Stained Glass Hearts Patsy Clairmont, 2011-08-09 Much like stained glass, life's broken pieces become the prism through which God's grace shines most brightly and beautifully. Life is no doubt full of difficulties, but it is also filled with promise and possibility, says best-selling author and WOF speaker Patsy Clairmont. In Stained Glass Hearts Clairmont guides readers to view the difficult experiences of life through the lens of God's grace. Using art as a theme, and likening people to stained glass windows, she shares that it's when we're surrounded by darkness that His healing light shines most brightly within us. Encouraging women to step back and see life from this new perspective, Patsy offers help and hope for the dark places of life. Along with character studies of women in Scripture, and modern-day, relatable stories, each chapter includes:

TRUE LOVE Dr. Marni Hill Foderaro,2024-10-22 Memories play a role in our overall well-being. Memories strengthen our sense of identity and purpose. In lovingly creating detailed keepsakes for our son and daughter, my goal was to preserve, safeguard and cherish their memories, wanting our children's recollections to reflect their many positive life moments. I didn't foresee a future time when these memories would be all that we had left, because I never anticipated I'd endure the unbelievable heartache and significant losses that come with being a severely Targeted Mom, unable to protect our children from extreme Parental Alienation. Memories can be covertly manipulated by a Pathogenic, Character-Disordered Parent who uses Coercive Control, Intermittent Reinforcement, has a malevolent agenda and is skilled at Gaslighting, Blame Shifting and Projection while using repetition, along with the support of their regime of loyal enablers, to convince their Aligned Child(ren) to believe a False Narrative, while suppressing the positive truth. Stockholm Syndrome, Independent Thinker Phenomenon, Psychological Splitting and Black-and-White Thinking also contribute to what a Young/Adult Child remembers. Our memories differ, are imperfect, can fade over time and can be altered or rewritten. This memory book recounts the many moments I shared with our children while raising them into adulthood, and when we were in each other's lives. Eventually honest facts will be revealed, righteousness will prevail and we'll be reunited. My heart is and has always been filled with love, compassion, forgiveness, truth, integrity, light and goodness. My TRUE LOVE for our children has never wavered. It's my hope that our son and daughter will know the truth, critically think, research, reflect and remember the many happy times we experienced together.
