*1,600 Quotes & Pieces of Wisdom That Just Might Help You Out When You're Stuck in a Moment (and Can't Get Out of It!)* Gary P. Guthrie, 2003-03 John Lennon said, Life is what happens to you while you're busy making other plans. Sometime today while you're busy following your plan, something may happen that puts you in a funk or motivates you to make a change. Something that could leave you stuck in a moment. But, Marie Curie contended, Nothing in life is to be feared. It is only to be understood. When those moments sneak up on you, you can run to counseling, look yourself in the mirror, crawl over to your favorite self-pity corner or you can open *Stuck in a Moment* and find wisdom to help you understand and, possibly, turn your mood around. Precise in nature, *Stuck...* takes you straight to the heart of life's customary stumbling blocks: your relationships, your job life, your frame of mind and your desire to have the life you dream of. To some, it's an express self-help book; to others, a travel guide for their life. Whether you're following the 12 Steps, looking for an honest, encouraging companion or a fan of inspirational quotes, you'll find 1,600 opportunities to gain new insights in this book - a book of rationale and challenge that you will want to keep handy or gift to someone for those everyday moments.

*Comfort for the Day* Steve Nicola, Karen Nicola, 2011-10-12 Your heart is crushed. Finding it even difficult to breathe, you wake up to the reality that someone you treasure is gone. Death has stolen your loved one from your arms. Now the seemingly insurmountable difficult work of living through grief begins. Is there anything that can soothe this overwhelming ache? Is there a safe place for the anger? Will depression become a constant companion? Does the painful malaise last forever? How can I just get through the day? *Comfort for the Day* offers a personalized grief recovery experience, drawn from the source of all comfort- God. His Word will become a guide and friend as the reader lives through the confusing and painful seasons of grief. *Comfort for the Day* is what each grieving heart longs for. Used either as a gift for the bereaved or for your own personal needs, *Comfort for the Day* brings real help for really hurting people.

*W.B. Yeats* Heather C. Martin, 1986-12-20 W. B. Yeats spent a great deal of his life immersing himself in magical, mystical, and philosophic studies in order, as he claimed, to devise a personal system of thought "that would leave [his] ...

imagination free to create as it chose and yet make all that it created, or could create, part of the one history, and that the soul's." He succeeded in developing a cohesive metaphysics, and one which is surprisingly original. While he set it down in a series of philosophical treatises culminating in *A Vision*, it is most clearly elaborated in his plays, which breathe life and meaning into the rather obscure statements of the treatises. In this book, the author traces "the history of the soul" as it is developed in Yeats's plays. She elucidates the underlying system of thought in the drama and establishes its importance to the aim and execution of the plays by drawing attention to a few of the central themes, metaphors, and symbols through which it is developed. The manuscript and the earliest published versions of the plays are indispensable to this study as they retain much of the abstract thought which Yeats eliminated from the later versions. Martin traces the development of the metaphors and images which gradually replaced Yeats's abstractions. In the process, she is able to uncover new meaning in the plays, as many subtle and obscure passages become clearly understandable.

Expression Kerry O'Brien,2019 Reading a book about an individual's journey with a terminal bowel cancer diagnosis would ordinarily seem to be a rather depressing read. However, Kerry's light-hearted sense of humour and unending positivity and love of life shines through in her writing. In this very personal book, Kerry overcomes the stigma of talking openly about the symptoms and treatments for bowel cancer: there are graphic descriptions of some of the intimate details of bodily (mal)functions; reflections on her research into what may have contributed to her diagnosis and nutritional and other lifestyle changes she has found helpful. Kerry shares how she has made sense of her situation and developed coping strategies, in the hope of helping others. The insights gained from this book will be valuable for a broad range of readers: patients with bowel cancer, wanting to learn more about other patients' experiences; families and friends of bowel cancer patients (who perhaps feel uncomfortable asking those difficult questions); healthcare professionals who want a deeper understanding of their patients' emotional, as well as physical needs; researchers exploring the lived experiences of bowel cancer patients and writers investigating comparative healthcare provision for cancer patients. Kerry's book is an inspiring and readable story, written from the heart. Ursula Edgington.

**Love's Forgiveness** John Lippitt,2020 Love's Forgiveness combines a discussion of the nature and ethics of forgiveness with a discussion--inspired by Kierkegaard--of the implications of considering interpersonal forgiveness as a 'work of love'. It introduces the reader to some key questions that have exercised recent philosophers of forgiveness, discussing the relationship between forgiveness and an extended notion of resentment; considering whether forgiveness should be conditional or unconditional (showcasing a particular understanding of the latter); and arguing that there are legitimate forms of third party forgiveness. It then introduces the idea of forgiveness as a work of love through a discussion of Kierkegaard, key New Testament passages on forgiveness, and some contemporary work on the philosophy of love. Drawing on both philosophy and the New Testament, it offers an understanding of forgiveness that incorporates both agapic love and a proper concern for justice. John Lippitt explores religious and secular uses of key metaphors for forgiveness, and the idea of forgivingness as a character trait, suggesting that seeking to correct for various cognitive biases is key to the development of such a virtue, and connecting it to other putative virtues, such as humility and hope. Lippitt draws on both Kierkegaard's discourse literature and contemporary philosophical work on these latter characteristics, before turning to a discussion of the nature of self-forgiveness. Throughout the book, the philosophical and theological literature is rooted in a discussion of various 'forgiveness narratives', including Helen Prejean's Dead Man Walking, Thordis Elva and Tom Stranger's South of Forgiveness, and Ian McEwan's Atonement.

Inked from heart Shanjana Guruparan, ,Gurleen kaur,2022-02-11 The anthology Inked From Heart creates an eccentric essence in reader's mind.Literature, in general, gives the liberty through which one can experience this beautiful feeling of being able to feel another person's emotions. And this book holds uniqueness of secretive emotions which bled through pen. There will come a point in life where one would have no one but the last page of a book at the end of the day. And that

last page will seem to be more than enough for the rest of one's life; that last page will be more than enough to hold dear at the very last of one's journey. This book is a hideous reality overshadowed by warm aesthetic filters. Hope you have a great time reading it as we had while creating it!

Truth, Comedy & Poetry for All Nelson Onit Vazquez, 2001-04 Once in a while a book comes along that has depth and insight that stirs your soul to remember things you didn't even think to ask. This is that kind of book. Margaret is a soul who came to Earth to remember who she was and from then on to help humanity with her special abilities. She has an ability to see clearly the other realms and dimensions that surround us and works with the Angels and energy fields to assist Earth in her ascension. The stories in this book were written as a gift to help us understand our daily struggles of reconciling our physical life while ascending into our true spirits. It is a book that can be life changing. Each sentence, paragraph and story are so rich with multiple meanings. Each time you read it, you can gain a new insight into what you are going through. I gladly recommend this book. I pray it will be a blessing to your life as it was to mine. ~ Christina Lunden, prophet, teacher and author of *The Angel Connection; Divinity in the New Energy*. My dear friends: I would like to say this: Glory to those who give God away everyday with a hope that God will never run away. Glory to those that give God away and don't run away but stay anyway. Glorious are those who know that God is to be given away and those that despite open eyes invite God to their hearts. Gosia Mavatar.
