**Notes On... Nursing Leadership** Alison H. James,David Stanley,2024-02-09 NOTES ON... NURSING LEADERSHIP Unlock the secrets to effective nursing leadership with this essential guide In the ever-evolving landscape of healthcare, leadership capability is a vital skill for nurses, however, leadership development and application within the field is rarely addressed during training. This essential resource ensures nurses are equipped with the guidance needed to develop as effective and resilient leaders within the workplace. Centred on the clinical nurse's perspective, this text serves as a practical guide to applying nursing leadership concepts and provides a timely and authoritative overview of what it means to be a nurse leader in the health service. Throughout the text, the authors provide vignettes that share their personal experiences, highlight the value of applying nursing leadership, describe the different components of leadership, and more. Notes On... Nursing Leadership is a must-read for undergraduate and trainee nurses looking for a concise introductory text that links current key debates and thinking in leadership to nursing practice. It is also an invaluable resource for qualified and practicing nurses wanting to develop their leadership skills, broaden their leadership potential, or inspire and support other nurses in their approach to leadership.

*By Their Side* Lara Lyn Bell,2019-11-12 This practical resource guide shares essential information and personal stories from eating disorder survivors, family members, caretakers, and others. When someone you love is in the throes of an eating disorder, it can be difficult to believe recovery is possible. *By Their Side* offers help and hope to those fighting alongside a loved one in the struggle against this heartbreaking illness. Providing first-hand testimony, scientific expertise, resources, and actionable guidance, the book serves as a lifeline for both the individual coping with the disease and those struggling to give them the right support. Written collectively under the name Lara Lyn Bell, *By Their Side* draws together the diverse stories of families, friends, doctors, therapists, caregivers, and recovered eating disorder advocates. The Lara Lyn Bell collective speaks together to emphasize the insidious, cross-cultural impact of this life-or-death issue. As a result of their united anonymity, *By Their Side* mirrors the reader's story as they connect with the shared challenges, successes, and perspectives on their journey to healing.

Whether you want to switch careers, move to a

different part of the world, set boundaries with someone in your life, or increase your capacity for self-love, *Jump . . . and Your Life Will Appear* will support you on a practical path from start to finish.

*The Gifts of Imperfection by Brene Brown | A 30-minute Summary* Instaread Summaries, 2014-10-02 PLEASE NOTE: This is a summary of the book and NOT the original book. *The Gifts of Imperfection by Brene Brown | A 30-minute Summary* Inside this Instaread Summary: • Overview of the entire book • Introduction to the important people in the book • Summary and analysis of all the chapters in the book • Key Takeaways of the book • A Reader's Perspective Preview of this summary: Chapter 1 It is necessary to practice courage, compassion, and connection on a daily basis in order to develop worthiness. It is a mistake to try and win someone over, because it means trading in the sense of self in search of approval from another. By doing this, people stop believing in their own worth. The first step toward living wholeheartedly is for people to have the courage to reach out to others and to share their own stories of shame. When in need of compassion, people should reach out to the right person, someone who supports them whether they are feeling strong or whether they are struggling. When people are willing to reveal that they are imperfect and real, their relationships are strengthened. They make a connection. This is why courage, compassion, and connection are the gifts of imperfection. Courage is displayed when people are willing to speak honestly and openly about who they are, what they are feeling, and their experiences both good and bad. Courage is about being vulnerable. It takes courage for someone to ask for what he or she needs and to risk disappointment. When one person has courage, it can create a ripple effect, making others around that person a little braver. Compassion is a relationship between two equals. It occurs when people recognize they share humanity with others. The heart of compassion is acceptance by people of themselves and of others. In order for compassion to occur, people need to set boundaries and hold others accountable for their behavior. The key to compassion is being able to separate people from their behaviors. It is necessary to address what people do, not who they are. Connection exists as the energy between people who feel they have been seen, heard, and valued without judgment. People feel strengthened by this relationship and need connection to do well emotionally, physically, spiritually, and intellectually. Connections happen when people both give and receive with an open heart. Chapter 2 Love and belonging are necessary in people's lives. In order for people to experience love and belonging, they must believe they are worthy. People who accept themselves for who they are and who stop worrying about what others think are worthy of love and belonging. At the heart of wholeheartedness is that people have to believe they are worthy now, as they are, not if or when they become or do something in the future....

**Voices of Influence** Zahrina Robertson, Sharlene Licciardello, Jackie Breasley, Jo Worthy, Rachel Pleasant, Angela Sedran, Kama Atcheson, Pinky McKay, Rachel Anastasi, Sally Prowse, Priya Ravindra Kalyanimath, Heidi Stenschke, 2024-03-12 Dive into "Voices of Influence: The Untold Stories of Remarkable Speakers," where twelve dynamic female authors share transformative tales of courage and reinvention. **Shine** Allison Allen, 2017-09-05 It's time you stepped into the light of God's role for you Actors aren't the only ones who play characters. Many of us do, much of the time. We walk into a room, figure out who we're supposed to be in this context, slip into character, and say the lines we know we should say. We become someone else. Maybe we tell ourselves it's some version of us, but deep down we know this inauthentic character is not what God wants for our lives--and it's not what we want either. With fascinating personal stories and sharp insight into human nature, former actor Allison Allen calls you to drop the brave act and step into the role of a lifetime--being your real self in Christ, no matter what the critics might say. She gives you permission to talk about, rather than around, the things you feel, freeing you to step out of the shadows and into the light of God's true calling. The life-giving content on these pages has the power to fill your sails with holy wind and literally change the trajectory of your story!--Lisa Harper, bestselling author and Bible teacher In this book, Allison shares stories of conquering fear, pain, and rejection that uniquely paved the way toward growth, joy, and wisdom. She teaches us to rise above it all and experience God's beautiful light. You will most definitely be inspired.--Scott Hamilton, Olympic figure skating champion; sports commentator; inspirational speaker; cancer survivor Through Allison's beautifully transparent story, you and I are encouraged to step out of the shadows of fear and self-doubt and, in Jesus's name, shine!--Sheila Walsh, bestselling author of In the Middle of the Mess; co-host of LIFE Today

**Redefining Financial Literacy** Cindy Couyoumjian, 2021-04-06 Redefining and Reclaiming Financial Literacy With over thirty-six years of industry experience, Cindy Couyoumjian is committed to filling the financial literacy void for many Americans. In her timely and thought-provoking book, Cindy gives a unique macro perspective of what she calls “the hidden forces behind your money,” which are the unseen political and economic forces that may influence your investment decisions. Through meticulous research, Cindy shows how these hidden forces have contributed to a complex retirement system, which includes pensions, social security, and what she believes is the outdated 60/40 investment model. To address this issue, Cindy

spent endless hours developing a new multi-asset class investment methodology, known as the REALM model, that may offer broader investment strategies aimed to mitigate risk from the hidden forces that may negatively impact your goals. Redefining Financial Literacy can help you • Understand the complex macro forces that you cannot control, yet could determine your financial future, • Take actionable steps to regain command of your retirement strategy, • Build a retirement with potential durable income strategies, lesser volatility, and risk-adjusted returns. Redefining Financial Literacy and Cindy's innovative REALM model can open your eyes to investment possibilities while helping you regain confidence in the American dream. Diversification does not guarantee profit nor is it guaranteed to protect assets. There is no assurance that any strategy/model will achieve its objectives. *The Courageous Leader* Angela Sebaly, 2017-02-23 Tap into everyday courage for extraordinary results The Courageous Leader presents a much-needed reminder for leaders everywhere: it takes courage. Courage is not just about heroic acts in grandiose situations—it's about everyday, solid-as-a-rock support and leadership that motivates, inspires, and delivers. It's about taking a risk on a great idea, and it's about seeing opportunities in the day-to-day. Courageous leaders aren't necessarily the bold Navy SEALs of the workplace; they're the everyday people who lead steadily through rough waters. They don't seek out discomfort, but accept it as part of the process when it occurs, and still deliver exceptional results. This book shows you how to tap into your courage reserves and build your steel. Real stories of everyday leaders show you how it's done, and provide a new lens for seeing real strength in adversity—and practicing it yourself. Tough situations do arise, but great leaders show courage every day. Keeping your strength in reserve for the big problems leaves you operating at less-than-full capacity the rest of the time—and your people deserve better. This book shows you how to exercise courage every day in small situations to build the unshakeable foundation of a great leader. Move beyond your comfort zone Develop your ability to focus through tough times Tap into your natural courage and hone your leadership ability Leverage your strength in situations large and small The more you exercise courage, the stronger it gets; this book shows you how to use it every day to more effectively navigate small challenges—when the big problems arise, you'll face them with The Courageous Leader.

*The Gift of Perspective* Lindsey Roy, 2023-10-17 Lindsey Roy proves beyond a shadow of a doubt that joy and happiness are just on the other side of the mountain you are climbing. —Katherine Wintsch, CEO of The Mom Complex; author of Slay Like a Mother A corporate executive, wife, and mother reflects on what she lost, what she didn't see coming, and the power of new vantage points. At age 31, Lindsey Roy was named vice-president at Hallmark Cards — one of the youngest in the company's more-than-100-year history. Her life was abruptly transformed five years later when she was nearly killed in a

boating accident. Left with an amputated left leg and severe limb injuries, and facing a long and difficult recovery ahead, she was determined not just to heal, but to emerge stronger. She eventually shared what trauma had taught her about happiness in a TEDx talk that has been viewed nearly 200,000 times. Eight years post-accident, fully adapted to her circumstances and genuinely thriving, Lindsey confronted the unexpected again: she was diagnosed with a rare and progressive disease that destroyed the blood vessels in her lungs, requiring a double-lung transplant. This profound setback challenged her to actively shift her viewpoint in order to discover the hidden advantages of her situation and new depths of resilience in herself. Now a sought-after speaker, she's imparting these hard-won lessons to help you adapt, persevere, and innovate in your own life. Brimming with valuable insights forged in the fire — from Lindsey's journey and from other inspiring individuals she's met along the way — *The Gift of Perspective* is ready to meet you where you are, and no matter where adversity may find you.

**Crossing That Foggy Bridge** Beverly Easler, 2019-06-20 Depression is an unwelcome intrusion in the lives of many, with remedies and solutions that often seem elusive. Thrown off-balance by the intricacies of “doing life,” we often sink into frustration and despair. So what do we do to restore our hope that change is possible? *Crossing That Foggy Bridge* offers a new look at depression from the inside out—from author Beverly Easler's heart to yours. With courage and persistence, Bev has found a way to redirect her path through depression by learning to ask better questions about the common issues we all face in life: managing our feelings, breaking old habits, setting boundaries, and controlling our wayward thoughts. While candidly sharing her personal story, Bev reveals valuable lessons she has learned while trudging through the darkness of persistent depression. Dealing with depression isn't easy. We can quickly become captured by the deceptions and lies of Satan. *Crossing That Foggy Bridge* clears away the fog and reflects the light of Jesus, reaffirming that He came to reveal to us a whole new way of thinking, behaving, and believing!

**GET REAL** Kelly Lynn Irons MEd CPBA CPDFA, 2022-08-23 Full of stories and applicable to parents, spouses and corporate leaders, *GET REAL* outlines the four pillars of high-performing relationships. With a primary focus on self, but also addressing how these pillars impact others and the teams you lead, this book walks you through a discovery of what it takes to build the kind of relationships that not only stand the test of time, and allow others to be completely themselves with you, all leading to amazing personal and professional results. One thing consistently becomes self-evident to leaders; so crystal clear that most now acknowledge it as a universal truth - relationships matter. Evidence that supports this truth is everywhere. Massive bodies of research telling us that relationships matter coupled with personal experience leads everyone to agree that relationships can make or break performance, engagement, careers, and even your health.

**Winners Take All** Anand Giridharadas, 2019-10-01 NEW YORK TIMES BESTSELLER • The groundbreaking investigation of how the global elite's efforts to change the world preserve the status quo and obscure their role in causing the problems they later seek to solve. An essential read for understanding some of the egregious abuses of power that dominate today's news. Impassioned.... Entertaining reading." —The Washington Post Anand Giridharadas takes us into the inner sanctums of a new gilded age, where the rich and powerful fight for equality and justice any way they can—except ways that threaten the social order and their position atop it. They rebrand themselves as saviors of the poor; they lavishly reward "thought leaders" who redefine "change" in ways that preserve the status quo; and they constantly seek to do more good, but never less harm. Giridharadas asks hard questions: Why, for example, should our gravest problems be solved by the unelected upper crust instead of the public institutions it erodes by lobbying and dodging taxes? His groundbreaking investigation has already forced a great, sorely needed reckoning among the world's wealthiest and those they hover above, and it points toward an answer: Rather than rely on scraps from the winners, we must take on the grueling democratic work of building more robust, egalitarian institutions and truly changing the world—a call to action for elites and everyday citizens alike.
