Magic and Heartache Books 1 & 2 E L Roux, 2024-05-12 Books 1 & 2 in the Magic and Heartache series have been combined into one glorious printed book! Unrequited Love A novella with love, magic, and a touch of coffee. I've been in a rut

since my boyfriend dumped me, and now he's in my coffee shop every day with his new fiancé. When grouchy Cane makes my body hum again, I know I'm ready to move on. With his curled horns and awkward smile, I'm braced for Cane to ask me out, except he doesn't. Cane wants to make a deal. I'd help to foresee into my ex's love life, something I don't want to do, and I'm guaranteed a sexy night of skin-on-skin contact wrapped in Cane's warm muscled arms, an experience I might have been hoping for. What's the harm in partaking of the pleasures the spell requires? The thing is, love spells require one thing, and it's something I'm not sure I can give... Unrewarded Love A novella with love, magic, and a touch of fashion. To say I don't trust my mother's sexy caterer is an understatement. He's pushy, too well dressed, and stubbornly refuses to take my rebuffs for what they are, a need for Kyla to prove he wants me for me, and not just access to mom's fashion designs. When I'm forced to work with Kyla to save Mom's fashion show, my secret fears are realized when Kyla proves to be too persuasive and sexy for his own good. It isn't long before I second guess my desire to keep him at arm's length...or was it up close and against me? As the fashion show approaches, so too does the possibility of an end of Kyla and I's relationship. How can I trust he won't leave like everyone else when his access to fashion disappears? I don't know if my soul can't take the pain of yet another heartbreak.

The Subversion of Romance in the Novels of Barbara Pym Ellen M. Tsagaris, 1998 Points out how British novelist Pym (1913-80) parodied the conventions of romance novels by deflating characters, hyperbole, and exaggeration, or emphasizing meticulously the mundane elements of everyday life. Shows how she used food, clothes, heroin and hero characterizations, and marriage customs to portray her characters, and perhaps her own, skepticism about the whole business. The Memoirs of an Unrequited Love Harun Al-Rashid, 2018-10-18 Early in life, Rudevish Shekab falls prey to the notion that without love his life is meaningless. With an iron-hard character, Lunaba Mini is his ideal girl but from a different faith. His tribulations begin when he knows for sure that he won't get the woman for whom he has lived. Told from the afterlife when Rudevish's understanding of his former life is complete, *The Memoirs of an Unrequited Love* is the story of Rudevish's obsession and his confrontation with the Frankenstein monster of his own creation. Harun Al-Rashid, an exciting new voice in South Asian literature, uses his gift for imagery and his unique sense of language to weave the story of a man torn between reality and an ideal - a man who will either be lifted to the nirvana of perfect love or be consumed and destroyed by it.

Grace Talbert has never been one to follow expectations. No matter how many suitors her father handpicks, she longs for a love that sets her heart ablaze, not a cold arrangement of convenience. Her passion lies in her work with the Women's Aid Society, where she fights tirelessly for the poor and the Indians. But when a mission to deliver goods to a remote reservation goes awry, Grace finds herself stranded in the wilderness—face-to-face with a man who challenges everything she thought she wanted. Joshua Harrison knows what it feels like to fail—at love, at life, at being enough. Returning to Prescott with the orphaned daughter of a fallen friend, he hopes to build a promising future for his daughter. But his heart remains guarded after two failed romances, and raising a child alone is a responsibility he feels woefully unfit for. When a twist of fate leaves him stranded with Grace Talbert, her fiery spirit sparks something deep within

him. Yet Joshua fears that trusting her with his heart may lead to heartbreak once again. As the Arizona frontier reveals its untamed beauty and unrelenting dangers, Grace and Joshua must rely on their wits and faith to survive. Together, they'll face trials that could shatter their resolve or forge an unbreakable bond. Will they open their hearts to the love God has in store, or will fear and doubt rob them of a chance at love? The Cambridge Companion to Contemporary African American Literature Yogita Goyal,2023-12-21 This book provides a systematic and vibrant account of the range and achievements of contemporary Black writers.

Veil and Vow Aneeka Ayanna Henderson,2020-01-29 In *Veil and Vow*, Aneeka Ayanna Henderson places familiar, often politicized questions about the crisis of African American marriage in conversation with a rich cultural archive that includes fiction by Terry McMillan and Sister Souljah, music by Anita Baker, and films such as *The Best Man*. Seeking to move beyond simple assessments of marriage as "good" or "bad" for African Americans, Henderson critically examines popular and influential late twentieth- and early twenty-first-century texts alongside legislation such as the 1996 Defense of Marriage Act and the Welfare Reform Act, which masked true sources of inequality with crisis-laden myths about African American family formation. Using an interdisciplinary approach to highlight the influence of law, politics, and culture on marriage representations and practices, Henderson reveals how their kinship veils and unveils the fiction in political policy as well as the complicated political stakes of fictional and cultural texts. Providing a new opportunity to grapple with old questions, including who can be a citizen, a "wife," and "marriageable," *Veil and Vow* makes clear just how deeply marriage still matters in African American culture.

Rocked by Romance Carolyn Carpan,2004-04-30 Offers a guide to teenage romance fiction which focuses on themes of dating, first love, and sexuality, and includes annotations for each book.

Flirting with Danger Lynn Phillips,2000-11 How young women make sense of, resist, and negotiate conflicting messages on female sexuality and sexual agency In *Flirting with Danger*, Lynn M. Phillips explores how young women make sense of, resist, and negotiate conflicting cultural messages about sexual agency, responsibility, aggression, and desire. How do women develop their ideas about sex, love, and domination? Why do they express feminist views condemning male violence in the abstract, but often adamantly refuse to name their own violent and exploitive encounters as abuse, rape, or victimization? Based on in-depth individual and collective interviews with a racially and culturally diverse sample of college-aged women, *Flirting with Danger* sheds valuable light on the cultural lenses through which young women interpret their sexual encounters and their experiences of male aggression in heterosexual relationships. Phillips makes an important contribution to the fields of female and adolescent sexuality, feminist theory, and feminist method. The volume will also be of particular use to advocates seeking to design prevention and intervention programs which speak to the complex needs of

women grappling with questions of sexuality and violence.

Psychoanalysis and Black Novels Claudia Tate, 1998 The author of this text argues that psychoanalytic paradigms can produce rich readings of African-American desire, alienation, and subjectivity.

A Companion to American Fiction, 1780 - 1865 Shirley Samuels, 2008-04-15 This Companion presents the current state of criticism in the field of American fiction from the earliest declarations of nationhood to secession and civil war. Draws heavily on historical and cultural contexts in its consideration of American fiction Relates the fiction of the period to conflicts about territory and sovereignty and to issues of gender, race, ethnicity and identity Covers different forms of fiction, including children's literature, sketches, polemical pieces, historical romances, Gothic novels and novels of exploration Considers both canonical and lesser-known authors, including James Fennimore Cooper, Hannah Foster, Nathaniel Hawthorne, Herman Melville and Harriet Beecher Stowe Treats neglected topics, such as the Western novel, science and the novel, and American fiction in languages other than English

The Compass and the Couch Mariano Horenstein, 2019-02-01 T00:00:00+01:00 What is the connection between a compass and a couch? It is the meeting of a mechanical gadget used for geographical orientation on the planet, together with another artifact, one of furniture, which has become the icon of the psychoanalytic practice. Both objects allow us to orient ourselves in uncertainty and in darkness with regard to our own subjective, intimate or physical position. Within an effort to encompass the heterogeneous, Mariano Horenstein provides specific conceptual tools that examine different meanings of the notions of "place" and "encounter" from a psychoanalytic perspective. Through an interdisciplinary approach that combines the fields of topology, architecture, geography, and archaeology, this book enables an in-depth understanding of the idea of "space" and explores new aspects in the current debate of this timely issue.

The Wordhord Hana Videen, 2023-10-10 An entertaining and illuminating collection of weird, wonderful, and downright baffling words from the origins of English—and what they reveal about the lives of the earliest English speakers Old English is the language you think you know until you actually hear or see it. Unlike Shakespearean English or even Chaucer's Middle English, Old English—the language of Beowulf—defies comprehension by untrained modern readers. Used throughout much of Britain more than a thousand years ago, it is rich with words that haven't changed (like word), others that are unrecognizable (such as neorxnawang, or paradise), and some that are mystifying even in translation (gafol-fisc, or tax-fish).

In this delightful book, Hana Videen gathers a glorious trove of these gems and uses them to illuminate the lives of the earliest English speakers. We discover a world where choking on a bit of bread might prove your guilt, where fiend-ship was as likely as friendship, and where you might grow up to be a laughter-smith. The Wordhord takes readers on a journey through Old English words and customs related to practical daily activities (eating, drinking, learning, working); relationships and entertainment; health and the body, mind, and soul; the natural world (animals, plants, and weather); locations and travel (the source of some of the most evocative words in Old English); mortality, religion, and fate; and the imagination and storytelling. Each chapter ends with its own “wordhord”—a list of its Old English terms, with definitions and pronunciations. Entertaining and enlightening, The Wordhord reveals the magical roots of the language you’re reading right now: you’ll never look at—or speak—English in the same way again.
