

Just As You Are

Angie Williams

Just as You Are Paul Coutinho, 2011-09-29 Stop spinning your spiritual hamster wheel. Start living in the limitless love of God. Many of us go through life thinking and acting as though we can somehow, in some way, earn God's love and favor. If only we do this, or that, or both, or more, God just might offer us at least a small bit of Divine approval or acceptance. Eventually realizing the impossibility of "getting right" with God through our own efforts, and tired of futilely going 'round and 'round in spiritual circles, we may even be inclined to permanently turn away from the Divine. In Just as You Are, Paul Coutinho, SJ, helps us move forward in the confidence that God already loves us and simply asks that we embrace this amazing love and live in it on a daily basis. A native of India, Fr. Coutinho combines Eastern sensibilities with Ignatian principles and practices to show us how to open our lives—now and always—to the infinite, unfathomable love of God. Filled with thought-provoking stories, inspiring anecdotes, and memorable metaphors, Just as You Are makes clear that experiencing the joy and freedom of the Divine journey is the only "work" we need to do. Being in love with the Divine is God's gift that is always available to anyone who is looking for it. We have all had a taste of Divine love and our spirits hunger for more. But then other voices muffle the unconditional gift of Divine love—voices that speak of fear, guilt, anxiety, and unworthiness. Falling in love with God begins with an infatuation that penetrates those negative voices, and we respond to this either by being more and more attracted to the Divine or we are repulsed by the experience. We come closer or we fight to get away. In either case our focus is the Divine energy that is drawing us to itself. The Divine seducer never gives up but continues to draw us in many different ways to a deeper union and communion with the Ultimate. But when all is said and done, the falling in love will be up to you. So if you really have the will to experience life as one who is in love with the Divine, it will happen. If you want it, you'll find it. In fact, love will find you. Are you willing? Are you ready?

Just as You Are Camille Kellogg, 2023-04-25 Equal parts witty and steamy, this debut rom-com is "filled with fun" (People) and brings a healthy dose of queerness to a Pride and Prejudice-inspired enemies-to-lovers romance. "Brims with heart, spice, and humor."—Ashley Herring Blake, author of Delilah Green Doesn't Care "The L Word, but better."—TJ Alexander, author of Chef's Kiss "A juicy sapphic romp; sweet, sexy, and tender in all the right ways."—Gabrielle Korn, author of Everybody (Else) Is Perfect A LIBRARY JOURNAL BEST BOOK OF THE YEAR The only thing worse than hating your boss? Being attracted to her. Liz Baker and her three roommates work at the Nether Fields, a queer magazine in New

York that's on the verge of shutting down—until it's bought at the last minute by two wealthy lesbians. Liz knows she's lucky to still have a paycheck but it's hard to feel grateful with minority investor Daria Fitzgerald slashing budgets, cancelling bagel Fridays, and password protecting the color printer to prevent "frivolous use." When Liz overhears Daria scoffing at her listicles, she knows that it's only a matter of time before her impulsive mouth gets herself fired. But as Liz and Daria wind up having to spend more and more time together, Liz starts to see a softer side to Daria—she's funny, thoughtful, and likes the way Liz's gender presentation varies between butch and femme. Despite the evidence that Liz can't trust her, it's hard to keep hating Daria—and even harder to resist the chemistry between them. This page-turning, sexy, and delightfully funny rom-com celebrates queer culture, chosen family, and falling in love against your better judgment.

Just Give Me Your Last Name Temi Olaniyan, 2019-06-10 Just Give Me Your Last Name is a book that was born out of the life of a frustrated single waiting endlessly for love. This book takes you through my journey of finding true love in singleness and becoming whole in that process. The aim of this book is to give you a different perspective to single life and to help you embrace your single journey as you hope to embrace the marriage journey. The book is about finding the silver lining in the seemingly cloud of single life and letting that lining trump the cloud until the gloss of your single life is evident to the world. My hope is that as you read this book, you will prioritize finding and giving love as a single person instead of waiting for love to find you. This book will move you to the front seat of your single life, have you switch to cruise mode, and soar the length and breadth of singleness in confidence. This book will make you laugh, get you thinking, and ultimately, move you to action that will birth the change you always hoped for.

[Just The Way You Are](#) Erika Kelly, 2019-08-13 Princess Gone Wild! When Princess Rosalina discovers her fiancé cheating on her, she's done being dutiful. Jumping on a plane, she lands five thousand miles away in a world of hot cowboys, jeans skirts, and tequila. Grabbing her chance to fly under the radar, she plans on acting out every single fantasy she's denied

herself while trying to meet the expectations of her family and country. Brodie Bowie doesn't know what happened. One minute he's wreaking havoc and tearing up the slopes with his brothers, and the next he's an outsider. All of them are in serious relationships. He just can't figure out why they'd put a ring on it when there's so much fun to be had as a single man. Brodie's not the settling down type, but then he's never met anyone like the woman who jumps in front of his bulldozer, refusing to let him dig up his meadow. The feisty chemist and perfumer is everything he never knew he wanted. Except she only wants a summer fling before she goes back to her real life...as a princess. He doesn't fit in her world, and there's no way she can live in his. But a love like theirs doesn't play by the rules. Previously published as *The Reluctant Boyfriend*

Embodied Christopher Eccleston,2015-11-26 We grow up thinking there are five senses, but we forget about the ten neglected senses of the body that both enable and limit our experience. Embodied explores the psychology of physical sensation in ten chapters: balance, movement, pressure (acting in gravity), breathing, fatigue, pain, itch, temperature, appetite, and expulsion (the senses of physical matter leaving the body). For each sense, two people are interviewed who live with extreme experiences of the sense being investigated; their stories bring to life how far physical sensations matter to us and how much they define what is possible in our life. How physical sensation shapes behavior and how behavior is shaped by sensation are examined. A final chapter presents a theory of what is common across the ten senses: of how we deal with being urged to act, and what happens when extreme sensation is inescapable.

RADICAL LIGHT Sylvia Bennett,2010-02-24 This second book of the Real Magic series continues to explore the ancient Hermetic Teachings as “A mental art—the art of using consciousness itself as the tool for creating changes in consciousness.” What does the Hermetic axiom “as above, so below” really mean? The relationship between macrocosm (above) and microcosm (below) is the key to the Hermetic Teachings. Macrocosm refers to the Eternal Reality of Light; the realm of God. Microcosm is its reflection; a fragmentation of Light; the world of human existence and human ego. The core of the Hermetic Teachings for centuries has been focused on transforming the fragmented body of Light in human consciousness and uniting below with above.
