

1783 Tratado De Paris

Yale University. Department of Manuscripts and Archives

La Constitución de los Estados Unidos y la Carta de Derechos / The United States Constitution and the Bill of Rights

Lorijo Metz,1900-01-01 After more than 200 years, the US Constitution remains the supreme law of the land. This bilingual text delves into why the Constitution was written and discusses how amendments have enabled it to evolve over time. The book explains each of the Constitution's seven articles, as well as the ten amendments that make up the Bill of Rights. The book concludes with a discussion of the Constitution's central place throughout American history, going up to the present day.

Breve historia de la Guerra de la Independencia de los Estados Unidos Montserrat Huguet,2017-09-07 1763-1783:

Las 13 colonias británicas en Norteamérica se rebelan contra el Imperio: La primera gran guerra revolucionaria de la historia occidental. Conozca la apasionante historia de la fundación de los EE.UU.: la guerra contra el ejército de Su Majestad, la batalla de Yorktown, la paz de Versalles y la importancia de figuras como Washington, Franklin o Jefferson, los padres de la nación

The First Wave of Decolonization Mark Thurner,2019-05-16 The global phenomenon of decolonization was born in the Americas in the late eighteenth and early nineteenth centuries. The First Wave of Decolonization is the first volume in any language to describe and analyze the scope and meanings of decolonization during this formative period. It demonstrates that the pioneers of decolonization were not twentieth-century Frenchmen or Algerians but nineteenth-century Peruvians and Colombians. In doing so, it vastly expands the horizons of decolonization, conventionally understood to be a post-war development emanating from Europe. The result is a provocative, new understanding of the global history of decolonization.

Dictionary Catalog of the History of the Americas New York Public Library. Reference Dept,1961

La revolución americana / The American Revolution Lorijo Metz,1900-01-01 The “shot heard ‘round the world” not only set the 13 colonies on the road to becoming the United States, but echoes throughout American history. Secondary- and primary-source images, a map, an illustrated timeline, and a fact-packed text in standard Latin American Spanish and English help bring the story of the American Revolution to life. An excellent way to introduce young readers to the inspiring story of our country's birth!

Historia diplomática de América Valentin Urtasun,1924

El Gobierno de Los Estados Unidos de América William Johnson Cocker,1896

The Treaty of Paris, 1783 Lee Jedson,2005-12-15 Describes the events leading up to the treaty, its purpose, and why it ranks as one of America's most important documents.

Hermanos de armas Larrie D. Ferreiro,2020-12-21 A finales de 1776, apenas seis meses después de la histórica Declaración de Independencia de los Estados Unidos, la Revolución americana agonizaba. Nueva York había caído y el Ejército Continental de George Washington se batía en retirada. Filadelfia, sede del Congreso Continental, parecía tener las horas contadas. La recién nacida nación norteamericana carecía de marina, de artillería que se preciara, de preparación militar, de pólvora... y de posibilidades reales de derrotar a Gran Bretaña; al menos por sí sola. Hermanos de armas. La intervención de España y Francia que salvó la Independencia de Estados Unidos es un exhaustivo y apasionante ensayo, finalista del premio Pulitzer, en el que su autor, Larrie D. Ferreiro, demuestra que sin el apoyo diplomático, financiero, militar y naval de España y Francia, la causa estadounidense nunca hubiera triunfado. Una intervención que trocó un conflicto doméstico en una guerra global que se libró en tres continentes, de la Luisiana y la Florida españolas a las costas de Francia, de Gibraltar a la India, que en la pluma de Ferreiro abandona el tradicional relato aislacionista para ganar una dimensión internacional, la de una coalición de hermanos de armas, países enfrentados a un enemigo común.

Dictionary Catalog of the History of the Americas New York Public Library. Reference Department,1961

Latin American history and culture: The Spain collection Yale University. Department of Manuscripts and Archives,2000 The collection contains some 184 manuscript volumes and unbound documents relating to the Spanish colonization of Latin America, dating from the 16th to early 20th centuries. Materials include correspondence, government documents (including reports, commissions, decrees, and awards), church documents, poetry and other writings on civil, military, economic, religious, and social topics. Materials originate from Spain; Mexico and Central America; the Caribbean; and South America, from Columbia south through the Andean region to Argentina and Paraguay.

Historia de la diplomacia americana Martín García Mérou,1904

La Declaración de Independencia Thomas Jefferson,2009-08-31 Recopilación de escritos de Jefferson introducidos por Michael Hardt, quien defiende el retorno a los textos fundacionales.

NAPOLÉON BONAPARTE Ruben Ygua,2025-05-22 Hemos complicado el estudio del pasado al dar mayor importancia a opiniones e intereses nacionalistas, religiosos y morales, relegando el hecho histórico a un segundo plano, subordinándolo a los intereses del sistema que controla nuestra educación. No podemos aceptar esa manipulación, es nuestro deber librarnos de esas falsas verdades culturales por respeto hacia nuestros antepasados. Después de muchos años estudiando Historia, he llegado a la conclusión de que la mejor manera de conocer el pasado es a través de una cronología imparcial y objetiva que coloque cada acontecimiento en su lugar exacto en el tiempo y revele la historia sin manipulaciones ni medias verdades.

Cronologías siempre fueron un complemento secundario en los métodos tradicionales de estudio, pero en mis libros constituye el centro de la narrativa, una obra de referencia completa que transcurre año a año, en la medida de lo posible, desde la prehistoria hasta el presente. Para aquellos que prefieran un estudio más detallado, he organizado una segunda cronología, que abarca día a día desde 1789 hasta 1946, dividida en cuatro colecciones.
