

King Of Patriam Outlaws

Daniel F McAuley

King of Patriam Amizah R,2023-08-21 The combat trials. He's going. Cassian's only qualm is that he has to do the wrong thing to do the right thing. The city's fate rests on his shoulders, but that's not what plagues his thoughts and hurries his heart. She'll never forgive him. He knows it, but he still has hope that he can claim the heart of the woman he left behind. If he makes it out alive... He left her. He thinks he's doing the right thing, but the numbers that Salem has trusted all her life are beginning to lose her faith. She wants him to live, she'll do anything to make sure that he does. But can she ever come to terms with what he did to save the city, what he did to her? She gets her chance to keep him alive for long enough to figure that out, but what will happen when his safety is no longer in jeopardy? What will happen when it's hers? This is the third and final book in the QOTD series, part 2 of Cassian and Salem's story. The order of the series: 1. Queen of The Dome 2. Brother of the King Consort 3. King of Patriam: Outlaws Please be sure to read the author's note and trigger/content warnings. This book is not a stand-alone and it is highly recommended that you read the first two books in the series so that you can understand the world, magic system, and character backstories as it picks up where Book 2 ends.

Conquered Eleanor Parker,2022-02-24 Outstanding. - The Sunday Times Beautifully written. The Times Superbly adroit. The Spectator Excellent. BBC History Magazine The Battle of Hastings and its aftermath nearly wiped out the leading families of Anglo-Saxon England - so what happened to the children this conflict left behind? Conquered offers a fresh take on the Norman Conquest by exploring the lives of those children, who found themselves uprooted by the dramatic events of 1066. Among them were the children of Harold Godwineson and his brothers, survivors of a family shattered by violence who were led by their courageous grandmother Gytha to start again elsewhere. Then there were the last remaining heirs of the Anglo-Saxon royal line - Edgar Ætheling, Margaret, and Christina - who sought refuge in Scotland, where Margaret became

a beloved queen and saint. Other survivors, such as Waltheof of Northumbria and Fenland hero Hereward, became legendary for rebelling against the Norman conquerors. And then there were some, like Eadmer of Canterbury, who chose to influence history by recording their own memories of the pre-conquest world. From sagas and saints' lives to chronicles and romances, Parker draws on a wide range of medieval sources to tell the stories of these young men and women and highlight the role they played in developing a new Anglo-Norman society. These tales – some reinterpreted and retold over the centuries, others carelessly forgotten over time – are ones of endurance, adaptation and vulnerability, and they all reveal a generation of young people who bravely navigated a changing world and shaped the country England was to become.

Brother of the King Consort Amizah R, 2023-08-21 It's been seven years since Cassian pulled the trigger, and six since he left Old Dome territory, hoping never to return. Even with the time spent away, nightmares still plagued his sleep and anxiety still rode his senses. Though that didn't mean that life on Old Dome territory would be any better, a knock on his door in the middle of the night makes him very aware that he doesn't have much of a choice. He has to go back. Silence. That's all it's been for seven years. One might have thought Salem's new condition would be ideal for a person so sensitive to noise, but no. The silence is slowly swallowing her whole, and there isn't much she can do about it. However, the arrival of a certain someone and an impending threat has new life entering her, feelings she's never felt before. But she's quickly reminded that it can all be snuffed out by a vicious game and a ruthless opponent. This is the second book in the QOTD series, following Cassian and Salem's story. The order of the series: 1. Queen of The Dome 2. Brother of the King Consort 3. King of Patriam: Outlaws Please be sure to read the author's note and trigger/content warnings. This book is not a stand-alone and it is highly recommended that you read the first book in the series so that you can understand the world, magic system, and character backstories as it picks up where the epilogue of Book 1 ends.
