

Lisa Milne Second Baptist

Huangqi Zhang

Christian Voices Charlene Floyd, 2007-05-30 Today, religion plays a significant role in the political positions people take on a number of important issues: stem cell research, abortion, right to life, gay marriage, etc. But how do people of the same faith come to radically different conclusions and positions on these issues? How has the right convinced a majority of evangelical Christians that there is a Biblical mandate to oppose abortion, stem cell research, and gay marriage? Or, why do progressive Christians believe they are called to be the voice of the voiceless, to advocate for the poor and to challenge aggressive foreign policy? This book gives voice to politically active Protestant Christians with an eye toward understanding how people who share the same scriptures, hymns, prayers, and creeds arrive at and embrace radically different political perspectives. Floyd explores the notion of agenda-setting within Christian communities (left and right) and provides an in-depth look at the lives of a small but diverse number of politically active, committed Christians. In their own words, Protestants across the country explain how they arrive at their political opinions. The thoughts, the ideas, the reasons for celebrating and the causes of despair, will be familiar—at times painfully so—to many. Reading these profiles one may begin to answer those basic questions: how can they call themselves Christian? and how could they possibly have voted for him?. Beginning with a brief overview of religion and politics in the United States and a discussion of recent developments (2001-2005), serious consideration of the key themes raised by the profile chapters follow. These include theology, practice, and connect/disconnect with society (particularly the group/individual's perception of its/their relationship to the world at large). Each chapter describes a different group of people whose political lives have been shaped by their faith and who are willing to think about and talk about their ideas. They take into consideration personal histories, education, work, family and friends, and explore how religious beliefs have shaped people's lives, especially with regard to political decision-making. Extensive interviews allow the voices of those profiled to be clearly heard.

Sex and the City Uncovered Marian Jordan, 2007 The moral and social standards upheld on the television hit *Sex and the City* are brought into question by a former fan of the show.

Underdog Marketing Edmund Lawler, 1995-10 *Underdog Marketing* examines the conventional marketing principles that companies use when challenging a larger, more entrenched competitor. Lawler analyzes the strategies of the real-world marketers.

Opera George Henry Hubert Lascelles Earl of Harewood,1999

Who's who Among African Americans Ashyia N. Henderson,2000 Devoted to recording the scope of African American achievement, reference provides biographical and career details on more than 20,000 notable African American individuals, including leaders from sports, the arts, business, religion and more. An obituary section contains fully updated entries for listees who have died since the previous edition.

Albany City Directory ,1926

The Encyclopedia of New York City Kenneth T. Jackson,Lisa Keller,Nancy Flood,2010-12-01 Covering an exhaustive range of information about the five boroughs, the first edition of *The Encyclopedia of New York City* was a success by every measure, earning worldwide acclaim and several awards for reference excellence, and selling out its first printing before it was officially published. But much has changed since the volume first appeared in 1995: the World Trade Center no longer dominates the skyline, a billionaire businessman has become an unlikely three-term mayor, and urban regeneration—Chelsea Piers, the High Line, DUMBO, Williamsburg, the South Bronx, the Lower East Side—has become commonplace. To reflect such innovation and change, this definitive, one-volume resource on the city has been completely revised and expanded. The revised edition includes 800 new entries that help complete the story of New York: from Air Train to E-ZPass, from September 11 to public order. The new material includes broader coverage of subject areas previously underserved as well as new maps and illustrations. Virtually all existing entries—spanning architecture, politics, business, sports, the arts, and more—have been updated to reflect the impact of the past two decades. The more than 5,000 alphabetical entries and 700 illustrations of the second edition of *The Encyclopedia of New York City* convey the richness and diversity of its subject in great breadth and detail, and will continue to serve as an indispensable tool for everyone who has even a passing interest in the American metropolis.

Who's Who Among African Americans Gale Group,2003-06 Each new edition of this respected resource is a comprehensive recording the scope of African American achievement. *Who's Who Among African Americans* provides biographical and career details on more than 20,000 notable African American individuals, including leaders from sports, the arts, business, religion and more. Includes geographic and occupational indexes as well as an obituary section updating entries for listees who have died since the previous edition.

America, History and Life ,2005 Article abstracts and citations of reviews and dissertations covering the United States and Canada.

Who's who in Religion ,1992

Who's Who Among African Americans Kristen B. Mallegh,2007-03 Provides biographical and career details on notable African American individuals, including leaders from sports, the arts, business, religion and other fields.

The Times-picayune Index ,1993

Who's who in Finance and Industry ,1993

Who's Who in the South and Southwest Marquis Who's Who,Marquis Who's Who Staff,1998-12 Provides current coverage of a broad range of individuals from across the South and Southwest Includes approximately 17,500 names from the region embracing Alabama, Arkansas, Florida, Georgia, Kentucky, Louisiana, Mississippi, North Carolina, Oklahoma, South Carolina, Tennessee, Texas, Virginia, West Virginia, Puerto Rico, and the Virgin Islands. Because of its importance and its contiguity to the southwestern United States, Mexico is also covered in this volume.

Who's who Among Students in American Universities and Colleges Henry Pettus Randall,1982

Who's who in the East ,1964

Who's Who in the Midwest, 1990-91 ,1990-10

Who's Who in American Politics 1981-1982 ,1981-10

New Books on Women, Gender and Feminism ,2008

The Martindale-Hubbell Law Directory ,1991
