Chris Fitter

Triaging the Streaming Wars Robert Alan Brookey, Jason Phillips, Tim Pollard, 2023-09-08 This volume considers the different implications of the rise of streaming services and their particular acceleration during the COVID-19 pandemic. Exploring the significant disruption caused to the entertainment industries by the rise of these streaming services, a team of international scholars examine changes to labor issues and compensation, which were central to the conflict between the Writers Guild of America members and their agents, the broadening divide between networks and affiliates, the significant consolidation of the media industry resulting from Disney's acquisition of Fox ahead of the launch of Disney+, and the variety of business models behind these services that defy the traditional advertising models and standard revenue streams. This thorough and multifaceted look at this rapidly growing section of the entertainment industry will be of interest to academics and students working in film and TV studies, media industry studies, digital media studies, business, and communication studies.

Graduate Programs in the Humanities, Arts & Social Sciences 2014 (Grad 2) Peterson's, 2013-11-22 Peterson's Graduate Programs in the Humanities, Arts & Social Sciences 2014 contains comprehensive profiles of more than 11,000 graduate programs in disciplines such as, applied arts & design, area & cultural studies, art & art history, conflict resolution & mediation/peace studies, criminology & forensics, language & literature, psychology & counseling, religious studies, sociology, anthropology, archaeology and more. Up-to-date data, collected through Peterson's Annual Survey of Graduate and Professional Institutions, provides valuable information on degree offerings, professional accreditation, jointly offered degrees, part-time and evening/weekend programs, postbaccalaureate distance degrees, faculty, students, requirements, expenses, financial support, faculty research, and unit head and application contact information. There are helpful links to in-depth descriptions about a specific graduate program or department, faculty members and their research, and more. There are also valuable articles on financial assistance, the graduate admissions process, advice for international and minority students, and facts about accreditation, with a current list of accrediting agencies.

Graduate Programs in the Humanities, Arts & Social Sciences 2015 (Grad 2) Peterson's, 2014-11-25 Peterson's Graduate Programs in the Humanities, Arts & Social Sciences 2015 contains details on more than 11,000 graduate programs of study across all relevant disciplines-including the arts and architecture, communications and media, psychology and

counseling, political science and international affairs, economics, and sociology, anthropology, archaeology, and more. Informative data profiles include facts and figures on accreditation, degree requirements, application deadlines and contact information, financial support, faculty, and student body profiles. Two-page in-depth descriptions, written by featured institutions, offer complete details on specific graduate programs, schools, or departments as well as information on faculty research. Comprehensive directories list programs in this volume, as well as others in the graduate series.

2012-2013 College Admissions Data Sourcebook West Edition ,

Shakespeare and the Politics of Commoners Chris Fitter, 2017 Shakespeare and the Politics of Commoners is a highly original contribution to our understanding of Shakespeare's plays. It breaks important new ground in introducing readers, lay and scholarly alike, to the existence and character of the political culture of the mass of ordinary commoners in Shakespeare's England, as revealed by the recent findings of 'the new social history'. The volume thereby helps to challenge the traditional myths of a non-political commons and a culture of obedience. It also brings together leading Shakespeareans, who digest recent social history, with eminent early modern social historians, who turn their focus on Shakespeare. This genuinely cross-disciplinary approach generates fresh readings of over ten of Shakespeare's plays and locates the impress on Shakespearean drama of popular political thought and pressure in this period of perceived crisis. The volume is unique in engaging and digesting the dramatic importance of the discoveries of the new social history, thereby resituating and revaluing Shakespeare within the social depth of politics.

Whispers of Sage Bil Howard, 2016-05-18 When Katherine's fiancé, Sean, was transferred from Pittsburgh to Scottsdale, Arizona, their wedding plans were put on hold. Katherine, who was not known to do anything alone or without someone on the other end of her cell phone, decided to quit her job, pack their things and surprise Sean by driving cross-country by herself. Not particularly adept at navigation, her car breaks down in the most unlikely of places; what passes for a road in the mountains of Colorado. Rescued by Ethan, a cowboy and horseman whose summer place is less than a mile from where she is stranded, Katherine is shocked by the dichotomy of his backward lifestyle that is mixed with a simple, yet profound intelligence. However, it is his skill with horses, the way that he can see straight into her soul and his gentle touch that send her into a tailspin. Though she is beginning to forget Sean, Ethan won't allow her to stay as long as she has the ring on her finger. With a promise to keep, Katherine continues her journey to Scottsdale, but is never able to shake the deep change that had begun within her and she discovers that the wind rushing through her hair, the smell of the pine, the whispers of the sage and the feel of a horse underneath her have changed her entire outlook. Will the whisper of the sage draw her back to the only man who has truly loved her?

Playhouse to Powerhouse Kerry Goldmann, 2025-09-29 The rise of Black cultural nationalism in the 1960s came with resounding promises of assertive new methods to achieve Black liberation in America, especially through art. Nowhere were

these efforts more impactful or lasting than in the Black theatres founded or led by Black women between 1960 and 1990. Prior to the 1960s, most Black theatre was barred from mainstream white venues, limiting public access, Black artistic and economic opportunity, and cultural ownership. *Playhouse to Powerhouse: Locating Black Power Women and Their Movement* in the Black Theatre examines the revolutionaries who brought about this change, merging arts and entrepreneurship to embed theatres in Black communities from California to New York to Texas. In *Playhouse to Powerhouse*, Kerry L. Goldmann explores the Black theatre movement through the lens of three significant women-led theatres that are still in operation today: Nora Vaughn's Black Repertory Group in Berkeley, Barbara Ann Teer's National Black Theatre in Harlem, and George Hawkins and Eileen Morris's Ensemble Theatre in Houston. Goldmann concludes with a discussion of the current moment, examining contemporary obstacles such as gentrification, the co-opting of Black theatres, and the impact of COVID-19. This remarkable work sheds light on the foundational role that Vaughn, Teer, and Morris played in the Black cultural revolution of the mid- to late twentieth century, securing theatre houses that thrived in multiple capacities as sites for revolution organizing, revenue generation for communal uplift, and unapologetic Black cultural representation.

2010-2011 College Admissions Data Sourcebook West Edition ,2010-09

Postsecondary Sourcebook for Community Colleges, Technical, Trade, and Business Schools Midwest/West Edition ,2010-12

Billboard ,1973-04-07 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

The Alcalde ,1981-03 As the magazine of the Texas Exes, The Alcalde has united alumni and friends of The University of Texas at Austin for nearly 100 years. The Alcalde serves as an intellectual crossroads where UT's luminaries - artists, engineers, executives, musicians, attorneys, journalists, lawmakers, and professors among them - meet bimonthly to exchange ideas. Its pages also offer a place for Texas Exes to swap stories and share memories of Austin and their alma mater. The magazine's unique name is Spanish for mayor or chief magistrate; the nickname of the governor who signed UT into existence was The Old Alcalde.

Culture in the American Southwest Keith L. Bryant,2014-09-01 If the Southwest is known for its distinctive regional culture, it is not only the indigenous influences that make it so. As Anglo Americans moved into the territories of the greater Southwest, they brought with them a desire to reestablish the highest culture of their former homes: opera, painting, sculpture, architecture, and literature. But their inherited culture was altered, challenged, and reshaped by Native American and Hispanic peoples, and a new, vibrant cultural life resulted. From Houston to Los Angeles, from Tulsa to Tucson, Keith L. Bryant traces the development of high culture in the Southwest. Humans create culture, but in the Southwest, Bryant argues,

the land itself has also influenced that creation. Incredible light, natural grandeur, . . . and a geography at once beautiful and yet brutal molded societies that sprang from unique cultural sources. The peoples of the American Southwest share a regional consciousness—an experience of place—that has helped to create a unified, but not homogenized, Southwestern culture. Bryant also examines a paradox of Southwestern cultural life. Southwesterners take pride in their cultural distinctiveness, yet they struggled to win recognition for their achievements in high culture. A dynamic tension between those seeking to re-create a Western European culture and those desiring one based on regional themes and resources continues to stimulate creativity. Decade by decade and city by city, Bryant charts the growth of cultural institutions and patronage as he describes the contributions of artists and performers and of the elites who support them. Bryant focuses on the significant role women played as leaders in the formation of cultural institutions and as writers, artists, and musicians. The text is enhanced by more than fifty photographs depicting the interplay between the people and the land and the culture that has resulted.

The Resisting Muse: Popular Music and Social Protest Ian Peddie, 2017-09-29 Popular music has traditionally served as a rallying point for voices of opposition, across a huge variety of genres. This volume examines the various ways popular music has been deployed as anti-establishment and how such opposition both influences and responds to the music produced. Implicit in the notion of resistance is a broad adversarial hegemony against which opposition is measured. But it would be wrong to regard the music of popular protest as a kind of dialogue in league against 'the establishment'. Convenient though they are, such 'us and them' arguments bespeak a rather shop-worn stance redolent of youthful rebellion. It is much more fruitful to perceive the relationship as a complex dialectic where musical protest is as fluid as the audiences to which it appeals and the hegemonic structures it opposes. The book's contemporary focus (largely post-1975) allows for comprehensive coverage of extremely diverse forms of popular music in relation to the creation of communities of protest. Because such communities are fragmented and diverse, the shared experience and identity popular music purports is dependent upon an audience collectivity that is now difficult to presume. In this respect, *The Resisting Muse* examines how the forms and aims of social protest music are contingent upon the audience's ability to invest the music with the 'appropriate' political meaning. Amongst a plethora of artists, genres, and themes, highlights include discussions of Aboriginal rights and music, Bauhaus, Black Sabbath, Billy Bragg, Bono, Cassette culture, The Capitol Steps, Class, The Cure, DJ Spooky, Drum and Bass, Eminem, Farm Aid, Foxy Brown, Folk, Goldie, Gothicism, Woody Guthrie, Heavy Metal, Hip-hop, Independent/home publishing, Iron Maiden, Joy Division, Jungle, Led Zeppelin, Lil'Kim, Live Aid, Marilyn Manson, Bob Marley, MC Eiht, Minor Threat, Motown, Queen Latifah, Race, Rap, Rastafarianism, Reggae, The Roots, Diana Ross, Rush, Salt-n-Pepa, 7 Seconds, Roxanne Shanté, Siouxsie and the Banshees, The Sisters of Mercy, Michelle Shocked, Bessie Smith, Straight edge Sunrize Band, Bunny Wailer, Wilco, Bart Willoughby, Wirrinyga Band, Zines.

Spare Time in Texas David G. McComb,2012-10-05 What do Texans' pastimes and recreations say about their characters? Looking at Texas history from a new angle, David McComb starts from the premise that how people spend their leisure time may well reveal more about their true natures and interests than the work they do or their family connections. In this innovative book, McComb traces the history of various types of recreation in Texas, gathering significant insights into the characters of Texans from the pleasures they have pursued. Reflecting the frontier origins of Texas, McComb starts with the recreations that were most popular with men in a crude, still-developing society—drinking, gambling, and whoring. He goes on to show how, as Texas became more civilized, so did its diversions. He describes how Texans have connected with nature in parks and zoos; watched football and baseball in great stadiums such as the Astrodome and Cotton Bowl; discovered the pleasure of reading in public and university libraries; and enjoyed radio, TV, movies, and live theater in places such as Houston's Alley Theatre. This recreational history reveals that Texans are open-minded and generous; that they respect the land; oppose prostitution but indulge in gambling and drinking; support racial and gender rights; love zoos; champion libraries; take pride in theatrical productions; and adore sports.

Script Analysis for Actors, Directors, and Designers James Thomas,2019-10-30 Script Analysis for Actors, Directors, and Designers, Sixth Edition teaches the skills of script analysis using a formalist approach that examines the written part of a play to evaluate its potentials for performance and production. This new edition offers a more streamlined experience for the reader and features new and revised content, such as a fully updated chapter on postmodern drama, new sections on Associative Thinking and Ambiguous Terms in the Introduction, and revised appendices featuring The Score of a Role and expanded treatments of Functional Analysis for Designers and Further Questions for Script Analysis. Explorations of both classic and unconventional plays are combined with clear examples, end-of-chapter summaries, and stimulating questions that will allow actors, directors, and designers to immediately incorporate the concepts and processes into their theatre production work. An excellent resource for students of Acting, Script Analysis, Directing, and Playwriting courses, this book provides the tools to effectively bring a script to life on stage.

Billboard ,1973-06-09 In its 114th year, Billboard remains the world's premier weekly music publication and a diverse digital, events, brand, content and data licensing platform. Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

Macgregor's Wolf Lessons of Time Bil Howard,2016-05-26 Deeper thinking, anger, adventure, history, love, mysticism... Jack Magnus at Reader's Favorite says, "haunting and lyrical...not the kind of book you'll come across often or one you'll read for an afternoon's escape and quickly forget about...it is most highly recommended. Five Stars." Struggling to make sense of his life, Ray Barrett seeks solace in the mountains and encounters a lone wolf, a mystical creature, according to the Sioux.

From that point forward, he is transported back in time and into the bodies of various persons throughout history. The ancient wisdom of the Sioux and a spirit guide named MacGregor accompany him through a series of experiences that teach him about life and purpose. Along the way, he falls in love with an assistant to MacGregor, Alexia, who fulfills a longing that has haunted him for quite some time. "A book that I will remember for some time to come. I don't think one could read the book and not come away without a better understanding of himself," says Valerie on Amazon. "Five Stars." Be transported to your favorite place in history and make new discoveries about yourself along the way.

Latinx Actor Training Cynthia Santos DeCure,Micha Espinosa,2023-03-03 Latinx Actor Training presents essays and pioneering research from leading Latinx practitioners and scholars in the United States to examine the history and future of Latino/a/x/e actor training practices and approaches. Born out of the urgent need to address the inequities in academia and the industry as Latinx representation on stage and screen remains disproportionately low despite population growth; this book seeks to reimagine and restructure the practice of actor training by inviting deep investigation into heritage and identity practices. Latinx Actor Training features contributions covering current and historical acting methodologies, principles, and training, explorations of linguistic identity, casting considerations, and culturally inclusive practices that aim to empower a new generation of Latinx actors and to assist the educators who are entrusted with their training. This book is dedicated to creating career success and championing positive narratives to combat pervasive and damaging stereotypes. Latinx Actor Training offers culturally inclusive pedagogies that will be invaluable for students, practitioners, and scholars interested in the intersections of Latinx herencia (heritage), identity, and actor training.

Embracing the Song of Expression: An Psychological Symphony within **West Texas Am Theatre**

In some sort of consumed by displays and the ceaseless chatter of fast conversation, the melodic splendor and emotional symphony produced by the written term usually diminish in to the back ground, eclipsed by the constant sound and interruptions that permeate our lives. However, situated within the pages of **West Texas Am Theatre** an enchanting fictional treasure brimming with raw emotions, lies an immersive symphony waiting to be embraced. Constructed by a wonderful composer of language, that captivating masterpiece conducts visitors on a mental trip, well unraveling the hidden melodies and profound affect resonating within each carefully crafted phrase. Within the depths with this moving review, we shall discover the book is main harmonies, analyze its enthralling writing model, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
