among spouse, or parent and children. This book treats in depth what causes rebellion at home and ways to handle it. Nothing happens without a cause. Rebellion of children is rooted on many factors. One major rebellion factor is the pressure to fit in the crowd. Children want to be heard and known in and out of home. They want to be heard, meanwhile the wind of life threatens, and threaten destiny as well. As much as parents want good things for their children, there must be a balance in the situation. This balance is the turning point that should favor

both parties. It is at this point rebellion comes in, if they view it not favorable. This book reveals that children rebellion is not a new concept, but what should be monitored to achieve good result that favors family. Deep thought is given to areas of interests that promote family. It spelt out:- 1. How children ambition is tailored to good result, as over ambition is gateway to frustration, failure, shame, and poverty. 2. How the vision of children can be achieved without stress or failure. Two heads, it is said, is better than one. When parent and children sit together to draw conclusion on an issue, vibrant results are achieved. 3. How the freedom and independence of children can be attained without misunderstanding. 4. The book enumerates the need to give attention to children. They want to be praised and noticed. It is food for thought to them. They want parents to praise them and draw their attention to areas that need improvement. 5. It shows parent's love to children through careful discipline. The book further explains that scold, advise and rebuke are rod and cane of discipline. 6. This book reveals that lust is not an asset but liability that must be avoided. 7. The book speaks volume of bad peer group that stagnate life or shorten life. Children of today fail to understand that to indulge in bad peer group make them far from Christ, and whoever far from Christ is close to crisis. 8. This book reveals how family altar is important, and also how demonic altar affects children to rebel at home. 9. One factor this book never misses is power of familiar spirit; how they operate to cause danger and rebellion at home, and deadly effects that can be avoided. 10. In short, it is a blessing to have this book. It is a loaded prayer book with Holy Spirit vomited prayer that destroys work of darkness. It is like saying, shut up! Thou pit of darkness. The book is a welcome to your library and home. To use it is like breaking rock to draw honey. Surely mercy, love, glory, miracles, signs, and wonders shall locate you as you use the book. I say congratulations.

Nigeria's Christian Revolution Richard Burgess,2008-08-01 Nigeria has become the area of one of the most remarkable religious movements of recent times, reflecting the shift in the global center of Christianity from the North to the South. This book tells the story of one sector of this movement from its roots in the Nigerian civil war to the turn of the new millennium. It describes a revival that occurred among the Igbo people of Eastern Nigeria, and the new Pentecostal churches it generated, and documents the changes that have occurred as the movement has responded to global flows and local demands. As such, it explores the nature of revivalist and Pentecostal experience, but does so against the backdrop of local socio-political and economic developments, such as decolonization and civil war, as well broader processes, such as modernization and globalization.
