The Asylum Shane McMinn,2017-02-27 Earth has been controlled for eons by the 'dark forces' by instilling a project of 'fear', and we have all been deceived on a grand scale. They have achieved this by stealth through their secret societies, groups, governments and institutes to create a New World Order. They have controlled populations and culled humans through their man-made diseases such as Ebola and HIV/AIDS. They control humanity with prescription drugs, technology, food additives, vaccines and they suppress the cures for cancer. They control the media, create wars and initiate acts of

terrorism. They control politics, banking, education, sciences and religions. They are followers of Satanism and some are paedophiles. They use mind control programmes and control the illegal drugs trade, manipulate the weather and have introduced a 'police state' and have suppressed free-energy. This is part of the spiritual battle between the 'dark forces' and the 'forces of light'. Welcome to the lunatic asylum that is planet Earth.

Contra Mundum Adam Weishaupt, 2016-04-29 I'm plotting revolution against this lie that the majority has a monopoly of the truth. What are these truths that always bring the majority rallying round? Truths so elderly they are practically senile. And when a truth is as old as that, gentlemen, you can hardly tell it from a lie. – Dr Stockmann (in Henrik Ibsen's play *An Enemy of the People*) *Contra Mundum* is a handbook for all those who think there is something fundamentally wrong with the world. The ancient Gnostics claimed that the world was actually created and ruled by the Devil (the Demiurge), hence why everything is so hideous, unfair and horrific. Modern Gnostics (Illuminists) assert that the problem with the world is that it's ruled by the forces of unreason rather than reason, by Mythos rather than Logos, by silly story-based religions rather than mathematics, philosophy and science.

Black Jack S.K. Bain, 2019-06-21 It's been a long time coming, and it's right around the corner... As author S.K. Bain detailed in *The Most Dangerous Book in the World: 9/11 as Mass Ritual*, the events of September 11th, 2001, constituted a global occult ceremony. But that was mere child's play compared to what he's uncovered since. If 9/11 was a MegaRitual, this is a GigaRitual, or TeraRitual even. Its scope and scale are truly difficult to grasp.***If you thought that 2012 was the end of Galactic Alignment, think again. However, this book doesn't propose some new date for the made-up Mayan Doomsday, far from it. We are on the cusp of a once-in-a-26,000-year event, one that, in astrological terms, knows no equal. Do not think for one moment that the masters of our world will let it pass unmarked. *Black Jack* reveals the true date of the End of the Great Age, the Mother of All Auspicious Occasions, a date that the Cryptocracy has been fixated on—and feverishly preparing for—over the past two centuries, and well before. It will almost assuredly bring a ritualistic celebration like none other ever witnessed, involving mass human sacrifice and the biggest fireworks show in history.***The world approaches the dawning of a new Grand Cycle, which the elite will inaugurate as the New Great Age of Satan. As we draw near, ask yourself this question: if you were among the ranks of these precious few ultra-powerful, would you spare any expense or effort to properly commemorate this unique occasion, or to fittingly dedicate it to your Dark Lord? Of course you wouldn't. And, as a member of the Cryptocracy, you would be so bold and fearless as to announce your intentions to the entire world, far in advance. You would provide all the useless eaters with the obligatory fair warning, mockingly giving notice in plain sight in the most powerful city in the world. You would encode The End of the Old World Order in the streets of Washington, D.C., which, as is revealed in these pages, is nothing less than a Gigantic Black Magickal Spellcasting Machine. Furthermore, you would embed the &'date of demise' in the modern calendar, as plain as day for those with eyes to see. You would orchestrate

a string of foreshadowing, preparatory lesser false-flag attacks / mass rituals in the decades leading up to the grand occasion, rituals involving, for instance, consecrated sacrificial vessels such as—as was the case on 9/11—commercial airliners filled with dozens of innocent victims. Your elite family is among those who have instigated world wars and induced global famines. You think nothing of the use of false-flag terrorism to achieve your goals and objectives—even nuclear false-flag terrorism.***One doesn't have to be a religious fundamentalist to sense it, or see it all around us—the Satanification of the World. Practically every public event is now a thinly-veiled, if at all, Satanic ritual. We are being driven hard towards something in the near future, something whose hideous form becomes clearer by the day. All the while, the grip of the global dark-occult technofascist dictatorship grows ever tighter. Preparations have been underway for a very long time, even from the Founding of America, and the hour grows late. With bated breath, the entire planet, knowingly or unknowingly, awaits the arrival of Black Jack.

The Addiction Recovery Handbook Richard W. Clark, 2020-09-28 What Richard Clark presents in *The Addiction Recovery Handbook: Understanding Addiction and Culture* is long overdue. Since 1939, Bill Wilson's important and influential books, *Alcoholics Anonymous* and *AA's Twelve Steps and Twelve Traditions*, have helped millions of people struggling with addiction to recover. In more than 80 years since then, a lot has changed: the definition of addiction, its demographics, social attitudes to addiction, politics, religious influence, treatment modalities, and the epidemiology of the illness. These have taken tolls on our modern network of relationships and treatment that culture and community now depend upon. *The Addiction Recovery Handbook* examines the changing historical views of addiction, outlines how this culture developed its contemporary perceptions and values, and how society contributes to this growing problem. Richard Clark proposes AA's traditional religious model of God's help-and-forgiveness can no longer address the needs of a diverse and largely irreligious society where atheism is becoming mainstream. His updated analysis of the traditional 'AA' approach proposes that self-understanding and awareness—through knowledge and education, psychology, and compassion, be the significant components of any recovery framework. This will guide both caregivers and addicts to develop expertise regarding more successful treatment and recovery protocols. This would be in a supportive environment of self-knowledge and mutual respect, whether theist or atheist. All concerned will acquire the ability to live a spiritual life, which is clearly defined. *The Addiction Recovery Handbook* is an interesting and readable book and is intended for everyone: addicts, medical professionals, counsellors, therapists, clients, sponsors, social workers, family members, partners, friends, employers—every stakeholder in a healthy, non-judgmental society that cares about the wellbeing of all its members.

Is The "World's Oldest Bible" A Fake? David W. Daniels,2018-01-09 Modern research techniques have revealed a hidden scheme aimed at God's Holy Words... Modern Bibles have changed many verses because of the discovery of an ancient manuscript in a monastery on the Sinai Peninsula. The manuscript, called Sinaiticus, is claimed to be the earliest complete copy of the New Testament. Its discoverer, who was a world leading Bible scholar in his time, told the world Sinaiticus was from the 4th century and that it was the oldest and best Bible available. Publishers rushed to make new Bibles with many changes to match it. But not everyone agreed. When this famed 19th century Bible scholar, Constantine Von Tischendorf, claimed the ancient date, a well-known Greek calligrapher said, No! I made that document! But why did no one believe him? Maybe it's because pages of the manuscript were stored where no one could view them, archived in exclusive collections across several continents. Now, an international group has carefully photographed each page of Sinaiticus and is displaying it on the internet as high-quality digital images. For the first time, Bible scholars and students can see the entire manuscript together, as was never possible before. And what they are seeing with their own eyes is shocking. Some of the pages are white and look quite new, while others have been darkened to make them look very old. If they are all from the same old Bible, how can this be? Researcher David W. Daniels proves with easy-to-understand evidence that the Sinaiticus is not the oldest manuscript and certainly not the best, either. He is also convincing in showing it's not old after all and that the Greek calligrapher did make it, in the 19th century. The textual (and doctrinal) changes in modern Bibles are based upon a fake —a shadowy scheme worthy of Satan's hatred for the preserved words of God.

Letters of Helena Roerich. 1935-1939. Volume II Елена Рерих,2018-05-10 A Facsimile Edition Reprint of the Original Book Published in the United States of America by Agni Yoga Society in 1967.

Spontaneous Combustion Miles Gentry,2011-06-05 Shattering the dogmatic interpretations long held by the churches, the author has revisited many of the Bible's mysteries, and now presents the esoteric truths contained within. An intentionally non-religious work, though dealing with core issues of religion and spirituality, this book proves to be both unique and profound. Drawing from the study of sacred texts, religious myth and symbols, from the study of metaphysics, psychology, and various occult teachings of the mystery schools, the author has presented a solid case for what he declares to be the true message of the ancients. Simply stated, Mankind is in the Dark. That we are in the dark, though we aren't aware of it, is the basic premise of the book. That there is a solution, a system of personal rebirth is the initial message. Following a logical trail of investigation determined by the evidence presented, the reader arrives at the crossroads of prophecy and reality altogether.

Revelation of the Holy Grail Chevalier Emerys, 2007-09-01 The Holy Grail has become a popular field of study in recent years, however most books on the subject are written by authors who are not themselves initiated into the mystery school tradition of the Grail. Revelation of the Holy Grail is one of the first books on the subject which is written by an initiate within several of the Knighthood Orders associated with the Grail Tradition. This book provides many previously unpublished facts about the history and tradition of the Grail movement, which includes some of the most influential people in human history. The Quest of the Holy Grail has proved to really be about the quest for human civilization. It has spawned not only the greatest political movements in history, but also it has been the cornerstone of human technology. Alchemy, Hebrew Mysteries, Templar Secrets, ancient technologies, Gnostic traditions, and secret societies have all been involved in this exciting history which is the backbone of our modern day world.

Master of the Mysteries Louis Sahagun, 2011-03 In 1919, a Canadian teenager with a sixth-grade education arrived by train to the wilds of Los Angeles. Within a decade he had transformed himself into a world-renowned luminary and occult scholar. His name was Manly Palmer Hall, author of the landmark encyclopedia The Secret Teachings of All Ages and the 20th century's most prolific writer and speaker on ancient philosophies, mysticism, and magic. Hall revealed to thousands

how universal wisdom could be found in the myths and symbols of the ancient Western mystery teachings. He amassed the largest occult library west of the Mississippi and founded The Philosophical Research Society in 1934 for the purpose of providing seekers rare access to the world's wisdom literature. He became a confidante and friend to celebrities and politicians. In 1990, he died - some say he was killed - in what remains an open-ended Hollywood murder mystery. This dramatic story of Hall's life and death provides a panorama of twentieth century mysticism and an insider's view into a subculture that continues to have a profound influence on movies, television, music, books, art, and thought.

The Illuminati Mark Dice, 2009 Secret societies have both fascinated and frightened people for hundreds of years. Often the infamous Illuminati is mentioned as the core of conspiracies which span the globe. The Illuminati is actually a historical secret society which had goals of revolutions and world domination dating back to the 1770s. Since then, rumors and conspiracy theories involving the Illuminati continue to spread, sometimes finding their way into popular novels like Dan Brown's *Angels & Demons* and Hollywood movies like *Lara Croft: Tomb Raider*. Some men have even come forward claiming to be former members, offering details of what they allege are the inner workings of the organization. When you sift through all of the information available on the subject, you may be surprised that the truth is stranger than fiction. In *The Illuminati: Facts & Fiction*, conspiracy and occult expert Mark Dice separates history from Hollywood and shows why tales of the secret society won't die. - Original Writings and Documents - Purported Texts - Freemasonry's Connections - The Georgia Guidestones - Alleged Victims and Defectors - Aliens and Reptilians - Activists and Eyewitnesses - Fictional books - Fictional films - TV references - The Music Industry - Mainstream Media Manipulation - Documentary Films - Pre Illuminati Organizations - The Luciferian Doctrine - The Federal Reserve - Skull and Bones - The Bilderberg Group - Bohemian Grove - The Council on Foreign Relations - The Franklin Cover-up - Sex Magic - Election Fraud - The Necronomicon - The Church of Satan - The Secret Doctrine - Emerald Tablet - The Book of Thoth - The Book of Dzyan - The Report From Iron Mountain - Protocols of the Elders of Zion - The Holy Grail - MK-ULTRA Documents - The Satanic Bible - The Secret Doctrine - David Rockefeller's Memoirs - Memoirs Illustrating the History of Jacobinism - Secret Societies and Subversive Movements - Occult Theocracy - Externalization of the Hierarchy - None Dare Call It Conspiracy - Magick: In Theory and Practice - Bloodlines of the Illuminati - The Lexicon of Freemasonry - Morals and Dogma - The Secret Teachings of All Ages - Myron Fagan - Edith Miller - Gary Allen - Abbe Barruel - Nesta Webster - Anthony J. Christ in You the Hope of Glory Charles Holloway Jr, 2012-03 In these last of days, in this dispensation of time, we

have more and more religious and irreligious politically correct beliefs being bantered about by the masses. These worldly ideas and viewpoints have crept into our homes, schools, colleges, churches, courts, and government over the centuries of human existence, causing confusion and spiritual frustration. Many seek the truth about God from other men and women who have no personal relationship with God themselves. Friend, I have good news. God is love. He doesn't have love, He is love, and we were created by love, for love, and this very same God of love desires agape for you!
