

The Hearts We Sold

Emily Lloyd-Jones

The Hearts We Sold Emily Lloyd-Jones, 2017-08-08 An intoxicating blend of fantasy, horror, and romance--a Faustian fable perfect for fans of Holly Black, and *Stranger Things*. Dee Moreno is out of options. Her home life sucks (to put it mildly), and she's about to get booted from her boarding school--the only place she's ever felt free--for lack of funds. But this is a world where demons exist, and the demons are there to make deals: one human body part in exchange for one wish come true. The demon who Dee approaches doesn't trade in the usual arms and legs, however. He's only interested in her heart. And what comes after Dee makes her deal is a nightmare far bigger, far more monstrous than anything she ever could have imagined. Reality is turned on its head, and Dee has only her fellow heartless, the charming but secretive James Lancer, to keep her grounded. As something like love grows between them amid an otherworldly threat, Dee begins to wonder: Can she give James her heart when it's no longer hers to give? In *The Hearts We Sold*, demons can be outwitted, hearts can be reclaimed, monsters can be fought, and love isn't impossible. This book will steal your heart and break it, and leave you begging for more.

The Hearts We Mend Kathryn Springer, 2016-03-08 Planning and Post-It notes are the epitome of Evie's life. But when she meets Jack, her life gets more than a little complicated. Thirteen years ago, Evie's firefighter husband was killed in the line of duty, leaving her to raise their young son, Cody, alone. Now, Cody is marrying the love of his life, and as he packs up his belongings, the house feels as empty as Evie's heart. But for all her planning and mad organizational skills, Evie could never have anticipated the dramatic shift her life is about to make. Tattooed, rough-around-the-edges Jack raises quite a few eyebrows in the tight-knit community of Banister Falls. Where Evie's life is stream-lined, Jack's approach to living is moment-by-moment. But as Evie gets drawn into Jack's world—a world that isn't as safe or predictable as the one she's worked so hard to create—he challenges her to open her eyes to the problems outside the walls of the church. Jack doesn't make Evie feel comfortable, but he definitely makes her feel something. Something she hasn't felt since Max passed away—or, maybe ever. Because even though Jack isn't anything like her late husband, he just might be everything she needs.

The Wild Huntress Emily Lloyd-Jones, 2024-10-01 From the bestselling author of *The Bone Houses* and *The Drowned Woods* comes a thrilling fantasy about three unlikely allies bound together in a deadly, magical competition—perfect for fans of Holly Black and Erin A. Craig. Every five years, two kingdoms take part in a Wild Hunt. Joining is a bloody risk, and even

the most qualified hunters can suffer the deadliest fates. Still, hundreds gamble their lives to participate—all vying for the Hunt's life-changing prize: a magical wish granted by the Otherking. BRANWEN possesses a gift no other human has: the ability to see and slay monsters. She's desperate to cure her mother's sickness, and the Wild Hunt is her only option. GWYDION is the least impressive of his magically talented family, but with his ability to control plants and his sleight of hand, he'll do whatever it takes to keep his cruel older brother from becoming a tyrant. PRYDERI is prince-born and monster-raised. Deep down, the royal crown doesn't interest him—all he wants is to know where he belongs. A trickster, a prince, and a wild huntress—all in pursuit of the Champion's prize. If they band together against the monstrous creatures within the woods, they have a chance to win. But nothing is guaranteed. After all, all are fair game in love and the Hunt. Set in the same world as *The Bone Houses* and *The Drowned Woods* but with a whole new, unforgettable cast of characters—*The Wild Huntress* will have readers hooked from the very first page.

A History in Indigenous Voices Carol Cornelius,2023-06-28 A history of Wisconsin's Indigenous past, present, and future—in Native peoples' own words. Treaties made in the 1800s between the United States and the Indigenous nations of what is now Wisconsin have had profound influence on the region's cultural and political landscape. Yet few people realize that in the early part of that century, the Menominee and Ho-Chunk Nations of Wisconsin signed land treaties with several Indigenous nations from New York State. At the onset of the removal era, these eastern nations, including the Oneida Nation and the Six Nations Confederacy, were under constant pressure from the federal government and land speculators to move to lands around Green Bay and Lake Winnebago. In this groundbreaking book, Carol A. Cornelius has compiled a careful account of these nation-to-nation treaties, in large part in the words of those Indigenous leaders who served as the voices and

representatives of their nations. Drawing on a rich collection of primary sources, Cornelius walks readers through how, why, and for whom these treaties were made and how the federal government's failure and unwillingness to acknowledge their legitimacy led to the further loss of Indigenous lands. The living documents transcribed here testify to the complexity and sovereignty of Indigenous governance then and now, making this volume a vital resource for historians and an accessible introduction to Indigenous treaty-making in Wisconsin. "As For Me And My House, We Will Serve the Lord" Keith J. Daniels, 2008-08 Throughout the centuries men and women have had to choose which way to go in their lives; will I do it my way or will I do it God's way. One of the greatest responsibilities in man's and a woman's life is to bring up their children in the Lord; and teach them to reverence the One True God, to believe and trust Him. The world also offers many ways to live life, to raise children and to prosper. This book is not a book about my way; this book is a book about God's way. To the best of my ability these chapters are right from God's heart straight to his family. God is loving, tender, merciful and forgiving. He is gently calling everyone to his family. What is our response? Do we follow Him or do we go our own way? The choice is up to us. Keith Daniels is a father, a teacher and a Christian author. His major in college was history. He is a retired U.S. Navy veteran of the submarine service. He has spent over 30 years of his life doing biblical research including analyzing the historical background of the first century church. He spends most of the year in Rhode Island and the majority of his summers in Maine. He and his wife Diana have ten-year-old triplets; William, Stuart and Elena. He attends home bible fellowships, spends time as a workman of the word and shares what he learns. He prays daily both in the spirit and with his understanding also. The power of God is manifested in his life and in his service. His motto is Trust God. If you have any questions about the contents of this book, you can contact him at kedtec@aol.com.

Priorities Jean D'or Nkezabahizi, 2012-05 PRIORITIES: Choosing an Ideal Life is the true story about the difference one person can make in other people's lives by sharing the promise of a strong relationship with God. On the surface, it is the story of a rich man who lived his life considering that the treasure in his life was money—until a fateful confrontation at a gas station with Jean d'Or makes him wonder how he can change his life for the better. The story begins simply enough. Both Jean d'Or and James are heading for the same gas pump, but James cuts the other man off. Rather than start a scene, Jean d'Or waits his turn. As James is getting back into his vehicle, unbeknownst to him, an envelope containing \$20,000 falls under his car, and he drives away. Jean d'Or picks it up, realizes what it contains, and chases after James. When they finally

meet, James is once again rude, wondering why this person has followed him. When he discovers the reason, he contritely offers Jean d'Or a reward, which is refused on the basis that he is a Christian. Intrigued, James asks if they can meet again. What happens next is an inspiring story of the difference that God can make in our lives. PRIORITIES: Choosing an Ideal Life is a powerful story of God, friendship, and the power that faith can bring to all who believe.

The Penguin Book of Modern Urdu Poetry Julian Nangle, 1986 The poets represented in this collection have made a major contribution to the development of Urdu poetry during this century. In their hands it has been transformed from a literature of philosophy and psychology to one that has given a voice to the suppressed anger of the Urdu-speaking people. Those poets with the most influence, both popular and literary, include Faiz, who used the structure of the gazal, or love lyric, for his own political ends; Rashed, whose free verse represented a break with tradition; Akhtar-ul-Iman, who used an everyday style to address innovative topics; and Sardar J'afri, the intellectual and radical poet who brought a revolutionary fervour to his work. These and other poets, some of them women, document the prevailing moods of twentieth-century India, sometimes at the risk of imprisonment. From the optimism of the forties after the separation of Pakistan, they trace the consequent disappointment of the fifties when the problems remained unsolved. Then comes the scepticism of the sixties and the subsequent introversion that has led to greater artistry. This selection of their work imparts the flavour of life in the sub-continent and attempts to convey the beauty and lyricism of the Urdu original. --
