The Inspired Teacher Donna Quesada, 2016-03-01 Donna Quesada had been teaching for about a dozen years when the first signs of burnout hit her. Rather than give in to her frustration, she reached for Buddha's teachings, the Zen wisdom that formed the basis of her own longtime spiritual practice. She survived the semester and gradually rediscovered the joy in her job that had been progressively declining. In this wise and inspirational book, she shares the lessons she learned—lessons that revealed, time and again, that no matter the situation, it's always about getting your head in the right place first. Resolution begins in our own minds. Some days, some semesters, and even some years will be more challenging and more wearisome than others, she warns. But in *The Inspired Teacher*, Quesada offers a lasting source of encouragement and Zen. Although the book draws from Eastern teachings, the wisdom is for everyone, regardless of personal background, creed, or faith. With elements of *The Last Lecture* as well as *Chicken Soup for the Teacher's Soul*, this is the perfect gift for

teachers—but also for anyone needing inspiration.

The Yoga Teacher Alexandra Gray,2008-08-12 This novel of a British woman's decision to ditch her job and devote herself to yoga is "drolly funny...a winning depiction of a modern spiritual quest" (Kirkus Reviews). Grace is a pharmaceutical rep, making good money visiting doctors to pitch her company's latantidepressant, a job that's been getting sort of...depressing. So is her long-term relationship, which has been slowly fizzling out. The one thing that makes her feel better,

that allows her to transcend her unsatisfying life, is yoga class. Then, inspired by a conversation with Dr. James, a physician interested in Eastern medicine, Grace decides to pursue a new path as a yoga teacher. After a trip to California to study at the White Lotus Foundation, she returns to London to start her new life. But teacher training did not prepare her for the motley crew of students she encounters—the octogenarian industrialist desperate for distraction; the supermodel who indulges yogic aspirations when she tires of kabbalah; the American film star who uses yoga classes to conceal a scandalous affair. Her one solace comes from her correspondence with Dr. James—now in Vietnam on a quest of his own. Both inspiring and hilarious, *The Yoga Teacher* gently skewers our preference for a quick-fix nirvana over the rigor of practice—as it follows one woman’s search for love and meaning in a world numbed by materialism and psychotropic drugs. “Gray portrays the world of Westernized yoga, from its true disciples to spandex-wrapped poseurs, in this uplifting tale of starting over...an inspiration for anyone who’s ever yearned to pursue a dream.”—Publishers Weekly

Libra helps you create balance in the fall. Capricorn gives you the strength to transcend your limitations in the winter. Jilly Shipway, author of *Yoga Through the Year*, shows you how to make your practice shine through specially chosen affirmations, asanas, correspondences, and more.
