

Le Vent Le Cri Ennio Morricone

Nessa Johnston,Jamie Sexton,Elodie A. Roy

Anonymous Sounds Nessa Johnston,Jamie Sexton,Elodie A. Roy,2025-01-09 This cross-disciplinary collection provides the first comprehensive study of library music practices in the 1960s and 1970s. Library music was inexpensive, off-the-shelf music available to license for a small fee. It was widely used in television and film as a cheaper alternative to commissioned soundtracks. The book pays attention to the different individuals, groups, organisations and institutions involved in making library music, as well as to its transnational sites of production (from continental recording studios to regional cutting rooms). It addresses questions of distributed creativity, collective authorship, and agency. Combining empirical and theoretical research, the book unveils the modus operandi of a highly secretive yet enduringly significant cultural industry. By drawing attention to the cultural ubiquity and intersectionality of library music, the collection also shifts emphasis from individual film and TV composers to the invisible community of music publishers, writers, and session musicians. It argues that the latter were collectively responsible for fashioning much of the sonic identity of 1960s and 1970s film and television. As well as providing a nuanced understanding of historical library music cultures, the collection shows how they continue to inform contemporary audiovisual cultures.

Subliminism Lee Richardson,2023-09-22 Is it relevant to describe oneself as a middle-aged man from the cold yet temperate Northeast of England? Father of three and stepfather to one, all of whom keep his world spinning: will such a description win his work benefactors and a brownie point among the readerships – maybe even tempt open a pocket? The author sincerely hopes so because, as you will find in the pages of this volume, he owes his ex-wife a house. But their existence in his life is reward enough and keeps and maintains a heart beating and a gratitude, quite often unexpressed, except for in the ethereal notes you will find, at times, pouring from the pages of this book. SUBLIMINISM is the place where you will find that middle-aged man, dancing alone, loving life, hands to the sky, and just having a bit of moonshine. If you want to know a writer read their book. If you want to know their soul... read them all. According to a well-known theory, since the average age of a cell is about seven years, over that time, all the cells of the body would be regenerated, making each person a whole new individual. Lee Richardson was taught as a child to believe in 7-year cycles, and since then, has added to this theory his own astrological spin with unexpected biographical revelations. Baby Aries was born to grow into the boy who caught butterflies and hunted mice amongst the cornfields beyond his backyard; a young adventurer, always willing

to try anything once. The schoolkid Taurus, crammed with the heaviness of curriculum education, first learnt the full weight of societal institutions. The shy teenager Gemini paved with stuttering communication the way for friendships that survived a lifetime – or didn't – as he suffered the loss of some of those most beloved to him. Adulthood would shine a stage light onto the meaning of everything, as in Cancer's cycle, his daughter was born in July, protected under the hard shell of his fatherhood, and held against the soft belly of his love. The grown man, a wandering Lion, found his Lioness, and within a few years with the birth of their children they had their Pride and basked in a warm and beautiful sunshine, preparing for marriage. Maturity came with Virgo's need to cross the i's and dot the t's. And then the wheels fell off, and the man lay in his cell, asking for judgement. It fell on the Libra to balance with feathers and lead as he finished his sentence and felt the bliss of release and the pain of a broken marriage. He wrote a book and then some, his tongue more barbed as he learned that some things can't be swept under and left to fester. As his time approaches and breaches, the middle-aged Scorpio knows that passion and emotion need an outlet and welcomes his 7-year cycle as the most interesting yet.

The age-old ways in which one could get rid of stress and tension, was getting a massage done, listening to music, cooking something in the kitchen, or just sitting quietly in one corner of the garden, and dreaming of absolutely nothing at all. The last one is of course something a large number of us want to do, if only we had the time to sit and stare! If I tell any of my workaholic friends, to take some time off to contemplate the reticulate venation of a leaf, they are going to give me a look of "what makes you that way, do you think I have the time to look at the venous system of a leaf?" They may have course not remember it, but when they were children, they spend hours and hours, contemplating a butterfly, a daisy, a dandelion, or anything else, which caught their interest, and did not consider that time wasted. How come the moment we grew up, we decided to make stress and strain our portion, forgot how to relax, and decided we would rather live a life on the go, instead of at a turtle pace. Here are 16 easy to do rest and relax tips, which are going to help you get rid of all that stress, strain and tension, which you have welcomed into your life, and which you can try out, depending on your lifestyle and the amount of time you have free, out of your busy

schedule. You may not know it, but some people have their own way of relaxing, and starting up the day in a manner which puts them in a frame of mind, which keeps them in a state of contentment, throughout the day. You have to find your own perfect beginning, to the start of the day, yoga, meditation, going for a walk, jogging, find out a routine, which suits you best, and then add to your daily lifestyle. This reminds me of a really cute story told to me, by one of my friends, whose father told him that the first thing he did, when he woke up in the morning was touch his slippers 30 times, first thing in the morning. Well, I do not enjoy these bending exercises, first thing in the morning, but it seemed this oldster enjoyed this sort of activity. And then he gave a sly smile and wink and said, "Then I get out of bed and put them on." I guess he had been pulling our leg to such a great extent that we needed binoculars to check where our foot was.

Falling in Love with Zara, 2023-12-03 Amadeus loves life, romance, and music, and Zara loves plants, tranquility, and the people around her. Two strangers see each other's name on social networks one day, and nothing happens immediately. Still, sometimes, the persistence of repeatedly seeing the same name causes curiosity to know more about that person, and that is how Amadeus decides to comment on something Zara addresses. Often, people's comments come or go just for distraction. Still, Zara finds Amadeus's comments funny, and finally, one day, they become friends. The exciting thing is to note that people are always willing to meet someone strange. It may be the innate human instinct to seek company. Love, hope, optimism, and faith that life can be exciting and pleasing to embrace without much fear come together in this story. This story shows that sometimes, necessary endings can be better than happy ones in romantic relationships. Enjoy

Tackling Black Moods and Depression Dueep Jyot Singh, John Davidson, 2015-12-21 Table of Contents Introduction Reasons for Black Moods Tips For Controlling Black Moods Taking That Chance Facing a Disappointment Laughter and Music Therapy Sleep - the Great Restorer Meditation and Exercise Plant and Garden Therapy Conclusion Author Bio Publisher Introduction Being human beings, especially in an age where stress and strain, as well as tension is a part of human life, is it a surprise that most of us keep suffering from tension induced Black moods. Call them whatever you like - bad tempered, tantrums, disinclination to enjoy anything, gruffness, and a feeling that there is no joy left in life and what is the use of continuing to struggle on in a thankless existence? This book is going to tell you all about Black moods and depression and how they can be potentially harmful for your physical, emotional, and mental well-being. There are a number of people all over the world who spend most of their lives in the depths of despair. When asked the reason why their mood is so pessimistic, or gloomy, they do not have a definite explanation for this phenomenon. Many times this is just to gain attention and soon it becomes a chronic habit because those persons find out that there are going to be people around them trying to coax and cajole them into a better temper. I remember enjoying one of DE Stevenson's very well written books "The Blue Sapphire" in which the young heroine Julia Harcourt is really glad to get away from her house. Her father was a charming young man, and spoiled in the bargain by his family and the people around him. He imagined that he could get

away with anything. And he did something unforgivable for which the family never forgave him. So he spent the rest of his life, making his wife and daughter's life miserable, because spoiled brats get depressed when they do not get their own way. And as she said to her uncle Randall, "father has spent his life wrapped up in a brown blanket. He never loved me. He has always been miserable. "And his daughter escaped that house of gloom and melancholy as soon as she could, and never went back again. So if you are subject to those fits of Black moods, not only are you make the people around you unhappy and miserable, but you are also going to suffer from plenty of psychological, emotional, physical and mental problems.

Ennio Morricone e io Yannick Julien, 2025-01-24T00:00:00Z Il a charmé le monde entier pendant des décennies avec ses musiques de film et ses concerts. Musicien inventif et savant, libre et rigoureux, Ennio Morricone étonne par son chemin d'équilibriste entre des pôles contradictoires, façonnant une esthétique singulière dans un creuset qui accueille aussi bien l'expression des sentiments que la distance ironique. En mêlant anecdotes et analyses, ce livre scrute la musique d'Ennio Morricone, sa puissance et sa profondeur. L'auteur mène aussi une réflexion sur son attachement à elle, jamais démenti depuis l'enfance. Qu'est-ce qui fait qu'un artiste devient votre artiste préféré ? En quoi cette musique constitue-t-elle un modèle de quête artistique qui sait ravir nos oreilles ? À travers ce livre, Yannick Julien se lance sur ces pistes, non sans humour, et selon une construction de remarques opérant des échos entre elles.

Поэтому не стоит удивляться, встретив на её страницах призраков в парке или роботов, живущих на руинах человечества. Однако третья тема антологии – «Сводная». Так что здесь найдётся место и «лавкрафтovскому» боевику, и «виртуальному» детективу, и фэнтези, и мистике, и даже биопанку. И не только этому.

Răzbunarea Darinei Raluca Anghel, „Răzbunarea Darinei” este o poveste justițiară, un roman plin de acțiune și suspans, care vine în continuarea romanului „Adevăr sau provocare”. Dacă primul roman ne aduce în prim plan, prin povestea de dragoste dintre Andrei și Carmen, cel mai frumos și imprevizibil cadou, respectiv viața, carteia de față merge în sens invers: dreptul la viață se pierde și este înlocuit de sacrificiu și răzbunare. Copila frumoasă din „Adevăr sau provocare” rămâne singură și este aruncată fără milă în stradă, înfruntând brutalitatea violurilor, vulgaritatea prostituției, disperarea, lipsa de sansă, moartea tupilată în toate ungheralele nopții. Legea nu răspunde, nu apără, închide ochii, însă lucrurile nu vor rămâne aşa... Să intrăm în viețile tinerilor pictori din romanul „Răzbunarea Darinei”, ajunși la maturitate. Cu unii viața a fost blândă, generoasă; cu alții a fost pur și simplu atroce. Vor reuși, oare, împreună, să echilibreze balanța și să găsească drumul spre dreptate? Tușa extremelor Cu o timpurie și atență ucenicie literară, petrecută sub oblăduirea neuitatului descoperitor și crescător de talente poetice, a profesorului inimose Tudor Opriș, dar și a poeților bârlădeni, Cristian Simionescu și Simion Bogdănescu, Tânăra și înzestrata Raluca Anghel a debutat editorial cu volumul de poezie „Dileme” (2001), chiar în perioada liceană. A urmat o vreme cu alte zboruri, în alte puncte cardinale și părea că floreta cuvântului artistic s-a pierdut ori a fost uitată într-o panoplie dintr-un castel părăsit. Când, pe neașteptate, în 2020, an extremist și terorizant pentru întreaga planetă, Raluca Anghel revine, surprinzător, cu masivul roman de dragoste, ce apropie și exclude, numit „Adevăr sau Provocare”. Încurajată de realizare și de efortul însingurat al creației, revine acum cu o nouă operă romanesă (o continuare, în fapt), botezată „Răzbunarea Darinei”. Estetic, dacă este să-o circumscriem, unifică original expresionismul poetic, naturalismul (mai ales lingvistic și faptic, prin „felia de viață”) și realismul cu ceva funcții iconice verosimile, depășite, în anume pagini, de situații incredibile, epatante. „Răzbunarea Darinei” încrucișează, la modul flexibil, punctat cu abilitate, narativitatea omniscientă și omniprezentă, cu descrierea poetică, fie pitorească, fie psihologizantă și cu didascaliiile atât de bine cunoscute ale genului dramatic. Ca temă și ca subiect literar, pendulează între dragoste, aventură (cu eschive polițiste) și răzbunarea crudă, neiertătoare, după legea talionului. Prin apăsarea sufocantă a chinului în conștiință și prin unele reflecții existențiale, generatoare de neliniște, adaugă o aură de bună eseistică, mai ales eticistă, de proveniență camusiană: „Viața ni se sfârșește tuturor, este o chestiune de timp. Însă important este ce facem până acolo, cine alegem să fim.” Existența personajelor este marcată între fatum (ceea ce este dat, soartă) și destin (existențialist camusian, ceea ce el se face, devine prin forțele lui însuși). Aceste două viziuni eseistice (ca-n „Mitul lui Sisif” și „Omul revoltat”), uneori se ating, prin reducere la absurd. Aventura vieții globalizante de astăzi o face pe autoare să insiste (poate prea mult) asupra

senzaților tari, dezagreabile, incluse nu atât într-o estetică a urâțului, cât într-o vânare intenționată a situațiilor sadice, masochiste, care adună unele personaje, a căror evoluție se înscrie în extremism, de la angelic la demonic, poate un tribut plătit serialelor nord-americane (unde se vorbește mult și nu se face nimic altceva) sau celor sud-americane, pline de sentimentalisme contrafăcute. Această tușă a extremelor devine antrenantă pentru posibili cititori dornici de intrigi politiste, credibile, dacă ne gândim la explozia de imoralitate internațională actuală. Interesul estetic major al acestei cărți se află, cred eu, în firul poetic, susținut psihologic și lingvistic, motivat ideatic, salvând-o de la serial și mediocritate. Prozatoarea Raluca Anghel poate continua cu succes discursul său narativ - dramatic - poetic, își poate perfecționa expresivitatea limbajului artistic asemenea unei inteligeante floretiste în stare să unifice tușa extremelor. En Marchant Vers L'Océan Domenico Scialla,2021-04-22 Le mystère, l'aventure et la probable disparition de St - dans ce récit issu d'un voyage sur la route et mental - caractérisent les différents éléments de la narration.Ce roman, où l'élément visionnaire-métaphysique se mêle habilement au quotidien, a pour thème principal la disparition d'un protagoniste - vérité ou illusion? - et il est né, à la limite de l'incroyable, d'une aventure sur la route et mentale: un voyage que Domenico et

Gabriella, esprits libres et curieux, routards et grand désir de nature, ont fait 900 Km. Destination: le Chemin lui-même puis l'océan du Finisterre, en passant par Saint-Jacques-de-Compostelle. Sous le soleil brûlant, le vent fouetté et la forte pluie, les deux, qui ont décidé de vivre leur vie jusqu'au bout sans être arrêtés par quoi que ce soit, avancent en piétinant l'herbe et les pierres, les terrains arides et boueux, les routes asphaltées qui traversent les villages et ville. Ils vivent dans les situations les plus disparates et rencontrent des personnes de toutes sortes, mûrissant ensemble, dans une confrontation continue, pas à pas. Visions, fantasmes: souvenirs d'autres vies?
