So sit back into a comfortable chair; put your feet up with a cuppa, and let's go on an adventure to distant stars, via that movie screen in your mind. PG - 13 : Parental Guidance Recommended This novel does contain descriptions of moderate action violence, suggestive adult content, controlled drug use, political themes, and some persons could interpret that it has religious connotations. Events and behaviours have been presented as realistic as possible; so as to be true to the human condition. Technical Notes The technologies described in this novel are based on the extrapolations (over the next 100 years)

of existing 21st century engineering and science. The technical solutions proposed are derived specifically to resolve the engineering (as well as social and economic) problems resulting from the story's premise and associated situational circumstances. Alas, the storyline does not utilize advanced technologies such as; faster than light travel (e.g. warp drives), wormholes, jump gates, teleportation, time travel, parallel dimensioning, and other such techno wizardry.

**Funny Side Up** S. L. Varnado,2011-04-04 Aging is a serious business that combines memory lapses with cholesterol counts and fixed incomes. In Funny Side Up, a former columnist for the Mobile Press Register shares a collection of unabashed, unapologetic short stories that provide an amusing glimpse into the whirlwind life and opinions of a typical senior citizen living in the twenty-first century. Through exaggerated satire, Varnado offers a variety of tales with a potpourri of characters and events that detail the yearly visit of a cigar-smoking guardian angel whose unrealistic optimism drives him insane; a wife's heroic campaign against the machinations of the banking industry; and an encounter with Rasputin Bloodworthy, car dealer extraordinaire. All this combined with an investigation into the political correctness of Santa Claus, a cholesterolic who has a sudden urge for a candy bar, and three stooges who want nothing more than to cap the BP oil spill makes for an unforgettable look into the bizarre entities that accompany the cockamamie journey into senior citizenship. Funny Side Up mixes nostalgia with a giant dose of humor as a senior citizen shares a hilarious tale of learning to survive in a modern world.
