**Judah Scepter** Brian Arundell of Wardour Howard,2010-06 The royal family of Judah had a tremendous impact on history and played a role in shaping who we are today. In Judah Scepter, author Brian Arundell Howard provides a refreshing perspective about this family who migrated from one continent to the next, guiding the populace to a better life. Filled with

timelines, graphs, and maps, Judah Scepter contains both descriptions of tradition and historical facts about individuals within a royal genealogical line from biblical times to the present, documenting their contribution during the ages to the divine will. In addition, Howard discusses how the inherited scepter of Judah is used to uphold precedence over time. Judah and the Trojans seek out to do the will of God, Zeus, and Justice; the Franks and descendants of Charlemagne seek out to spread Christianity; and the Arundell Howards seek to do duty for their faith. How each scepter holder maintained their precedence is captivating and informative, as it progresses from biblical times, continents, genealogies, and governments. Gleaned from years of research, Judah Scepter educates and enlightens by introducing the transformation of Judah Scepter in relation to history.
