Dangerous Calling (with Study Questions) Paul David Tripp, 2025-04-29 Pastor and Bestselling Author Paul David Tripp Helps Church Leaders Diagnose and Cure Unhealthy Pastoral Culture After traveling the world for many years and speaking at hundreds of churches of all kinds, Paul David Tripp is concerned about the state of pastoral culture. He is not only concerned about the spiritual life of the pastor but with the very people who train him, call him, relate to him, and restore him when necessary. *Dangerous Calling* reveals the truth that the culture surrounding our pastors is spiritually unhealthy—an environment that actively undermines the well-being and efficacy of our church leaders and thus the entire church body. Here is a book that both diagnoses and offers cures for issues that impact every member and church leader, and gives solid strategies for fighting the war that rages not only in the momentous moments of ministry, but also in the mundane day-by-day life of every pastor. This edition includes study questions that prompt engaging discussion and reflection on each chapter. *Essential Insights for Church Leadership*: Looks at the struggle of the pastor, but actively exhorts the culture that trains and supports him *A Great Resource for Small Groups*: Now with study questions, this guide appeals to anyone who is serious about being part of a healthy church *Practical*: Highlights a series of temptations that are unique to or intensified by pastoral ministry and gives biblical advice for dealing with each

**No Ordinary Work** Larry Snyder, 2021-06-17 With so many church planters seeking to be successful, many of the ways we measure success can lead to personal disappointment, frustration, comparisons, and even depression. This can result in church planters who quit and churches that close even before they really get started, potentially ruining a witness to an entire community. What if we redefined and clarified the biblical metrics for church planting in a way that replaces frustration with fire, and replaces disappointment with direction? What if we stopped the comparisons to steroid growth and replaced them with a better understanding of kingdom growth? In this lighthearted and encouraging book we will highlight each extraordinary aspect to church planting and detail the biblical metrics that can infuse in each planter a better understanding of success.

**Insights of the Local Church Administrations** Rev. Dr. Koningthung Ngoru Moyon, 2020-11-18 The effort of the

author is lauded for bringing the conversation of faithful church administration to the context of churches in South East Asia in general and in particular in Indian sub-continent. Church administration marked with integrity and truthfulness is a witness to Christ. And, this book provides ample examples of Christ-centered leadership in the Church. Dr. Atola Longkumar Theological Education Consultant. I am deeply impressed by the book 'Insights of the Local Church Administration' written by Rev Dr. Koningthung Ngoru Moyon which can be used as reference book by all Pastors and church leaders in their administration. Unlike any other secular administration, Church administration is very complexed. Dr Ngoru has carefully balanced in his writings, I highly recommended this book for pastors, church elders and theological students. Rev Dr. Jolly Rimai Director Harvest Network Ministry-South East Asia. Physicians have Patients who schedule of appointments for physical check-up. Likewise Pastors or Christian ministers have congregation. Effective preaching, teaching and good administration is equally important and is a paramount task in the local churches. In this book, 'Insights of the local church administration', the author, Rev Dr. Koningthung Ngoru Moyon, has written for christian ministers and pastors or those who are planning to be at church ministry. Moreover, the book gathers up the information found in a broad overview of the Pastoral Ministry and Church administration and funnels it into practical area of services. The book is simple but well organized and excellently written and would be usable in the everyday experience of Pastoral ministry and administration. Besides, the author provides a comprehensive and good compilation of materials to enlarge one's ministry concerning local church administration. **Pastoral Identity** Douglas D. Webster, 2023-07-18 Webster calls pastors to reject Christendom approaches to church leadership that require the pastor to exert control over the church's direction and ministry. Such models differ fundamentally from the New Testament household of faith vision of pastoral ministry, which affirms the disciple-making responsibility of the whole community, the priesthood of all believers, and the shared gifts of the Spirit. Rather than perpetuate pastoral leadership based on individual initiative, institutional power, and personal charisma, experienced pastor and seminary professor Douglas Webster defines a New Testament model of the pastor, outlining the major features of pastoring among the household of faith, such as: - Viewing the church as an every-member ministry - Seeking synergism between pastoral identity and congregational identity - Prioritizing a pastor's daily rhythms of grace in prayer, study, and care for the body - Supporting pastor-theologians who shepherd believers in the whole counsel of God Such pastoral authority and guidance require mutual submission in Christ. Pastors and laypeople alike let go of dominant cultural models of pastoring and embrace the values of Christ's kingdom.

**15 Things Seminary Couldn't Teach Me** Jeff Robinson Sr., Collin Hansen, 2018-03-15 Some lessons can't be learned in a classroom. A seminary education is immensely valuable, offering theological preparation, spiritual formation, and wise

mentoring. But many new pastors are discouraged when the realities of their first call don't line up with what they came to expect from assigned readings and classroom discussions. Bridging the gap between seminary training and real life in a local church, fifteen veteran pastors and ministry leaders offer advice and encouragement related to a host of real-world issues, such as leading congregations through seasons of suffering, handling conflict, accepting a call, leaving a church, and more.

**Fail** J.R. Briggs, 2014-05-21 What do we do when we've failed? J.R. Briggs, founder of the Epic Fail Pastors Conference, explores the landscape of failure, how it devastates us and how it transforms us. Without offering pat answers or quick fixes, he challenges our expectations of success and gives us permission to grieve our losses and receive the grace of healing and restoration.

*Mentoring Companionship* Freddy Lay, 2021-03-22 Rooted in a wide range of examples of companion mentoring in scripture, *Mentoring Companionship*, by author Freddy Lay, develops a compelling vision for how close companionship can strengthen mentoring relationships in ways that provide mutual encouragement and support. It gives a foundation for developing a mentoring companionship framework not just for church, but also for other spheres of life. The message focuses on companion mentoring, in which paired individuals or groups support each another in their ministry roles. Primarily directed at church leaders, *Mentoring Companionship* encourages them away from depictions of themselves as powerful solo figures toward a more cooperative and supportive model of ministry, oriented around the greater goal of faithfulness to Christ. Throughout twelve chapters, Lay's biblically focused study highlights the importance of ensuring church leaders engage in companionship mentoring to benefit from mutual support and accountability and to counter the loneliness and isolation so many leaders in ministry often experience. Based on his many years of experience in ministry leadership in Indonesia, Lay provides a wealth of suggestions and personal experiences to underlie his analysis of the importance of companion mentoring.

Books That Change lives CLC Publications, 2014-08-19 *Books That Change Lives* is a compilation of essential books recommended by Christian retail book experts. This guide is a useful tool for beginners just coming to the faith, "veteran" Christians searching for growth and guidance and church leaders seeking to study the Christian faith and recommend quality Christian books to others.

**ReMission** Gary Comer, 2018-01-09 A systemic disease is lurking inside the church that is derailing it from what God intended it to be, to know, and to do. That disease manifests in practical ignorance and isolation. If the church is to be healthy and thriving, its members must gain the needed know-how and skill sets to meaningfully engage with their increasingly difficult-to-reach unsaved neighbors, communities, and cultures in productive conversations about the good news of Jesus Christ. In other words, there must be a re-missioning of the body of Christ. *ReMission* practically equips leaders with tried-and-tested solutions that can outwardly mobilize a congregation, small group, or nonprofit ministry, and

substantially increase the spiritual vitality of the body of Christ, both locally and globally. .

Navigating Student Ministry Tim McKnight,2022-03-01 Navigating Student Ministry is a multi-contributor introductory textbook designed to help those who are discerning a call to student ministry, new to serving in this area of the church, or training others as they minister to students.

*A Labor of Love* J. Stephen Yuille,2013-08-07 Driven by the desire to be successful, pastors are tempted to judge their ministries by the worldly standards of power, prestige, privilege, and prosperity. In contrast, J. Stephen Yuille reorients our understanding of pastoral ministry by presenting a standard of excellence measured by faithfulness, humility, and submission to God—even when the results look unsuccessful in the eyes of the world. Drawing from the Puritan minister George Swinnock, Yuille expands on a list of sixteen heartfelt desires that Swinnock expressed for his own pastoral ministry. Yuille's reflections on these timeless priorities are full of biblical insights and pastoral wisdom. The book ends with Swinnock's farewell sermon to his congregation, which serves as an encouraging example for all pastors who desire to love their people in Christ. This book is a valuable guide for pastors as they seek to labor and love in the service of Christ.

**What If ... God Has Other Plans?** Charles R. Swindoll,2019 Bible teacher Chuck Swindoll helps Christians understand God's path when life doesn't make sense.

Surviving Ministry Michael E. Osborne,2016-05-06 Being a pastor has its rewards and pleasures. But churches can be unsafe places. They are filled with broken, imperfect people. Many ministers of the gospel walk into a church naive about the potential hazards of their vocation. They are vulnerable to difficult people, unresolved conflict, incompatible visions, hidden agendas, mission drift, and sin--their own and that of others. Other pastors feel trapped in a ministry hurricane and don't know what to do. They feel like failures. They're thinking about leaving the ministry. They are looking for help and hope--not from an expert detached from the real world of ministry--but from someone who has suffered through church hurricanes and lived to share the story. Moreover, they need to know they are not alone. *Surviving Ministry: How to Weather the Storms of Church Leadership* includes the author's own story as well as true stories from other pastors who have been in the eye of the hurricane. Discouraged ministers looking for biblical, practical, gospel-centered advice for storm proofing their churches, homes, and hearts have found a friend. *Surviving Ministry* will equip them to stay resilient before, during, and after seasons of difficulty.

**The Resilient Pastor** Mark A. Searby,2015-05-07 Ministry is challenging, complex, and costly. Too many pastors and church leaders are getting spread thin, burned out, and walking away! In an ever-changing church culture that includes social media, blurred denominational lines, and an increased demand for relational ministry, many pastors are feeling overwhelmed, becoming discouraged, and dropping out of leadership roles. You may be one of them--but you are not ready to give up. *The Resilient Pastor* will help you to focus on character development and spiritual formation as a Christian leader,

engaging the challenges of ministry with passion and perseverance. You will explore ten principles for developing pastoral resilience and consider biblical examples as well as testimonies from contemporary leaders as you lay the foundation for becoming a resilient leader. This journey through *The Resilient Pastor* will be worth your time as an individual leader or in a small group context with other pastors.

Lead Strong Philip J. Rasmussen, 2020-10-08 New leaders have tremendous potential to be the next generation of church leaders, but for many, biblical character development was not a foundational part of growing up. Pastor Philip J. Rasmussen, vice president of church relations and spiritual formation at Northwest University, draws on his experience working closely with pastors and students to outline the problems to developing the next generation of church leaders—as well as solutions. He knows how concerned church leaders are with finding qualified ministerial replacements, but he also knows most students have not been prepared to live a life in ministry. If they don't get the guidance they need, a shortage of qualified individuals looms on the horizon. *Lead Strong* starts with the premise that a person must fully embrace the Fruit of Spirit as the vital elements for character development. When the Fruit of Spirit is present in a believer's life, essential leadership qualities will naturally flow as the leader influences people. This book can be used for ministry training sessions, small group studies, or one's individual devotional development. Its purpose is to reveal the role of the Holy Spirit in the life of the believer and to clearly describe the fruit that His presence should bear in one's character.

*Exalting Jesus in 1 & 2 Kings* Tony Merida, 2015-11-01 Edited by David Platt, Daniel L. Akin, and Tony Merida, this new commentary series, projected to be 48 volumes, takes a Christ-centered approach to expositing each book of the Bible. Rather than a verse-by-verse approach, the authors have crafted chapters that explain and apply key passages in their assigned Bible books. Readers will learn to see Christ in all aspects of Scripture, and they will be encouraged by the devotional nature of each exposition.
